#### ALBERT KELLY.

A telephone message on Sunday last announced the death of Mr. Albert Kelly, who had been at the hospital in Toronto for the past five or six weeks I believe they are as far ahead as they under treatment for heart and kidney trouble. His recovery was scarcely expected by his brother, Mr. John Kelly, who visited him frequently during his illness. He was forty-eight years of age, and for a long time has held a responsible position in connection with the Bank of Commerce in Toronto. He leaves a widow, but no family, and sad to say his sorrowing widow is also ill and unable to be present at the burial here. The deceased gentleman has not been well for some time but did not give up till a few weeks ago. He was in town a couple of months ago to see his aged mother, whom he frequently visited at her home here. On Monday morning Mr-John Kelly went to Toronto and made arrangements for the removal of the body and interment in the family plot at Trinity Church Cemetery here. A message was sent to his brother, Dr. Thomas Kelly, of South Omaha, and the funeral takes place this Wednesday afternoon after his arrival.

ARCHIBALD MCKECHNIE.

We regret to chronicle the death of Mr. Archibald McKechnie, of Rocky Saugeen. Deceased was born at Richmond Hill, in the County of York, in 1843, and when only four or five years of age removed with his parents to the township of Glenelg. Here he grew to manhood, and in the early seventies he married Caroline Dunsmoor, sister of Messrs. Jno. and Nathan Dunsmoor, of this vicinity. The union resulted in a family of five sons and one daughter, as follows:-Hugh, near Pincher Creek, Alta.; Philip, of Mason City, Iowa; Archie, at Pense, Sask., near was a resident of Upper Town for the Regina; Malcolm and Carrie (twins) and Alfred at home.

Fielding, Sask., June 15th, '07. MR. WM. IRWIN, DUR AM, ONT.,

DEAR SIR, -In reply to your request for information about the crops in the West I have pleasure in reporting on the crops in this vicinity. We certainly did have a late spring and up to about May 24th there was but little growth. Since then, however, the weather has been all that could be desired and crops never looked better. were at this time last year.

Yours truly.

## My Hair Ran Away

Don't have a falling out with your hair. It might leave you! Then what? That would mean thin, scraggly, uneven, rough hair. Keep your hair at home! Fasten it tightly to your scalp! You can easily do it with Ayer's Hair Vigor. It is something more than a simple hair dressing. It is a hair medicine, a hair tonic, a hair food.

#### Oxford Hot Air Furnaces

Powerful and Economicle

Are made by The Gurney Foundry Co., of Toronto, who have had 60 years experience in making Hot Air, Hot Water and Steam Boilers and Radiators, for heating all kinds of buildings.

You will notice by the illustration their hot air furnace is built to be a powerful heat producer, as well as a Durable Furnace. You will also note, that there are not bolts, rivets, or rods in the construction of the Radiator to rust, and be eaten into the hot air chamber by the gases from the fire thus insuring a never failing gas and dust-tight radiator.
