Flesherton

At a joint meeting of the Flesherton, Eugenia and Proton Station Presbyterian congregations held here on Wednesday of last week, the interim Moderator, Rev. J. A. Macdonald, of Priceville, presiding, an unanimous call was moderated in favor of Rev. G. C. Little, B. A., of Bothwell. The call will be presented to Orangeville Presbytery this Tuesday by whom it will be transmitted to Chatham Presbytery for Mr. Little's acceptance. The stipend offered is \$800 with free manse and four weeks holidays.

We were in error last week stating that English church services would be commenced here on Sabbath last. Our informant so understood it. A fortnightly service is being agitated, but the matter is yet undecided.

Rev. Mr. McLean, of Tara preached in the Presbyterian church on Sunday and Rev. H. F. Thomas, of Toronto, is expected to supply the pulpit the next two Sabbaths.

Rev. Dr. Caldwell preached the annual sermon to the Orangemen at Ceylon on Sunday afternoon and in the evening his sermon here was specially to young men based on Ps. 119:9. Rev. L. F. Kipp's theme in the Baptist church was "The Ruin of a Splendid Man."

Born—On June 29th to Mr. and Mrs. W. N. Field of this place, a daughter; On July 5th, to Mr. and Mrs. Wesley Lyons, con. 3, S. D. R., Artemesia, a daughter.

Mr. Austin Shackleford, of this place, has had the exterior woodwork on his brick residence neatly repainted. Mr. A. S. VanDusen and Mr. W. L. Wright have had their properties improved with new cement floors and steps beneath their verandahs. The latter has also had a cement platform at the front of his store.

The Presbyterian congregation are having a bee this week reshingling the manse and the Board has decided to improve the church sheds by moving them to face each other and then roof so as to have a large enclosed shed. The trustees of the Methodist church have decided to put in a new furnace in the church, repair the exterior of the south wall of the church and reshingle the south side of the shed.

The Trustees of S. S. No. 3 east of the village are having fine cement walks laid at the entrance to their splendid new school.

The Misses Fulton of Woodstock, are visiting their aunt Mrs. Carter. Mr. J. Dunlop of Woodstock, visited over Sunday and Mr. Watson, of Toronto, is the guest of Dr. and Mrs. Carter.

Mr. and Mrs. George Wickes, of Toronto, are visiting the former's parents west of the village.

Mrs. Chas. Stewart is on a couple of weeks' visit with her brother at Cambridge.

Miss Florence Thurston is visiting her friend Miss Darran at Mitchell. Mr. Emerson Bellamy is in Toronto this week.

Mrs. Thom and Mrs. Christie are coming this week from Waldemar to visit their old friends here.

A few days ago we heard a leading citizen suggest that there be a formal opening of the fine new bridge being built over the Boyne river here. We think the suggestion very timely and trust that action may be taken in the matter.

The Presbyterian and Baptist Sunday schools hold their annual picnics to day (Tuesday), the former on the Agricultural grounds here and the latter in Mr. Allen's bush 3 1/2 miles east of the village.

Among those who took in the excursion to Niagara on Friday last were Mr. and Mrs. Herb Smith and Mrs. W. E. White, the two latter visiting friends at Buffalo over Sunday; Mr. Dick and Miss Allie Wilcox also visited friends at Buffalo. Miss May Hales and Miss Jennie Wilson visited over Sunday with friends at Toronto. Mr. Geo. Mitchell also spent a couple of days in the city.

Mr. and Mrs. Will Bentham have been spending a few days in Toronto visiting the former's mother who is recovering from her operation.

Mr. Reg. Ward paid a short visit here last week on his homeward journey to British Columbia.

Misses Lillian and Laura Armstrong left on Friday to visit friends at Port Dover. Mrs. Armstrong accompanied her daughters to Owen Sound.

Mrs. N. Dunsmore and children, of Owen Sound are visiting the former's parents Mr. and Mrs. C. W. Bellamy.

Mrs. E. VanZant who visited the past two weeks with her sister in Osprey spent Sunday with her brother Dr. J. P. Ottewill, on her return home to Toronto.

Master Kendall and Dick Lucas, of Markdale holidayed last week with their grandparents here. Dick surprised his parents by his arrival home on Sunday, walking from Flesherton without apprising anyone of his intended tramp. The six mile walk didn't faze on young Dick who may yet be heard from in some Marathon contest.

Take the Postmaster's Word for It.

Mr. F. M. Hamilton, postmaster at Cherryvale, Ind., keeps also a stock of general merchandise and patent medicines. Resays, "Chamberlain's Colic, Cholera and Diarrhoea Remedy is standard here in its line. It never fails to give satisfaction and we could hardly afford to be without it." For sale at Parker's Drug Store.

Help! Help! I'm Falling

Thus cried the hair. And a kind neighbor came to the rescue with a bottle of Ayer's Hair Vigor. The hair was saved! This was because Ayer's Hair Vigor is a regular hair medicine. Falling hair is caused by a germ, and this medicine completely destroys these germs. Then the healthy scalp gives rich, healthy hair.

There's a Reason.

Why the business of A. S. Hunter is increasing so rapidly, in fact there are many reasons, but among them stands out prominently the fact that we can give you hardware at remarkably low prices that may sound like an old phrase but it's a true one. We are giving our customers the benefit of our foresight buying before the big advance, and now we can retail many lines less than they can be bought at wholesale price. Selling right can only follow buying right.

Henry's Corners.

Once more we try to collect a few of the happenings around the Corners to let the Hilldale Scribe know we are living yet and that we are not so ring poor as they thought we were. If we had been we would have tried the prescription we were advised to take some time ago, but as our blood was good and clean we did not think we were in need of a tonic. We would advise that poor creature to take a little of that blood purifier and it may help his body to swell a little in proportion to his head and save him the trouble of standing in the front of a mirror so much and wondering if "those dry bones will ever live again."

A little learning is a dangerous thing. Drink deep or touch not the purifying spring; A little doth only intoxicate the brain.

But drinking deeper sobers us again. We are sorry to report that Mr. Robert Henry is in poor health at time of writing but hope soon to see him around again.

Mr. and Mrs. James M. Allan visited the latter's sister, Mrs. Ragen at Caledon East, on the first.

Mr. Samuel Patterson accompanied by his sister Bell, visited their aunt, Mrs. Hastie, of Traverston, a week ago.

Messrs. Mat Hooper, R. J. Matthews, A. Henry and E. Matthews took in the excursion to the Falls and enjoyed a very good time.

Mr. Doward Henry, of Toronto, came up to visit his parents, Mr. and Mrs. A. Henry on the 1st and showed the spectators on Dominion Day how to start and finish a four mile race. Success, Doward.

Mr. and Mrs. Thos. Daily while driving to Dromore last week were passing some tile on the side of the road which the horses took fright at and started to run away throwing Mrs. Daily to the ground while Mr. Daily was thrown onto the tongue, but he managed to hold on to the lines and get them under control before any damage was done except a severe shaking up.

Mr. and Mrs. Samuel Patterson visited friends in Osprey last week and called on friends in Proton also.

Our teacher, Miss Irwin, is spending her holidays at her home in Paisley. She has been engaged for another year at a salary of \$500.
