(Received too late for last week.)

The fine showers of Saturday morning and previous night came as a forerunner to prepare the way for those intending to attend the grand expected Jubilee to be held in the Presbyterian church on the following Sunday. As was anticipated the day proved to be one that will not soon be forgotten. The beautiful morning with all its charms afforded opportunity to old, young and middle aged to be present on the occasion, consequently they gathered from the east, west, north and south till the large and commodious church was filled to its utmost capacity. The service was opened by the Pastor, Rev. Mr. Matheson with the singing of the 100th Psalm and the organist, Miss Reilly, struck the key note to the old and familiar tune of old 100, while the choir with their sweet and melodious voices made the church ring while singing the different parts. After the singing was over the Rev. Mr. Berry, the new pastor of the Methodist church, was called upon to lead in prayer. Although it was Mr. Berry's first Sunday, he with brotherly feeling dispensed with his own service for the morning and gave opportunity to all his congregation to assemble in the Presbyterian church. The Rev. Mr. McGillivray, of Toronto, then preached from the last two verses of the 90th Psalm and made some very appropriate references to the many changes that took place during the last fifty years. In looking over the large audience present not a single person was present of those who were in the prime of life fifty years ago. All the dear old people who bore the burden and endured the hardships in the days of long ago have passed to their reward and those of us who probably attended church service fifty years ago when small boys and girls wearing our birthday shoes and home made straw hats, are to-day fast going on the downgrade of life. No top baggies to be seen fifty years ago and those who could afford to have a team of horses and a big lumber wagon to go to church with were considered a bit common. The old log churches that served their time in the days of old, are now replaced by comfortable brick ones. The old fashioned way of leading the singing by a precentor is a thing of the past and the organ takes its place accompanied by an efficient choir. The good old Psalms and Paraphrases used by our forefathers centuries ago are substituted by Psalm Selections and Books of Praise. The good old Psalm Book that our dear fathers and mothers carried under their arm over fifty years ago when walking to the place of worship, are of no use now to a certain extent although it was dear to their hearts to hear the old familiar notes of the old tunes. Now they are generally replaced by Hymns, but we keep the old Psalms in use in the old Gaelic language and the old tunes sung by our forefathers more than a century ago are used. We must not take up too much time or space on this part of our Jubilee service and now we will turn our attention for a while in giving a synopsis of the entertainment held on Monday evening.

As on the previous occasion (Sunday) a thunder shower came early on Monday morning as it were to clear the atmosphere for the coming event of the evening. The shower being over the wind took a northerly direction, the clouds began to disappear in the afternoon and the promise of a beautiful evening was certain. All anticipations being fulfilled with regard to a beautiful evening, the crowd began to assemble from six to nine. As is usual the case in Priceville the ladies were on hand early in the afternoon and had the tables groaning with all the good things imaginable for the purpose of appeasing the keener appetite. This part being fulfilled abundantly the crowd began to ascend to the main part of the church till all seating capacity available was filled to the doors. After all got seated, the Pastor, Rev. Mr. Matheson, was called to occupy the chair. As we have now one of the best choirs north of Toronto, the singing at intervals was excellent under the leadership of Mr. Wm. Ramage. Speeches were given by the following gentlemen: Rev. Finlay Matheson, of Chatsworth; Rev. D. A. McLeod, of Tara; Rev. Alex. McGillivray, of Toronto; Rev. Mr. Berry, the new Pastor of the Methodist church, Priceville; Chas. Ramage, Editor of the Review, and Neil McCannel, of Durham. This ended one of the finest gatherings ever held in Priceville.

Proceeds of the evening \$73 00  
Sunday collections 30 00  
\$103 00

Mr. and Mrs. Neil McCannel, of Durham, attended the re-union in the Presbyterian Church, Monday evening the 8th inst.

Mrs. McKechnie, of Glenroaden, was the guest of friends in Priceville for a few days last and this week.

Mr. and Mrs. Ramage, of the Review attended the Jubilee on Sunday and the re-union on Monday night in the Presbyterian church, Priceville.

