RESIGNED HIS CHARGE.

Rev. Jonathan O'Neill has resigned his charge as minister of the Baptist church at Paisley. We understand that on two or three occasions he has occupied the pulpit of the first Baptist church in Wainfleet, and perhaps he has resigned his charge to step into the larger sphere.

Collegiate Staff Changes.

Mr. O. Asselstine, M.A., of Wilton Ont., a graduate of Queen's University, Kingston, will be the additional teacher on the Collegiate staff. He has notified secretary Rutherford of the acceptance of the position. The salary is \$900 and Mr. Asselstine will have classes in the junior mathematics and science department. Wednesday, chairman J. C. Hay, received the resignation of Mr. Jennings, English specialist of the Collegiate staff, he having accepted a similar position on the staff of the St. Thomas Collegiate. Principal Murray, who is at Hensall, was notified and he is making an effort to get Mr. Jennings to remain on the Owen Sound Collegiate staff. Failing to get Mr. Jennings to reconsider his action, a new man will have to be secured. The many changes incident to the appointments to the new model school staffs is making it more difficult to secure specialists for the Collegiate staffs of the Province where vacancies have occurred.—O.S. Times.

ANOTHER GREAT DISCOVERY.

A well known gentleman in Black Bay, Ont., Mr. John Cowan, has discovered an absolute specific for Rheumatism, and writes: "I was affected with Sciatica and chronic Rheumatism which I contracted years ago. The disease had a great hold in my blood, and it was hard to make any impression on it. Reading of Ferrozone I was convinced of its merit and its certainly the best I have ever tried. Why it just drove away the rheumatism. Even stiffened old sufferers will experience quick results. The reason is that Ferrozone acts through the blood and thereby destroys the cause of the disease. Price 50c per box at all dealers.

The Mitchell Advocate has this to say about "Cards of Thanks": "The day is not far distant when 'cards of thanks' will be things of the past. When death enters a home neighbors never fail to do all in their power to place a silver lining back of the dark cloud, and they do not expect or desire any thanks through the public press. One subscriber, however, not to be outdone, sent in the following: 'Mr. Editor,—I desire to thank the friends and neighbors most heartily in this manner for their co-operation during the illness and death of my late husband, who escaped from me by the hand of death on last Friday. To my friends and all who contributed so willingly toward making the last moments and the funeral a success, I desire to remember most kindly, hoping these lines will find them enjoying the same blessing. I have also a good milk cow and a roan gelding, eight years old, which I will sell cheap. 'God moves in a mysterious way, His wonders to perform. He plants his footsteps on the sea and rides upon the storm.' Also a black and white shoat very cheap."

WOMEN PAY MORE.

Why Insurance Companies Discriminate Against the Gentle Sex.

Medical examiners of insurance companies say that the reason a woman pays more for the privilege of insurance than a man, is from the fact that women more readily fall victims to indigestion and stomach troubles and the fatal ailments that spring from these causes.

All persons, they say, who have a weakened digestive system and suffer from sick headache, dizzy spells, distress after eating, specks before the eyes, bloating, nervousness, sleeplessness, and the many other symptoms of indigestion, soon lower the tone of the whole system and are most susceptible to a fatal illness.

For curative power in all stomach troubles, nothing else is as safe yet effective, nothing else can be thoroughly relied upon to relieve all troubles from indigestion as Mi-o-na. It is unlike any remedy heretofore known and it is really one of the valuable discoveries in modern medical science.

It is not the acute attacks that influence the insurance examiners alone, but the constant feelings of weakness, headaches, indigestion and stomach troubles—these things, physicians say, kill more people than many more serious diseases.

We absolutely agree that your money will be refunded should you buy a 50c box of Mi-o-na stomach tablets and not be satisfied with the results. Mi-o-na is sold by druggists everywhere, or will be sent by mail on receipt of price, 50 cents. Booth's Miona Company, Buffalo, N. Y.

Says Flesheron is his Home.

SARNIA, Aug. 1.—(Special.) A man in a dying condition was found this afternoon at 3 o'clock at the wharf adjoining the Grand Trunk elevator.

At Dr. Logie's office, under examination, he appeared to be physically sound, but suffering from great exhaustion, and was so weak he could only answer a few questions.

He said he was a sailor, aged 35, and gave his name as Joseph Smith, of Flesheron, Ont. He had come up a few days before from Detroit to Port Huron.

He did not seem intoxicated, and could not explain his condition. He was taken to the Sarnia General Hospital, and died an hour later.

Rules for Business Girls

Kathryn Flynn gives these rules for the business girl in Worker's Magazine:

Respect your superiors. The man who has advanced to the position of manager wants his authority recognized, and a man who cannot command this respect is not fitted to be a superior. You cannot advance yourself by assuming an indifferent attitude toward him, because by doing so you reflect on his position and ability.

Dress like a business woman, stylishly, but at the same time economically. The girl who puts everything she earns on her back seldom is given credit for having anything in her head.

