DELIBERATE CASE OF GRAVE-ROBBING

Remarkable Experience of Well-known Forest Citizen Vouched for by Baptist Minister and Local Druggist.

(From Forest Free Press.)

Forest, May 2nd, 1907.—The following facts, vouched for by Rev. C. E. Burrell, Baptist minister, and E. Ralph E. Scott, the well-known local druggist, is incontrovertible evidence that even when physicians have abandoned hope, there is still a way whereby the grave may be cheated of its prey.

John A. Galbraith is a well-to-do farmer, living in Plympton Township, about five miles from Forest. He is 5 feet 9 inches in height, and about 46 years of age. He enjoyed good health until early in 1906, when he had a severe attack of pleurisy, which apparently broke pneumonia, which apparently broke up his whole system. In speaking of the case to the Forest Free Press, he said:—

"I did not seem able to gain my strength after the attack of pneumonia. One doctor said that tuberculosis had developed, that I could not recover, and advised me to settle my affairs as quickly as possible. This was the condition I was in when my pastor Rev. C. E. Burrell, of the Baptist Church, advised me to try Psychine, and procured for me a trial bottle. This was in May, 1906, and at that time I was reduced in weight to 120 pounds. The Psychine seemed to do good from the start, and I continued until I had used about \$15 worth from Scott's Drug Store, Forest. I gained in weight at the rate of half a pound a day until I went up to 150 pounds, and steadily regaining my strength and feeling better. I actually had to have my clothes enlarged, not through any corpulency, but owing to a putting on of good solid flesh all over. I have resumed my work and have gone through this severe and sickly winter with nothing worse than an attack of grip, which my system was able to throw off without any serious results.

"I give this statement for the purpose of showing how Psychine has probably saved my life, and in the hope that others may be likewise benefitted by its use.

"J. A. GALBRAITH."

"Mr. J. A. Galbraith is a prominent member of my church, trusted by his neighbors and very highly respected throughout the entire community. His case has attracted very considerable attention. His was a pitiable case, indeed; in the prime of life and with the brightest prospects to be suddenly stricken down in the midst of it all. Visiting him after his physicians had pronounced his case hopeless (and, indeed, set the date about which he would likely pass away,) and observing pretty closely his condition, it occurred to me that Psychine, which I had used in my family with wonderful results, might benefit him. I strongly recommended it to him, and he began its use. The result was truly wonderful. Almost immediately he began to improve and soon was able to be out again. He apparently regained his old health and was able to take up once again his old duties on his large farm and to perform them with comparative ease and comfort. The improvement was permanent, and he is to-day apparently just as well as ever. He gives all the credit for his recovery, under God, to Psychine.

"C. E. BURRELL, Baptist Pastor."

"I have read the statement made by Mr. J. A. Galbraith and Rev. C. E. Burrell regarding the results of the use of Psychine. I know both gentlemen personally and can heartily endorse all that they have said. Mr. Galbraith obtained his supply of Psychine at my drug store, saying from time to time that it had done him good. I took an interest in his case, and noted a steady improvement. Although I sold him about \$15.00 worth, Psychine is having a big run here, and so far as I know is always used with beneficial results.

"RALPH E. SCOTT, Forest, May 1st, 1907."

Rev. Father Doherty of Arthur, who celebrated his silver jubilee this week, was presented with a gold headed cane and banqueted by the Protestant citizens.

WHAT ARE THEY WORTH?

Try and Answer This Yourself.

In dollars and cents what is the value of the staying power that permits continuous labor—what are they worth to you?

Suppose you did something so foolish as to reduce your strength, vitality or judgment one half, and it were impossible to get them back,—how much would you pay to regain the lost portion?

When you let yourself run down, you reduce your chances for success in life—if sleeplessness comes you score lower still—should appetite or digestion fail, you are stared in the face by physical bankruptcy.

Don't let it go so far, take Ferrozone, it has cured thousands and it will cure you; it builds up the bodily strength, makes muscles like steel, replaces spring tiredness by energy and new life. Ferrozone rebuilds sick folks because it contains the strengthening elements that every run-down system requires.

Especially before the hot weather comes, everyone needs a purifying tonic—Ferrozone fills the bill exactly—nothing known that juvenates and uplifts so fast.

At once the appetite improves. You rest well and rise next morning feeling fit and fine.

Headaches disappear, weakness give way to the vigor that only Ferrozone can supply. Try it, results are guaranteed, 50c. per box or six for \$2.50 at all dealers.

THE JEWS APPEALED.

A few weeks ago, Constable Armstrong had a couple of Jews up before Robert Chambers, J. P., on the charge of peddling without a license. Both were fined. The Jews then appealed and the matter came up before Judge Barrett on Friday. The Jews contended that they were not peddling, but merely exchanging tinware for old iron and that while they had sold Armstrong a pie plate, Armstrong had practically forced them to take the money. The Judge reserved his decision. The Jews were represented by Mr. Robertson, Mr. Malcolmson appeared for the defendant.—Walkerton Telescope.
