Flesherton

At the sports at Markdale on Victoria Day the football clubs at Markdale and Kimberley were contestants for the silver cup offered, and match resulted in a tie. The game was played off on the agricultural grounds here last week, when, in a keen contest, the prize was won by the Kimberley club on a score of 1 to 0. Flesherton Citizens' Band was in attendance, and there was a good crowd of interested spectators.

A quiet wedding took place at the residence of Mr. and Mrs. Johnson Cullen, east of the village, on Wednesday afternoon of last week, when their eldest daughter, Sarah, was joined in marriage with Mr. W. J. Beaton, of Berkeley. The young couple were unattended and only immediate relatives witnessed the ceremony which was performed by the family pastor, Rev. Dr. Caldwell. After the ceremony a choice wedding supper was served. The bride received valuable wedding presents. We join in congratulations and wish the young couple many years of happy wedded life.

Dr. and Mrs. R. H. Henderson celebrated their wooden wedding at their home 251 Carlton Street, Toronto, on Tuesday evening of last week. About twenty guests were present and made the event enjoyable. The hostess was the recipient of numerous gifts appropriate to the occasion. We extend congratulations to Dr. and Mrs. Henderson.

Mr. and Mrs. John Gordon, of Brooklyn, N. Y., formerly of this place, have announced the marriage of their youngest daughter, Ethel Edith, to Mr. Arthur B. J. Sauerbrunn on Tuesday, the 11th inst. The young bride's friends here wish her an overflowing cup of happiness.

The news received here last week of the death at Collingwood on the 9th inst., of Mr. Richard Campbell was a source of sorrow to his old friends who sincerely sympathize with his family in their bereavement. The deceased, who was 68 years of age, was born near Port Hope, but when quite young came with his parents to Armesia and grew up to manhood near this village, where he conducted a small general store. In 1872 he went to Collingwood and bought a book store business. Ten years later he was elected Town Clerk, but resigned the office in 1886 to become Division Court Clerk, which office he held at the time of his death. In military circles he was prominent. In 1885 he Captained No. 2 Company of the 35th Regiment, which was detailed as part of the force to quell the Louis Riel Rebellion. In 1886 he retired with permission to retain the rank of Major. Mr. Campbell was twice married and is survived by his widow and ten children, five of whom were born to his first wife. One brother, Major A. G. Campbell, and two sisters also survive.

Mr. Andrew Bentham and family received a severe shock last week when unexpected news was brought by Mr. Fred Sheppard that Mrs. Bentham, who was visiting her daughter at Toronto Junction, had been advised by a specialist that in order to save her life an operation must be at once performed. Mr. Bentham and son Ed went immediately to the city, and on Friday in the hospital the operation was successfully performed, a tumor weighing eighteen pounds being removed. Mrs. Bentham, who was four hours under the operation, is reported well as could be expected. Her numerous friends earnestly wish her speedy recovery.

Mrs. Irwin, Sr., who lives with her son Samuel, east of the village, met with a bad accident last week. The old lady, who was quite smart for her advanced years, tripped and falling sustained a fracture of the thigh bone at the hip joint. Her numerous old friends sincerely sympathize with her in her suffering.

The trouble in the engine of the Shirley M., which was mostly in the batteries, was discovered last week, and on Friday the boat was launched on the Munshaw lake where it works to perfection. Dr. Murray and associates now long for a larger lake upon which they could give their friends pleasure.

By the St. Thomas Journal we learn that the "Art Exhibition" at Alma College last week was a great success. Miss Maud Richardson, teacher in arts, received many congratulations on the splendid work shown by her pupils. The first drawing room was a blaze of light and decorated with fragrant roses. Groups of staturary about the room made it most attractive. Miss Richardson, who assisted the lady principal in welcoming the guests, wore a pretty gown of pale pink mousseline de soie trimmed with lace insertion. Mr. M. K. Richardson was at St. Thomas on Monday attending the closing exercises of Alma College that evening.

Mr. Fred Tucker has purchased Mr. M. K. Richardson's residence near the Presbyterian church recently occupied by Mr. Wardrobe. Mr. and Mrs. Tucker will settle in their new home at once. We congratulate our band leader upon becoming a property holder and this token of prosperity. In the absence of Dr. Caldwell at

Conference the services in the Methodist church on Sunday were taken, by members of the W. M. Auxiliary. In the morning Mrs. Thurston spoke on the financial and numerical part of the work and Mrs. Bunt gave a paper on the work among the Gallicians. Little Lillian and Florence Bunt sang a duett and little Misses Gladys Cornfield, Irene Wilson, Lillian and Laura Armstrong assisted the choir. In the evening Systematic Giving was taken up by Mrs. Clinton and Mrs. Armstrong gave a paper on work among the Indians. Mrs. Nicholson conducted the devotional exercises at both services. Mr. L. Wilkes, student, preached in the Baptist church. Rev. G. C. Little, B. A., of Bothwell, preached a good sermon in the Presbyterian church and will preach again next Sabbath.

Flesherton Citizens' Band is engaged to play for Cumberland True Blues, Toronto, on July 12th.

There is very keen competition on the wool market here this year. Prices soared away up last week and a very large quantity was marketed on Saturday.

Mr. Lorenzo Norris, son of Mrs. W. J. Whyte, of this place, who has been recently in a good position in Cleveland, underwent an operation in one of the hospitals in that city last week. A gathering in the side was, we learn, successfully removed.

Waudby was pretty well represented at R. T. Edward's barn raising last week. It is a big barn and an A 1 frame. R. T. thinks he will have lots of room now for No. 4. W. Jack and G. E. Arrowsmith were captains. Mr. Arrowsmith with his gang just came out second best but it was a close call.