Don't be too sure of yourself. Self-confidence and conceit are different, but it is easy to drift from confidence in one's ability to over-estimation of it. No matter how valuable your services are, the firm always can get along without you.

Don't try to lead a strenuous business and social life at the same time. The girl who must spend her days in an office cannot afford to spend her nights at parties. Lack of rest is bound to reflect in your work and may result in the loss of your position.

Last of all, work! That is what you were hired for, and that is what you are expected to do.

A business man cannot use all advertising mediums and schemes. When he tries it, he is in the position of the tippler, who tried to consume the entire visible supply of liquor in the interests of temperance.

If a marksman tries to use a dozen guns at once, he will stand less chance of reaching the target than if he used but one, and aimed it carefully.

There is a wide difference between spending an advertising appropriation and investing one.

The wise advertiser concentrates his campaign on the one best medium in his field. He uses other mediums on occasion—but he uses them as supplementary ones.

HAD AN AWFUL TIME.

But Chamberlains Colic, Cholera and Diarrhoea Remedy Cured Him.

It is with pleasure that I give you this unsolicited testimonial. About a year ago when I had a severe case of measles I got caught out in a hard rain and the measles settled in my stomach and bowels. I had an awful time and had it not been for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy I could not have possibly lived but a few hours longer, but thanks to this remedy I am now strong and well. I have written the above through simple gratitude and I shall always speak a good word for this remedy.—SAM. H. GWIN, Concord, Ga. For sale at Parker's Drug Store.

HARD ON AUTOS.

In Kincardine one day last week, an automobile frightened a horse, the horse ran away, the driver was thrown out of the rig and had his leg broken. It is becoming very apparent, from incidents like this that something will have to be done about these automobiles. For several years past the farmers in the immediate vicinity of Toronto have been agitating for a law to restrain automobiles from using the public highways, but so far have not been able to accomplish anything. But gradually the nuisance is becoming more general. Nearly every town in the province has its automobile now and some of them more than one. These machines go scooting through the country in all directions, and no road is sacred to them. Horses that are easily enough controlled in the presence of a railway train, will go crazy at the sight of an automobile, and accidents such as the above are happening all over the country. It will not be long before the automobile will drive farmers off the public highway altogether, unless something is done to restrain them. The farmers built these highways in the first place, and are taxing themselves every year to keep them in repair, and it must be more than a little annoying to them to be thus dispossessed by this new machine. What they ought to do is to pledge every candidate for Parliament to use his vote and influence in favor of a law prohibiting automobiles from using the public highways altogether, or at least under conditions that will not interfere with traffic.—Walkerton Telescope.

BRONCHIAL COUGHS.

Breathe Hyomei's Healing Air and all Irritation Will be Quickly Cured.

The most irritating and annoying form of cough is that termed bronchial. People subject to bronchial troubles whenever there is a change in the weather or they are exposed to a draft will "catch" a bronchial cough, which is very disagreeable, irritating and annoying.

Bronchial troubles cannot be cured by stomach dosing. The medicated air of Hy-o-mei is the only treatment that reaches the affected parts and gives relief and cure. It destroys all the disease germs that are present in the nose, throat and lungs, soothes and relieves the irritated mucous membrane in all parts of the bronchial tubes and quickly overcomes the irritation.

Bronchitis is really an inflammation of the mucous membrane lining the air passages and is purely a local disease, so that it needs a local treatment like that afforded by Hy-o-mei.

We do not want anyone's money unless Hyomei gives relief and cure, and we absolutely agree that money will be refunded unless the remedy gives satisfaction.

All druggists should be able to supply you with Hyomei or we will send it by mail on receipt of price, \$1.00, and every package is sold with the distinct understanding that it costs nothing unless it cures. Booth's Hyomei Company, Buffalo, N. Y.

The conductor was inclined to seek for sympathy. "Do you see that woman on the left hand side of the car, up near the front?" he asked the thin man on the back platform. "Yes, I see her." "The one with the dizzy hat?" "Yes." "Well, I think she's tryin' to beat me out of a fare. When I went in to collect she never looked around, an' I ain't quite sure that she didn't pay me before—although I'm almost positive about it. She looks to me like a woman who'd be glad to stir up a fuss. I can pick 'em out as far as I can see 'em. You never spot a woman with a face like that who isn't ready to bluff her way anywhere. I wish to thunder I knew whether she had paid her fare or not." I wouldn't worry about it any more," said the thin man. "I paid the lady's fare sometime ago—she's my wife."

WHEN WOMEN SUFFER.

Look out for weakness or disease. See if there is not a sideache, headache, restlessness and the "blues." These symptoms indicate that you need the gentle assistance of Dr. Hamilton's Pills. They are women's greatest relief, prevent functional derangements, renew the life of the blood, purify and clean the system throughout. No tonic so potent, no results so marked as follow the use of Dr. Hamilton's Pills. Price 25c per box at all dealers.
