VALUABLE MEDICAL **PRESCRIPTION**

Recommended by a Well-known Toronto Doctor, Whose Love for Humanity is Greater than His Prejudice Against Proprietary Medicines.

The following very valuable prescription, by an eminent and successmany who are suffering from la grippe, cold, cough, pneumonia, or any throat, lung or stomach trouble, or run-down system, as it is a certain cure, and will save many a doctor's bill. It is almost a certain preventive as well:cold or have chilly feeling or aching feel weak, tired, dizzy, unfit for work, pain in the head or back of the neck, do not neglect these dangerous symptoms, but send immediately to your druggist and get a bottle of Psychine (pronounced Si-kecn), and prepare as

"Psychine, 2 teaspoonfuls. "Sherry, whisky or water, 2 tea-

"Choice of the latter can be made according to the judgment and preference of the patient.

"Mix thoroughly and take regularly before each meal and at bedtime." This prescription has been used in universally successful that a number of leading physicians regularly prescribe Psychine in their practice for valuable home remedy. It tones up the entire system, giving a feeling of youthfulness and vigor, adding many years to the life of those who use it.

"Years ago I was almost a physical wreck and was suffering with lung troubles. Friends and neighbors thought I would never get better. I began to despair myself. Losing faith in my physician, I procured another one who recommended the use of PSYCHINE. It was surprising beyond description the effect it had. I seemed to gain with every dose. Inside of two weeks I was able to attend to my housework again. There are no symptoms of consumption about me now." MRS. HENDERSON,
