A STOREHOUSE FOR POISONS.

You may not think so, but that's what you'll become when the kidneys are affected. These organs cleanse the body; they are the filters that remove from the body the waste matter that acts like deadly poison on the vitality and health of the system. Dr. Hamilton's Pills stimulate the kidneys, expel fermenting matter from the bowels, restore the liver and stimulate all excretory and secretory organs. This enables the blood to quickly replenish itself and establishes perfect health. No medicine does such lasting good as Dr. Hamilton's Mandrake and Butternut Pills, 25c at all dealers.

STRAY SHOTS FROM SOLOMON.

(From The Shoe and Leather Journal.) MIND YOUR OWN BUSINESS.

Your clerk will not do it for you. Don't make any mistake. The man who goes chasing around the country talking politics, temperance or riding other hobbies, and leaves his business in the hands of his help or his family, is sowing the seeds of business decay. The man who devotes most of his time to church affairs to the neglect of his business will just as surely come to grief as he who is found at the circus or gaming table when he should be at his store or office. To be "diligent in business" is just as imperative as being "fervent in spirit." Men talk about the misfortunes of business and attribute to "mysterious Providence" results that knew no other cause than common laziness or willful neglect. Huh! The best clerk in the world will not fill the place of the proprietor of an establishment. We heard the other day of a merchant in a Western city who missed one of the best business opportunities of the season by being so interesting in a sporting event that he could not be seen at his office at the proper time. There is as much money to day as ever for those who know how to "mind their business." If ever business required unceasing painstaking attention, it is right at this moment. "Be thou diligent to know the state of the flocks, and look well to thy herds: for riches are not forever.

IT APPLIES RIGHT HERE.

It is a mistake to think the best results are got from employees by constant kicking. Some men seem to run their establishments on the principal that the sharper they are with those about them the more they will get out of them. When anything occurs worthy of praise, they put it against previous faults and consider accounts squared and the necessity for the praise thus obviated. Some merchants are so afraid of spoiling clerks with praise, as fathers their sons, and seldom, therefore, recognize merit. It is a woeful mistake, and no one who knows anything about human nature and who is looking for good results from his help will make it. There is nothing like oil for killing friction and preventing the loss of power; there is nothing like a pleasant word or an encouraging remark to bring out the best there is in a man or woman, boy or girl. Of course, there are people in this world on whom kindness is lost, but they are so scarce that they need to be considered in a class by themselves. "As face answereth to face in water, so the heart of man to man."

LUMP IT.

There are people who do not like plain talk. Every once in a while we hear of some one whose feelings have been hurt or his propriety shocked by the strong language with which we describe the characteristics of those who violate business morals or ethics. When you find a man whose feelings are always being hurt, you find a fool or a rascal. The more "feelings" a man owns, the less sense he has. Some of the meanest scoundrels that ever breathed the air either inside or outside the penitentiary have had more feelings than they knew what to do with. When you hear a preacher get right down to close quarters on whiskey and adultery just watch the old soaks and blackguards in the audience get on their dignity and evidence their disapproval of the preacher's "immodesty" by walking out. "That's just going a little too far," said one indignant reader of this paper the other day to a neighbor as he read a paragraph on "business thugs." That same individual is known to every wholesale house in the trade as one of the meanest, trickiest men that can be found from Halifax to Victoria. No wonder such cattle do not relish the naked truth about their little peculiarities. We load our gun on purpose for this species, and when we hear the howl we congratulate ourselves that their hide is not as thick as their heads.

Bad Burn Quickly Healed.

"I am so delighted with what Chamberlain's Salve has done for me that I feel bound to write and tell you so," says Mrs. Robert Mytton, 457 John St., Hamilton, Ontario. "My little daughter had a bad burn on her knee. I applied Chamberlain's Salve and it healed beautifully." This salve allays the pain of a burn almost instantly. It is for sale at Parker's Drug Store.

CHURCH CLOSED DOWN.

Sunday week the Methodist church at Brocklebank's Corners was closed down for good. This church was erected in 1861, and for some years was a flourishing institution, but when the exodus to the west set in it began to decay in strength. One family after another moved away from the vicinity until now there are only four families left. These are the families of William Brocklebank, John Atton, Henry Tindill, and Richard Barrell. Mr. Henry Williams belongs to that church, but he goes to Walkerton to church perhaps as often as he goes to Brocklebank's. Some of these families will likely come to Walkerton, while the others will go to Hanover. The fate that has overtaken Brocklebank's church is the fate which is fast overtaking all the country churches. One by one they are going by the board. It is said that the Canadian Order of Foresters will likely buy the church at Brocklebank's for a hall.—Bruce Herald.

Best Medicine in the World for Colic and Diarrhoea.

