

THE DURHAM CHRONICLE

VOL. 40—NO. 2103.

DURHAM, ONT., THURSDAY, JULY 4, 1907.

\$1.00 PER YEAR

To-morrow, Friday July 5th, has been proclaimed Durham Civic Holiday

NEWS AROUND TOWN

THE Orangemen intend celebrating at Arthur this year.

MURDOCK is the only organized Singer Sewing Machine Agent & Collector, in Durham.

NIAGARA Falls Excursion to-morrow, July 5. Train leaves at 6.45 a. m. Fare \$2.40. Children \$1.20.

WHEN you buy a buggy, buy the best, "The McLaughlin," at Murdoch's. Sold a car load, and another shipment will arrive in a few days.

LOST on Show Grounds a pair of gold rimmed spectacles with curved holders. Finder will oblige by leaving at Macfarlane's store or this office.

THE Young People's Presbyterian of the Saugeen Presbytery had a meeting Wednesday in Mt. Forest and a large load attended from the Guild here. The Presbytery met the same day.

AN awful death is reported from Toronto where Mrs. Weir, of Seaforth, a lady of sixty years of age, was run over by a street car and instantly killed. The car had to be jacked up to remove the tangled remains.

BERT WILLIS was around bright and early on the morning of Dominion Day. It takes something to get Bert out before the usual time, but on the advent of a new baby to the home a fellow has to get a hustle on.

AT the close of the Sunday morning service in the Methodist Church the members of the choir presented Miss Viola Colling with a beautiful pearl crescent brooch as a token of their appreciation of her services and good fellowship among them.

THOSE who never saw Niagara Falls should strain a point to get there once. The excursion Friday July 5th costs only \$2.40 for the round trip. Tickets from Durham, Varney and Holstein are good up to Monday, and from all other points they are valid to return on Saturday. Train leaves here at 6.45 a.m.

THE annual Presbyterian Garden Party will be held under the auspices of the Young People's Society on Thursday evening, July 11th. The Band will be in attendance and a good program is in preparation. Ice cream, strawberries and other refreshments will be served. Admission 10 cents. Everybody welcome.

THE members of the infant class of the Methodist Sunday School gathered at the Parsonage on Tuesday afternoon and presented Mrs. Colling, their departing teacher, with a choice biscuit jar. Mrs. Colling feelingly spoke of her appreciation of the gift and also of the interest and love which she would always have for the members of the class.

IN the Lacrosse Game at Hanover on Friday last the Hanover team defeated ours by a score of 8 to 4. This with their former defeat at Chesley makes things look rather dull for Durham's chance of a district championship. The only game they have won so far is the game they didn't play with Hanover. Chesley comes over here to play on Friday, and it's up to the home team to redeem themselves on their own grounds.

GIANT Triplets "Currency" "Bobs" and "Stag" Chewing Tobaccos, in big plugs. Quality always the same.

REV. MR. COLLING preached his farewell sermon here on Sunday evening last to a well filled church. Mr. Colling is a man of good sterling qualities, the same first last and always. He has no oratorical gush about him, but gives his audience some good sound sense. Everybody regards him as a good true devoted christian, who goes where he is sent and never murmurs at the station assigned to him. He has been many years in the ministry, has held some very good positions, in towns and cities, and has been instrumental in the building of a number of good churches. Since his ordination he has been at Dundas, Oakville, Cote St. Paul, St. Catharines, St. Thomas, London, Beamsville, Welland, Sincoc, Plattsville, St. George, Paisley, Warton, Niagara Falls, Durham. He leaves this week for his new charge in Port Elgin.

REV. NEWTON, of the Baptist church, and Rev. Colling, of the Methodist church, traded jobs on Sunday morning last and each preached from the other's pulpit.

MR. JOHN G. VOLLETT, has not been well for some time, and his condition at time of going to press is very critical and his recovery is not expected. He is a son of Thomas Vollett, whose burial was reported in last week's issue.

HOUSEHOLD FURNITURE including a new parlor suite, a dining room suite, new parlor rocker and kitchen range for wood or coal. These articles are as good as new and must be sold as the proprietor is leaving town. Apply to H. Johns.

OUR COUNTRY.—A patriotic address will be delivered in the Methodist Church next Monday evening by Inspector Campbell who has kindly consented to address a union meeting of Senior and Junior Epworth Leagues. Admission, nothing.

MR. GEO. A. STAPLES, of Cranbrook, B. C., is spending a few weeks with his parents, Mr. and Mrs. James Staples and other relatives and friends in the town and vicinity. It will be interesting to many to learn that Mr. Staples was married on the 19th of June and is now on his honeymoon. We wish him all the enjoyments of a long and happy married life, and trust he may continue a trusted member of the Canadian Pacific Railway Co., in whose services he has been a valued employee for a number of years. We were pleased to have a brief call from him on Tuesday last.

FOR quality and quantity ask your dealer for the new big plugs of "Bobs" "Stag" and "Currency" Chewing Tobaccos.

COMPLAINT was made by the Board of Works against Mr. Geo. Spurling who had a number of poles on the side of Sadder Street, near the station. He pleaded guilty to the charge and Magistrate Telford imposed a fine for the obstruction. This will be a warning to the rest of us to keep our wood piles in the back yards and not run any chances of being brought before the bench, as the Board has expressed a determination to have everything in the shape of an obstruction removed from the public highways in town. We have no hard feeling against Mr. Spurling, but feel that the imposition of the fine in his case will have a better effect than it would if the Board had made their first attack on some of us "small fry." It is probable too that Mr. Spurling will assist the Board in polishing up all the streets, and in time (but we'll not guess how long) we'll have a town that will shine as well as the best of them. There are a lot of things that could be done to improve the appearance of the town, and if we had the burdocks cut from our back yard we would be in a good position to institute a crusade against the pestiferous weed crops. We are not ready yet to make the attack, but we may be in the course of a year or two.

ADDRESS TO REV. COLLING.

To REV. MR. COLLING.

REV. AND DEAR SIR.—The members of S. G. Temperance Association desire in view of your early removal to another sphere of labor to express to you our regret at losing you influence and counsel in the good work in which the Association is engaged. Your interest and faithfulness have been stimulating to us all and we feel sure that your sympathies will be with us while your activities will benefit another community. Wishing you and your family many years of happy usefulness in the Master's work.

We remain yours, etc.
