Get The Best Piano

LOUIS XIII STYLE

The Haines Bros., Piano

Is famous wherever music is cultivated as an art—the most celebrated artists of modern times adorn with their names the hon. roll of those who have written of and spoken of the beauty of the Haines Bros. Piano. Patti, Kellog, Campanini, Strakosch, Abbott, Galassi, Brignoli—are a few only of those whose autograph letters are among the cherished possessions of the present Haines Bros. family.

For over 40 years the Nordheimer Co., sold the Haines Bros. Pianos to the best clientele in Canada. Lately, however, the customs duty has been so high as to render their importation almost prohibitive. To meet this condition the Haines Bros. Co., have now a factory of their own in Canada where the Pianos are made from original scales, patterns, etc., and offered to people at strictly New York prices.

The Haines Bros. Pianos are now for sale by the leading dealers throughout the Dominion, and are the very finest instruments on the Canadian market.

REGAIN NOW THE STRENGTH YOU LACK!

Winter Leaves Us Miserable, Ailing, Weak
BUILD UP NOW.

During the winter the system gets sluggish. The blood, polluted with impurities deadens the nervous system and dulls the action of both liver and kidneys; the foulness of the system increases and when spring comes we are limp and useless.

Spring "system cleaning" is a duty; the body sewers must be flushed out and waste matter removed—otherwise weakness will surely follow.

Begin by enriching the blood. Make it pure and nutritious by blood former known to medical science.

Ferrozone makes the liver fairly sing with new life, makes the kidneys dance with renewed vitality, and thus the winter's accumulation of pollution is expelled.

Of course digestion must be improved, and probably the stomach will require aid as well. Ferrozone serves the purpose admirably. Those who use it, enjoy appetite and digestive powers far beyond the ordinary.

That tired feeling is replaced by the buoyant joyous sensation of health and vigor. Day by day as your strength increases, you feel new energy surging through your veins, and know that a tonic of great merit is at work.

No remedy more nourishing or uplifting, no treatment so sure to bring lasting health, good spirits and contentment. Ferrozone contains just what run-down folks need; it cures because it supplies more nutriment than you can get in any other way. Free from alcohol and prepared only in chocolate-coated tablets, 50c. per box or six for \$2.50 at all dealers. Be sure you try "Ferrozone"

THAT DRY COUGH IS BRONCHITIS.

If neglected it will weaken the throat and finally reach the lungs. Nothing simpler than inhaling the healing vapor of Catarrhazone. Its action is like magic, so helpful, so easily apply. Be done with Bronchial trouble for all time! Catarrhazone does cure the worst cases will cure you too. Sold everywhere, 25c. and \$1.00 under absolute guarantee of satisfaction.

Queer Chinese Belief.

It is a common belief among Chinese men that if one commits any crime against certain animals—cats, for example—the soul of that animal will take possession of the wrongdoer until the offense has been purged. A servant girl, according to the oriental tale, unkindful of tradition, put to death a cat and its three kittens. She was taken violently ill. Her mistress, suspecting the cause from the fact that the maid was scratching and mewling, apostrophized the body of the dead cat, demanding to know why it thus tormented the girl. The spirit of the cat, speaking by way of the girl's mouth, denounced the quadruple murder. The whole story was told by the girl in the character of the cat. Then she expired in violent convulsions.

Elephants Can Carry a Grudge.

A Hindoo mahout was employed with a working elephant in Bangkok, Siam, and frequently used a steel goad in defiance of all warnings. The result was that his elephant made frequent attempts to kill him, and finally the man was discharged. Nearly four years afterward, by a most remarkable coincidence, both elephant and mahout met again in Maulmain, Burma, and no sooner was the big tusker out of sight of the sawmill and well into the forest than he curled his trunk up backward, seized his old persecutor by the neck, hurled him to the ground, and in an instant a mighty forefoot had crushed out his life.

Bewitched.

Morrison, an English traveler of the seventeenth century, while at Dantzic, Prussia, says he "saw a mill which, without the help of human hands, did saw boards. It had a great iron wheel, which did not only drive the saw, but which did also hook in and turn the logs on to the saw." Dr. John Dee must have seen a similar mill at Prague. Of it he says, "I saw me a mill at Prague of which I verily believe the devil himself was master."

The Result.

Magistrate—What! Do you mean to say your husband struck you and he that physical wreck? Mrs. Maloney—Yes, yer honor, but he's only been a physical wreck since he struck me.

Specimens.

Mrs. Newedge—Certainly, you may take some of those biscuits to your friend. Is he hungry too? Weary—No, mum; he's a geologist!

Mathematics.

Mother—Jean, give half of your apple to your little sister. Remember that a pleasure shared is doubled. Jean—Yes, mother, but an apple shared is halved. —Nos. 101878.

LOOK OUT FOR THIS MAN.

If he offers something "better" than Putnam's Corn Extractor, it's the additional profit or inferior goods that tempt him. Putnam's is the one sure and painless cure. Use no other.

A DEAD HORSE.

A horse died in Kansas a few days ago and a paper there explains that the animal was so poor that its ribs rubbed together and the friction caused the hay to ignite, suffocating the unfortunate beast.—Asperment (Tex.) Star.

The Star states the case exactly as it happened except that it was excellent instead of hay. The horse broke into a harness factory and "kicked the stuff" out of it.—Dallas News.

LITTLE POCKET PHYSICIAN.

Hyomei is Guaranteed To Cure Catarrh.

Thousands who have been cured by Hyomei call the inhaler that comes with every outfit the "Little Pocket Physician," as it is so small that it can easily be carried in the pocket or purse.

There is really no excuse whatever for anyone having catarrh now that Hyomei is so successfully obtainable.

Do not delay any longer the use of Hyomei if you suffer with catarrh. This is a purely local disease, and Hyomei goes right to the spot where the catarrh germs are present, destroys them, soothes and heals all inflammation and makes a permanent cure.

The complete Hyomei outfit consists of the "Little Pocket Physician" and a bottle of Hyomei and costs only \$1.00, making it the most economical as well as the only guaranteed treatment for the cure of catarrh. Remember that Hyomei cures catarrh without stomach dosing, applying the medication and healing where the disease germs are present.

We do not want anyone's money unless Hyomei gives relief and cure and we absolutely agree that money will be refunded unless the remedy gives satisfaction.

All druggists should be able to supply you with Hyomei or we will send it by mail on receipt of price, \$1.00, and every package is sold with the distinct understanding that it costs nothing unless it cures. Booth's Hyomei Company Buffalo, N. Y.