Miss McLeod, daughter of the late John McLeod, of Stayner, is visiting her aunt, Mrs. McCuag, of Top Cliff, and uncle Willie McLeod, and Mrs. David Hincks, Ceylon.

Railroaders are busy and work is progressing favorably.

Miss Annie Weir, of the Chronicle staff, and her mother attended the Jubilee in Priceville on Sunday, the 7th inst.

Mr. Eastman, a former teacher in

Priceville, visited some days in the village. Mr. Eastman attended college since he left Priceville three years ago and has passed his examinations with honors. He is studying for the ministry.

John McArthur, Esq., Merchant, attended as delegate from S. O. S. Camp, Priceville, held at Niagara week before last.

Mr. Leo Grier and Miss Nathalie Grier, of Dundalk, visited old friends at Priceville and took in the Jubilee.

Mrs. Walker and some members of her family of Toronto, are visiting friends in Priceville at present.

## Darkies' Corners.

Fine growing weather, which is helping the spring crops to stretch out.

Haying is begun by several farmers in this burg and seems fairly good.

Mr. Wesley McNally left for Calgary, N. W. T., a couple of weeks ago where he intends to remain for the summer.

We wish to extend our hearty congratulations to Mr. and Mrs. Thomas Davis, who joined heart and hand on Wednesday, July 10th. The marriage took place at the home of the bride's parents in Egremont. We have no particulars, but may long life and happiness be theirs.

Mr. and Mrs. Hiram Dean spent Sunday last visiting friends on the 4th con.

We are sorry to learn of the serious illness of Mrs. Glover, who was stricken with paralysis a week ago Friday. Dr. MacLaurin was in attendance. We hope to hear of a speedy recovery.

Quite a number from around here took in the Orangemen's demonstration in Arthur on Friday last and were highly pleased with the trip. The day was all that could be desired and a monster crowd turned out to enjoy it. Eight coaches were run in to Mt. Forest by the C. P. R. to convey the crowd to Arthur, but it would have required two more cars to be used to seat them, as about one-third had to stand and glad to get on at all. About 2:30 p. m., a grand procession took place, marching from the town to the beautiful agricultural grounds where the speaking was going on. In this march about thirty six lodges took part, over thirty banners and flags being there. On the grounds a fast game of lacrosse was played between Elora and Wingham which finished with a tie. We would judge from the crowd that there were between four and five thousand people there.

## GIVES UP BUSINESS.

### A. O. U. W. Gives Up the Struggle in Michigan.

Detroit, July 11.—The grand lodge of Michigan, Ancient Order of United Workmen, have voted to surrender the charter. The death claims have accumulated faster than the receipts. The grand lodge faces an indebtedness of \$100,000, to meet which there are only the June collections and a balance of about \$50,000. In eight years the membership has dropped from 23,000 to less than 3,000.

It is thought that present members who can afford to meet the premiums will be provided a way of keeping their insurance in force by dealing directly with the supreme lodge.

## Right Breathing Cures Catarrh.

### Simple Way to Kill Catarrhal Germs in Nose, Throat and Lungs.

The only natural and common sense method known for the cure of catarrhal troubles is Hyomei. It is breathed through an ingenious pocket inhaler so that its medicated air reaches the most remote air-cells of the nose, throat and lungs, killing all catarrhal germs, soothing the irritated mucous membranes, and restoring a healthy condition.

If you suffer from catarrhal troubles, such as offensive breath, rising of mucus, frequent sneezing, husky voice, discharge from the nose, droppings in the throat, loss of strength, spasmodic coughing, or a feeling of tightness across the upper part of the chest, you should begin to use Hyomei at once. It will destroy all disease germs in the nose, throat and lungs, and provide the blood with additional ozone.

We do not want anyone's money unless Hyomei gives relief and cure, and we absolutely agree that money will be refunded unless the remedy gives satisfaction.

