COURT Durham No. 111 I. O. F. will attend Divine service at Trinity Church on Sunday the 23rd inst., at 11 a. m. Rev. A. A. Bice, Rector, will officiate. The members are requested to meet at their court room at 10:30. A. D. Browning, C.R. Wm. Johnston, R.S.

THOSE who heard the 48th Highlanders' Band at the Mt. Forest Old Boy's Reunion last year know what to expect on Dominion Day at the Sons of Scotland Demonstration. The grand Rink Concert in the evening will be the best yet held and that is saying a good deal.

THE University examination results came out in Tuesday's dailies. We congratulate Brad Jamieson and W. W. Tyreman, who were successful in their second year and H. Tyreman who made good his third in medicine, all without supplementals. Miss B. Colling, daughter of Rev. Thos. Colling, was also amongst the successful list of second year candidates in the Faculty of Arts.

A GREAT deal has been said and written about the late spring and the backward condition of our crops, not only here but in the Great West. To get at the real truth we would ask any or all readers in Western Canada to give us short items pertaining to the nature of the crops in their respective localities. It would be well to have copy sent in by return mail so that a number of crop reports could appear in our issue of the 7th or 20th inst.

An accident occurred at the Cement Works on Sunday last. A Grand Trunk car went in on their line to unload some goods and in backing into the Power House, they misjudged the distance and jammed in through the south wall knocking down a considerable portion which will cost the railway quite a sum to replace. One of the marl cars was also badly damaged in the crash. Fortunately no one was injured.

GIANT Triplets "Currency" "Bobs" and "Stag" Chewing Tobaccos, in big plugs. Quality always the same.

THE Town Council met on Monday night when a very agreeable session was held. The members were all present and put through a number of accounts after which there was some little discussion about street watering, the cement smoke nuisance and the question of cess pools, but no definite action was taken, the matter of the cess pools being laid over for a special meeting when the school board would be present to consider the advisability of carrying their proposed plans in the construction of school closets and how to dispose of a protest entered against the system.

We publish this week a short budget from Gilbert Plains, Manitoba. Such letters are quite acceptable provided the information be of such character as to interest a goodly number of our readers. Of course at such a far away distance, a lot of small matters that would be good news if coming from some place near Durham will be of no interest to readers generally, but good healthy news items of a general character or personal references to former residents of this locality will be always appreciated. The writer has made a good start and further items will be cheerfully published.

WANTED.—Good general servant. Apply to Mrs. Joseph A. Brown.—2 pd.

READ the ad announcing the Great S. of S. Demonstration on July 1, and watch for further announcements.

A SPECIAL meeting of Ben Nevis Camp will be held Friday June 7th. A full attendance most desirable.

THE Baptist Church Choir will give a Musical and Literary Concert in Watson's Hall, Priceville, on Tuesday evening the 18th of June. See bills.

A LIST of contributors to the Chinese Famine Fund has been handed in for publication and will appear next week. The list is from Hutton Hill.

OWING to the absence of Rev. Wm. Farquharson at the meeting of the General Assembly there will be no service in the church on Sunday morning. Rev. G. Kendall of Dromore will preach in the evening at seven o'clock.

LAST week we started a series of articles from back numbers of the Standard and Chronicle, beginning with May 1857, fifty years ago. It seems that a Registry Office for South Grey was decided on half a century ago and that Walkerton is fifty years a county town last month.

THE Sacrament of the Lord's Supper was administered in the Presbyterian church on Sunday last when an unusual large number of members were present. A slight change in the order of serving was noted owing to the introduction of the individual communion cups regarding which the general opinion was favorable.

ON Friday last Mr. Robert Burnett moved into his new house recently purchased from Rev. W. L. Newton. To make room Mr. Newton had to move out and will board for a few weeks till he gets his own new residence completed. Mr. Newton is a good worker not only with his head and his heart, but with his hands as well.

THE formal opening of the Durham Base Ball League, which was to come off on Tuesday last, has been postponed on account of the rain and will likely take place on Friday, to-morrow afternoon, when there will be no charge for admission to the grounds. The game is to be between the merchants and manufacturers. Other teams of the league will play later due notice of which will be given.

IN the absence of Rev. T. Colling, who is attending conference, the services in the Methodist Church took on a new form last Sunday morning, when music was furnished by the Jr. League with short addresses by Mr. W. A. Glass, and Mrs. Benton. In the evening the service was taken by Inspector Campbell, whose plain and impressive addresses are always appreciated by the Methodist people.