"I find Chamberlain's Colic, Cholera and Diarrhoea Remedy to be the best remedy in the world," says Mr. C. L. Carter of Skirum, Ala. "I am subject to colic and diarrhoea. Last spring it seemed as though I would die, and I think I would if I hadn't taken Chamberlain's Colic, Cholera and Diarrhoea Remedy. I haven't been troubled with it since until this week, when I had a very severe attack and took half a bottle of the twenty-five cent size Chamberlain's Colic, Cholera and Diarrhoea Remedy, and this morning I feel like a new man. For sale at Parker's Drug Store.

Who Owned the Shoe.

While a fisherman was engaged in trolling a few days ago off Cape Commodore he brought up a man's laced boot. On examining it he was surprised to find that it contained the bones of a man's toe. The boot, which was about a number six or seven, had been recently half soled, while the upper part bore evidence of considerable wear. On the straps was stamped, Douglas \$3.50 shoe. At the point where it was found the water is about forty fathoms deep and about twelve miles from where the Jones is supposed to have gone down. There were no traces of any socks having been worn in the shoe and the supposition is that it belonged to one of the victims of the Jones' disaster, and had been hurriedly pulled onto the foot without socks. The boot was brought into port by the crew of the Arbutus on Friday night, and is now in the possession of Mr. Robert Abbey.—O. S. Times.

ATTEMPTED SUICIDE.

(Owen Sound Advertiser.) Tuesday afternoon, the Union street bridge was the scene of a lively occurrence, when a young man named Hurst attempted to take his life. Hurst, who was under the influence of liquor, procured a rope which he tied around his waist, but for what purpose is not known, and wandered to the bridge, where his strange actions and incoherent expressions attracted the attention of a couple of men passing, and who soon gleaned that he was insane and was going to try the suicide route. They grabbed Hurst, who climbed onto the little house over the water and held him while the police were being informed. P. C. Foster soon appeared and landed Hurst and took him to the caoler. This is not his first attempt at suicide, he having tried it and was foiled some time ago.

"BLUE DEVILS"

Get Rid of Indigestion and Things Will Look Bright and Joyous.

Even in the present era of prosperity and good times everything appears black to those people who are suffering wretchedly from some form of indigestion. Where digestion is quick, complete and easy there is a joyous outlook, but indigestion causes depression.

The want of a safe, effective cure for sick headache, indigestion and stomach troubles, was always felt until the prescription known as Mi-o-na stomach tablets was put up in popular form and proved its variable success in many forms of indigestion.

After a few days use of Mi-o-na stomach tablets the headache, dizzy feeling, coated tongue, nervousness, sleeplessness, distress after eating—all these symptoms of a weak stomach—will disappear and perfect digestion and a good skin will show that the vital machinery is once more running smoothly.

Mi-o-na is to be taken before each meal and it will stimulate the secretive and digestive juices and strengthen the whole of the digestive system so that the unpleasant full feeling will be absent and indigestion prevented.

We absolutely agree that your money will be refunded should you buy a 50c box of Mi-o-na stomach tablets and not be satisfied with the results. Mi-o-na is sold by druggists everywhere, or will be sent by mail on receipt of price, 50 cents. Booth's Midge Company, Buffalo, N. Y.

SORE ACHING BLISTERED FEET Farmers, farmers' wives, store girls, clerks, bricklayers, policemen and postmen—all who have to be on their feet all day, and suffer from sore feet, chafing or blistering, will find relief in Zam-Buk. Mr. Wm. Ashley, 627 Seignours St., Montreal, says:—"I suffered cruelly from sore feet, which became raw and blistered. Some days I was hardly able to walk home from work, and others I had to leave off about 3 o'clock. Powders, salves and ointments of all kinds I tried in vain, sometimes actually working with them in my boots. I was advised to try Zam-Buk, and in a few hours it reduced the smarting and soreness. I kept on with it, putting a little on each night. In a few days the soreness was all gone." Of all stores and medicine vendors at 50c a box, or Zam-Buk Co., Toronto. Cures eczema, psoriasis, salt rheum, insect stings, sunburn, cuts, burns and all skin injuries and diseases. ZAM-BUK GIVES INSTANT RELIEF

HELPS MEN TO WORK HARD.

That's what Ferrozone does; it supplies the additional strength that enables a man to maintain health under difficulties. "Last spring I was so completely fagged out I could not work" writes J. W. McNichol of Turnbull, Man. "In the morning I was tired—limbs ached all over. Had no appetite, was sleepless, nervous and unhappy. Ferrozone put new life into me. Now I eat heartily, nerves are strong, I sleep well. I know the joy of health." It's by supplying nourishment and good blood that Ferrozone builds up; try it—50c per box at all dealers.

A little girl eighteen months old, daughter of John W. McCulloch, of Grand Valley, died from phosphorus poisoning caused by licking the sulphur from a bunch of matches.