All druggists should be able to supply you with Hyomei or we will send it by mail on receipt of price, \$1.00, and every package is sold with the distinct understanding that it costs nothing unless it cures. Booth's Hyomei Company, Buffalo, N. Y.

## Corner Concerns.

Our school board met on Tuesday night to let the contract for a number of improvements to the grounds but no person wanted work. All are fully engaged for the harvest months.

Deputy Reeve Ferguson came up this way a week ago and advised some of the pathmasters to further the good work of graveling the roads. Consequently there has been upwards of 250 loads of the very best gravel put on inside of a two mile distance. Ferguson has been expending money in a sensible way lately and is fast growing in popularity of the ratepayers. The roads are getting in a much improved condition and many farms in a much improved state. Old board and picket fences are being replaced by the best design of wire that can be procured, and the time is not far distant when our township will buy a stone crusher for use on the roads, which will not only supply the roads with the very best road making material but will clear the road sides, which have become unsightly with loose stones.

Mr. Dave Allen, of Hopeville, has the carpenter work of the church and has commenced by framing the roof.

Mr. Wm. Johnston took very sick on Friday night and the Dr. had to be sent for. The trouble is not very clearly understood, but we hope it may not prove serious.

The Orangemen report having a very enjoyable time in Arthur on the twelfth. Only the brethren and ardent followers from this part went. The very early morning start kept many at home who go merely for the sake of a day's outing and to listen to the music.

Miss Ada Maud Chapman, of Mt. Forest, visited her grand-parents, the Sirs family, last week.

Great preparation is being made for the garden party on Friday night to make it a success. It is the first affair of the kind to be held on Mr. Tucker's grounds.

Mr. Wm. Lawrence has sold his farm to his son Will and intends becoming a resident of Durham. As he has always been a very public spirited man he will make a valuable citizen.

Durham and Hanover Trinity church ministers traded pulpits last Sunday. Our congregation also enjoyed the pleasure of hearing the new man.

The Women's Institute picnic in Holstein on Wednesday was well attended from this northern part of the district and was quite a success although other parts were not quite so well represented. We hear the program was a very good one but promises to be better next year as some of the speakers are newly married and said they hoped to know more about women and their ways by next year. The base-ball match between Durham and Holstein, although a little one sided, was interesting. The home team has some really good players, and with a little more practice might soon reverse the score. Dr. Brown was one of the very best players on the field and Kells, the school-master, is improving fast as pitcher.

A couple of our ladies spent from Saturday till Monday a week ago at the Hanover Camp Meetings and helped in the work by taking off all their jewelry and not wearing it again until they got home, and for which they received a special blessing even to the extent of Divine healing of a throat trouble in one case. This may seem like an exaggeration of facts but we are perfectly safe in saying it as the lady in question has heretofore been a newspaper correspondent and informs us that every vestige of fight has been removed from her by her experiences at the meetings.

Last Wednesday the home of Mr. Wm. McPadden was the scene of a very happy event, the marriage of his daughter Martha to Mr. Thomas Davis, Durham. The ceremony was performed by Rev. Mr. Bice in the presence of only relatives of the contracting parties. As we have no detailed account of the affair we are unable to report further than that the happy couple are highly esteemed by all who know them, and that they have the very best wishes of all for a happy and prosperous life.

## MET WITH AN ACCIDENT.

Mr. M. Stewart of Markdale, met with an accident near Williamsford yesterday afternoon from which he is suffering much pain through an injured shoulder. He was driving a broncho and some part of the harness breaking, the animal became uncontrollable and ran away throwing Mr. Stewart out on his shoulder and head. The accident, though painful, is not serious and Mr. Stewart will be all right in a few days.—Advertiser.

## HORSES FELL IN THE RIVER.

A team of horses belonging to the Davis Smith Malone Co. had an unexpected bath on Tuesday, and were the cause of quite a bit of excitement. It was while a scow-load of wood was being unloaded. The weight of the team was too much for the gang-plank, which broke letting them into the river. It was necessary to cut the harness to free the animals, which were finally towed ashore after being in the water for some time.—Owen Sound Sun.
