THE Ontario Government has been very prompt in cutting off the sale of liquor at Cobalt during the strike. This is creditable and may prevent much damage to life and property under the present conditions. The Government action followed instantly on the request from the Mayor of Cobalt.

THE Presbyterians of Priceville held a semi-centenary jubilee on Sunday and Monday last. The services on Sunday were conducted by Rev. Alex. McGillivray, of Toronto, and on Monday evening the exercises were continued, when supper was provided, followed by addresses from several former pastors and others. Choice music was furnished by the choir under the leadership of Mr. Wm. Ramage and Miss Reilly, who presided at the organ. Well filled houses attended all meetings.

THE new Methodist minister, Mr. Jamieson, made his first bow to the congregation here on Sunday morning last, and preached a special sermon to the Orangemen of Durham and surrounding Lodges. The church was well filled and the discourse was much appreciated by the Orangemen and congregation generally. He preached at Zion in the afternoon and here again in the evening. We extend a cordial welcome to Mr. and Mrs. Jamieson and family, and trust their stay here may be mutually profitable to pastor and people.

THE Third Annual Epworth League excursion to Niagara Falls took place here on Friday last. The morning seemed to indicate showery weather, but there was a good crowd gathered round in time for the train to pull out at a quarter to seven, the time the train was billed to leave. Many expressions of indignation went the rounds when it was learned that the excursion train had not reached Durham at the time they should have been leaving and they were nearly forty minutes behind on the start. Again it was intimated that the train would leave the Falls at 5 o'clock in the afternoon, two hours earlier than the time specified on the bills which had been approved by J. D. McDonald, the District Passenger Agent. These uncertainties caused by official bungling made it unpleasant for many who did not know exactly what they were going to get. On arrival at the Falls, however, it was soon decided that the train would not leave on the return trip until the time advertised. The excursion extended from Durham to Elora including all stations, and two hundred and sixty-seven tickets were sold in all, which secures the guarantee and leaves a small balance in the treasury. The weather turned out fine and all seemed to enjoy themselves. As stated last year, the League intends to make this an annual event, and about the same time next year another chance will be given to those who didn't go this time.

THE days are getting shorter.

THE hay crop is reported fair in places.

DIVISION COURT is in session as we go to press, to-day, Wednesday.

PROGRESS on the new railway is not very swift in town. The right to cross Garafraxa Street has not yet been settled, though an engineer of the Railway Commission was here recently and looked in the direction of the disputed territory. It seems as though another year will elapse before the cars come in.

It is only two weeks ago since we reported briefly the death of Thomas Vollett, a pioneer of this locality, who died at the ripe old age of 83 years. His son John, at whose home the old gentleman died, was then ill and has been gradually weakening ever since till death came about ten o'clock on Monday morning last. He was a man about forty-five years of age, and leaves a widow and five children. Interment took place to-day, Wednesday, to St. John's R. C. Cemetery, Glenelg.

For quality and quantity ask your dealer for the new big plugs of "Bobs" "Stag" and "Currency" Chewing Tobaccos.

AN interesting and profitable address was delivered Monday night in the Methodist Church by Inspector Campbell. It was in connection with the regular meeting of the Epworth League, and Dominion Day having recently passed it was thought an opportune time for something of a patriotic nature, and Mr. Campbell was asked to take up the subject. After expressing his pleasure at being present and extending a cordial welcome to the new pastor in behalf of the Presbyterian Church, to which Mr. Campbell belongs, he took up the subject of patriotism, which he dealt with chiefly from the personal aspect first, outlining three phases, the historical, national and personal sides of the subject. It appeared to him that Geographical conditions had much to do with the patriotic feelings of a people. The Jews were an intensely patriotic people, so were the Swiss, and the inhabitants of the Highland of Scotland, all of which countries were rugged in their contour and seemed to possess but few redeeming characteristics that would engender an intense patriotic love. He referred to the necessity of starting with the child while young to imbue it with a loyalty to its native land. We should know the history, the politics and the flag of our country; know something of its size, resources and natural advantages, and learn to cherish only the best of everything afforded by our institutions. To even outline the address is beyond the scope of a newspaper article, but we might crystallize the general idea into the necessity of a people being happy and contented in order to be truly patriotic. Mr. Midford sang a solo and Misses Grace and Effie Barclay gave a very pleasing duet. A chorus was sung by members of the Junior League. Mr. W. A. Glass, the president, acted as chairman, and Rev. Jamieson made a brief address.

LACROSSE

Durham 13, Chesley 2. This in a few words is the story of the lacrosse game played here last Friday. Durham led from the start and the result was at no time in doubt; the Chesley played a better game than the score indicates. The Durhams were strengthened by the addition of Chas. Lavelle and Allie McIntyre. This was Charlie's first game this season, and he signaled his return by playing a magnificent game. McIntyre, who has not played here for several years before, has lost none of his old time speed or stick handling powers.

The Durhams started right in and scored five goals right off the reel, and the first quarter ended Durham 5, Chesley 0.

In the next quarter the play was more even, Durham scoring 2 and Chesley 1. Half time, Durham 7, Chesley 1.

The third quarter ended 10-1 in favor of Durham, and in the final quarter Durham added 3 more goals, leaving the field Durham 13, Chesley 2.

Valuable Furs Found at Flesherton.

Workmen loading cars at Flesherton Station made a valuable find of stolen furs on Monday of last week. Under the storehouse platform two bundles were discovered, which, upon being taken out and examined, were found to contain four men's fur coats, a rain coat and five ladies' fur coats and jackets, mostly Persian Lamb. Some of the garments were slightly worn, but the lot was a valuable one, \$500 being considered a low estimate. In the pocket of one coat two envelopes were found addressed to W. J. Thompson, Winnipeg, and these may assist in the search now being made to discover the owner of the goods and the culprit. The stolen goods were placed in charge of Mr. A. S. VanDusen, J. P., and the Attorney General's department advised, from which instructions came on Friday to ship the articles to Toronto. Provincial Detective Grier has the case in hands.—Flesherton Cor.

The following additional account is taken from The Toronto World of Tuesday last:—

A lady's green opera cloak, trimmed with mink, marked Miss F. Garland.

A lady's Persian lamb packet, mink collar.

A lady's Persian lamb coat.

A gentleman's fur-lined coat, beaver collar, Russian rat lining.