THE McKenzie boys had their new barn raising on Tuesday last, and although we fully intended to respond to a cordial invitation to be present the showers of the afternoon prevented us going. Tuesday, in any event, is a bad day to call on local newspaper men to go away from their offices, as they should have their eyes and ears open the first part of the week if they succeed in getting the latest news. The barn was to be raised by the block and tackle method, and as few good men are required we hope our absence would not interfere with the completion of the job.

THE Amusement Committee of Ben Nevis Camp have pleasure in announcing that they have secured the renowned 48th Highlanders' Band, of Toronto, for their Fourth Annual Dominion Day Demonstration, as one of the chief features of the day and evening. Numbering about twenty-five they are much more than a band, for the aggregation includes vocalists, dancers, fantasias, and humorous selections as well. All loyal citizens will enjoy for instance one of the afternoon items, a Grand Patriotic Fantasia, entitled "The Death of Nelson," while the humorous piece "The Alabama Minstrels," with vocal, tambourine, bones, dancing and chorus effects will gratify the lighter vein. Other features will be arranged for and of course the usual athletic sports. Watch for further announcements and plan to spend the Big Day in Durham. Long Live Canada.—By order, The Committee.

Rev. J. Connor, of Brookholm, rector of Trinity Church some years ago, had a pleasant visit here last week amongst his many former friends. He doesn't seem to be any older than when he left here about nine years ago.

Mr. and Mrs. David Kinnee attended the Conference at Berlin last week. Mr. Kinnee was much pleased with the beautiful town which for bustle, and business and neatness in appearance far surpassed his expectations. He reports having met Mr. Ferguson who is recovering from his recent illness, from that poisoning calamity, and wishes to be remembered to his Durham friends.

Mr. George Hughes who has been engaged for the past year or so to assist Mr. Townner at the Grand Trunk Station here has left the employ of the company to take a position with the C. P. R., east of Toronto. During his stay here George made many friends through his gentlemanly conduct and civil treatment of all he came in contact with. Few young men of his age were more courteous. He was well-behaved and we regret to lose him.

Miss Maggie Lindsay left Monday morning for Invermay, Saskatchewan. Her brother Edward left a few days before with a car load of effects intending to locate in the western province.

Mr. Robert Lindsay, of Bentinck, is the only member of the family now left in the neighborhood and is now settled on the old homestead a mile or so east of town. He still owns the Bentinck farm and being a worker we have no hesitation in believing he will make things move now.

FOUND—A lap rug for buggy. Owner may have it by calling at Hugh McLean's and paying for ad.

FOR quality and quantity ask your dealer for the new big plugs of "Bobs" "Stag" and "Currency" Chewing Tobaccos.

### GREY DEANERY MEETS AT DURHAM.

Durham, May 10.—The Grey rural deanery meeting convened at Durham on Tuesday and Wednesday.

The opening meeting was held in Trinity Church on Tuesday evening at which Rev. W. J. Connor, former rector, preached an excellent sermon on Matt. x: 20-end. The clergy of the deanery taking part in the service.

On Wednesday morning Holy Communion was administered by Rural Dean Ardill assisted by Rev. A. A. Bice. There was a good attendance of delegates and members present.

Rev. W. G. Beilly then conducted a sacred study of John xv. in the original. Considerable discussion followed.

The meeting then adjourned for dinner at the Rectory.

The afternoon session opened at 2:30 o'clock with Rural Dean Ardill in the chair.

Much discussion arose and much benefit was derived from treating with such subjects as the Church Census, Mission Collections, Immigrants, Y. P. A.'s, Jubilee Fund, W. A. M. A., S. S. Convention, etc.

Rev. A. A. Bice, Rector of Durham, was elected Sec'y of the Deanery.

The Rev. McJ. Baldwin, a missionary at present on furlough from Japan, then addressed the meeting at some length on the life and customs of the people of Japan. He also illustrated from a map the different missionary jurisdictions of the country and explained the work of the church in each.

Rev. J. Ardill, R. D., then followed with an address on the position of the clergyman with society. Much discussion followed and the afternoon session full of help and encouragement was brought to a close.

In the evening an illustrated Lecture on Japan was delivered by Rev. J. McQueen Baldwin, of Japan, in the Town Hall, to a very appreciative audience, and this brought one of the most successful meetings of the chapter to a close.

The next meeting will be held, D. V. in Owen Sound.

A. A. BICE, Secretary.
