An enjoyable At Home was given by the Epworth League in the Methodist church on Tuesday evening of last week. Candy refreshments were served, and in the course of the evening a short programme was rendered, consisting of a solo by Mrs. Blackburn, duett by Miss Zilla Trimble and Miss Florence Thurston, and a rendering each by Miss Christine Richardson, Mrs. Robt Moore, Mr. Edgar Bellamy and Mr. Elwood Genoe. Mr. C. E. Pryon presided. A silver collection was taken in behalf of the Forward Movement for Missions.

At the regular meeting of the Epworth League on Monday evening the annual election of officers took place as follows: President, Mr. Edgar Bellamy; 1st Vice-Pres., Miss Kate Bellamy; 2nd Vice-Pres., Mrs. W. A. Armstrong; 3rd Vice Pres., Miss Florence Thurston; Rec. Sec., Miss Francis Bellamy; Cor. Sec., Mr. A. S. Thurston; Treas., Miss May Hales; Rep. to District Executive, Mrs. W. H. Thurston.

Mr. James McClocklin and family moved on Monday to the residence in Medical Hall block recently vacated by Mr. M. Wilson.

Division Court was held here on Wednesday of last week but the docket was very light, occupying only about half an hour of the time of the Court.

Mr. F. Tucker, tailor, has added a new stock of tweeds, &c., to his business.

A new grocery store is being opened in the shop formerly occupied by the Standard Bank. Roy Kerr will be in charge.

A new tinshop in Medical Hall we learn is also to be opened by our young townsman, Mr. Pete Norris.

Mr. Walter Loucks, who has been at Meaford for some time, left recently to spend the summer in the North West.

Miss Trelford, saleslady in F. G. Karstedt's store, sustained such severe injuries by a fall on the sidewalk over a week ago that she has since been laid up, and is at present at her home at Proton Station.

Mrs. Hanley, of Ottawa, is visiting her sister, Mrs. W. J. Stewart, east back line.

Miss May Jamieson is home from Toronto spending two weeks with her mother.

Miss May Fisher is spending a couple of weeks with Mrs. (Rev.) Thom at Waldemar.

Prof. G. N. Kellistine, of Owen Sound, spent Friday and Saturday last in town piano tuning.

Master Norris Tucker arrived from Oakville last week to remain with his parents here.

We were surprised last week to learn by the Chronicle that the editor was yet out of pocket so large a sum on the libel suit brought against him for his gallant fight to retain for Durham the cement mill established there. The debt is not justly the editor's, and that it has not long since been covered (as we supposed it had been) is a burning shame to the shareholders of the Company and the town of Durham, all so materially benefitted by the works remaining where they are,—and that largely due to the influence of the Chronicle.

Buessan.

Mrs. John Sutherland who has been visiting her parents Mr. and Mrs. C. McArthur for a month or so, returned to her home in Stratford recently.

Miss Jennie McArthur returned home from Toronto last week looking as if city life agreed with her.

Mr. and Mrs. C. R. Watson spent Sunday with their friends at Waud by

Mr. Ira Pinnock is working at Cement Lake.

Mr. Angus McArthur purchased a new buggy from agent A. B. McLellan. We expect to see Angus going north a little oftener now.

Mrs. E. Brown lost her valuable cow last week from some unknown cause.

On Friday morning of last week the infant son of Mr. and Mrs. Hugh Edwards died after only a few hours sickness with pneumonia. The deceased was a bright little boy, just a year old the day he died. The funeral took place to Durham cemetery on Saturday. Rev. Mr. Newton officiating. We extend our sympathy to the bereaved ones.

Mr. Jess Edwards and daughter Miss Lindy, Mr. and Mrs. Robert Britton of Bentinck and Mrs. Britton of Durham attended the funeral of Mr. Edward's little boy.

A SUGGESTION OF RARE VALUE

A diseased condition of the surfaces of the air passages causes bad breath, but more commonly emanates from indigestion or an impure condition of the blood. Thousands of cases prove that Dr. Hamilton's Pills through their specific action on the secretory and eliminative organs, not only cure bad breath, but so thoroughly purify the system that anything suggestive of blood or digestive troubles is impossible. Through Dr. Hamilton's Pills the skin grows rosy and clear, activity of the body and mind increases, and bounding health is established, sold everywhere in 25c boxes.

Pale, Thin, Nervous?

Then your blood must be in a very bad condition. You certainly know what to take, then take it—Ayer's Sarsaparilla. If you doubt, then consult your doctor. We know what he will say about this grand old family medicine.

This is the first question your doctor would ask: "Are your bowels regular?" He knows that daily action of the bowels is absolutely essential to recovery. Keep your liver active and your bowels regular by taking laxative doses of Ayer's Pills.
