Men Require Nerve and Blood Tonic.

How Are Your Nerves?

The daily grind of life burns up a man's vitality faster than he renews it. He gets shaky, starts at trifles, tosses in his sleep, is ready to fly off the handle any minute.

The restorative power of Ferrozone is marvelous. In a month it will make you feel like new, just as it did Mr Karl E. Newsome, of Rothesay, who writes: "I owe a debt of gratitude to Ferrozone which saved my life after a severe siege of nervous prostration."

THE DREAMLAND TRAIN. When I would go to fairyland, Upstairs the station lies. Just after dark the good train leaves; An early start to wile. I take a special sleeping car; There is no fare to pay. But mother dear collects a kiss Before I start away.

The "Jolts" and "Jars" of Life

are what use people up. Most people live pretty well up to the limit of their powers, and so long as everything goes smoothly that is apparently all right; but a "jolt" or a "jar" in the shape of business worries, domestic anxieties, or an attack of La Grippe, Pneumonia, Typhoid, or other wasting disease, suddenly reveals the fact that there is a sad lack of reserve force to meet these contingencies and the result is serious, often fatal. A wise man will see to it that his system is fully fortified against sudden attack. To attain this result nothing is so sure and effective as

FERROL

This fact has been fully established by actual experience. If, therefore, you feel you are not in first-class shape physically, do not fail to take a course of FERROL at once. It contains Cod Liver Oil, Iron and Phosphorus—just what you need, it is easy to take, never fails, and you

Hutton Hill.

The last news that was sent from here there were several mistakes made when printing it. We are positive the editor did not do it intentionally. One error was concerning Mrs. Wm. Picken's wedding, the bridesmaid's name being omitted, in the person of Miss Cecilia Hopkins.

Mrs. J. Marchant and children, of Toronto, are visiting Mrs. Thomas Haskins and other friends here.

We were pleased to see Mr. Wm. D. Hopkins around again, but sorry that his eyes have been troubling him.

Mr. and Mrs. S. Lawrence and Mrs. Dowling and children have returned to their respective homes in the West. Their brothers, Messrs. Jno. and Cameron McKenzie, are left alone again.

Mr. and Mrs. Robt. Noble have moved into the late Mr. Jno. Barker's residence. We hear he intends working in town.

We welcome Mr. and Mrs. Wm. Sharp and family to our neighborhood. Mrs. Wm. Sharp is better known to her old friends as Miss Jennie Dunsmoor, and while living in single blessedness was a lovely refined lady, and we know we will enjoy her company still.

Misses B. Petty, D. Vollett and A. Donnelly are being instructed in the line of dress making in town, and in a few months will be able to do first class work.

Miss Winnie Hopkins went West near Brandon a little over two years ago. Do you know girls, I have good news for those who are seeking a husband. She was united in holy wedlock on the 3rd inst. We cannot tell you what his name is, but what's the difference.

We saw an item in Corner Concerns news which aroused our curiosity. He was informing the editor to allow him plenty of space as he had two or more weddings to chronicle. We wondered if some lady was going to take pity on him.

Don't forget our Sunday School. It commences on the 12th of May. All are cordially invited to attend, and those who take an active part in it will find it a great benefit to them. We had good attendance last year and also very good order.

Mr. and Mrs. Samuel Langril had their infant die the 2nd inst.

Mrs. G. Hopkins has recovered under the treatment of Dr. Hutton.

Mr. C. G. Hutton arrived in Antler, Sask., the 6th and reports a great amount of snow. Although we have not been favored with snow since March, we have been blessed with plenty of cold weather and frost.

Miss A. Lawrence spent Sunday with Varney friends. She did not tell us who she liked best in that vicinity.

Mrs. Briton was paying her best respects to friends in our burg lately.

We give the editors of the town great praise in the way they openly expressed their opinion in regard to a pool room. If we had more gentlemen like these who would

Dare to be a Daniel, Dare to stand alone, Dare to have a purpose firm, And dare to make it known.

There would be less vice and wickedness practiced in the town and surrounding country.

We regret to learn that Mrs. Picken (the old lady) has been ill. We feel assured that she would find great comfort in her daughter, Mrs. Wm. Picken, during her illness.

[The name of the bridesmaid was not given in the correspondence relating to Mr. Picken's wedding. Our compositors enquired at the time for it. It is simply a little omission that liable to occur with any one.—Ed.]

OVERTAKEN BY NAUSEA.

You don't know whether it's going to stay down or come up. You feel like thirty cents and look even worse. If one thing is quicker than another, it's "Nerviline". Ten drops in sweetened water gives relief instantly.

Henry's Corners.

Once more the fine weather has put in its appearance and we are likely to have spring now.

Mrs. John Allan is attending her daughter, Mrs. Walter Hastie, who has been seriously ill, but we are glad to report is improving nicely.

Mrs. Andrew Henry and Mrs. Thomas Brown visited at Mrs. Jas. M. Allan's one day last week.

Mr. G. Schenk, of Normanby, visited his niece, Mrs. Robt. J. Matthews, one day last week.

Mr. and Mrs. Thos. Brown visited the latter's sister, Mrs. Will Clark, of Varney, one day recently.

Once more we hear the dredge going at full blast, as they have got on a full gang both day and night, and the output of marl this summer will be larger than ever as Wes. Arnott and Arthur Aljoe are doing the digging.

Mr. John Allan got a severe fall last Sunday. While opening the driving shed door the wind being very strong blew the door against him knocking him down, causing him to lie in bed for a few days, but he is able to be around again.

Mr. and Mrs. Thos. Allan, of Durham, visited at Mr. James M. Allan's the beginning of this week.

Mrs. Hargrave, of Swinton Park, is visiting her daughter, Mrs. James M. Allan, at present.

Mr. Charlie Reid was a welcome visitor at Mr. Samuel Patterson's last Sunday.

Sackett's Corners.

The weather is looking more spring like and farmers are beginning to think that they are going to get their crops in fair time yet.

Mr. G. Witter had the misfortune to lose one of his working horses which died of lock jaw. This is a loss especially at this time of the year but Mr. Witter met his loss bravely and purchased a colt from Wm. Sackett, at a reasonable price.

Mr. G. Haw paid a visit to his parents at Port Hope and while there had the pleasure of attending his father's and mother's golden wedding. A very pleasant time was indulged in.

Mrs. Geo. Witter presented her husband with a fine baby boy this week. Both are doing well.

Mrs. John Witter of Neustadt is visiting Mr. and Mrs. G. Witter of this place at present.

We are pleased to hear that Mrs. Wm. Marshall of Boothville who has been very sick is a little better. We hope to hear of her recovery soon.

Mr. James Renwick is engaged in making maple syrup and has made a fine supply of that splendid article.

Mr. Ronald McDonald has rented his farm to his brother Sandy and is going into the implement business at Proton Station.

DANGER IN CORN SALVES.

They usually contain acids and burn the flesh. The one safe cure in liquid form is Putnam's Painless Corn Extractor, which is purely vegetable, causes no pain and cures in one day. Don't forget the name—"Putnam's."
