THE DURHAM CHRONICLE

W. IRWIN, Editor and Proprietor.
DURHAM, AUGUST 8, 1907

Varney.

Max Allan, who has been learning the barbering in the city, on completing his trade took a run home for a few days. He and Tom returned a week ago Tuesday and we hear are both engaged at their trades and are doing well. We wish them success.

Lizzie Allan came home from Hamilton to spend a month with her mother and friends around Varney. Her smiling face lends cheerfulness to the place. Lizzie is a girl that her mother is and should be proud of.

Mrs. Trotter, from Toronto, spent a few days last week with her sister, Mrs. Z. Clark and on returning home was accompanied by Mr. Trotter, who has been up for a few weeks for the good of his health. He was feeling some better after his stay in Varney.

John Kerr raised his bent and lean to his barn a week ago Saturday, and everything went together fine as is sure to be the case when Ben Sharpe does the framing. The boys had a good game of baseball after the work was done. The barn is completed and gives John lots of room now for his crop and stock.

We are sorry to report that Mrs. Wm. Long has been sick and confined to her bed for some time, and at time of writing is not improving very much, but we hope to soon see her in the best of health again. Blanche Lauder has been staying with her and attending to the Post Office.

Maggie McAuliffe has been engaged with Mrs. Albert McClinton for the past few weeks.

Mabel Grasby is away to Guelph to spend a few days visiting her friends.

Mr. Dunn's sale came off alright, everything was sold and brought fairly good prices. John Clark did the auctioneering, John is improving at the business. Stock did not bring as high prices as they would have done had there been better prospects for lots of feed. Mr. Dunn and family are moving to Durham and while we are sorry to lose them, our loss will be your gain. Mr. Jas. Wilton and family have moved on the place and by what we hear of them we will find them good neighbors. We give them a hearty welcome to our hamlet and we wish them the best of success in their new home.

A large number from around here attended the garden party at Bert Watson's and had a fine time. We are sorry to say that rather a serious thing occurred at it. Archie and Willie Watson from Detroit came home to attend the party and see their friends and they brought some fireworks with them and while Willie was in the act

of setting some of them off his pants took fire and before he could get it out it burned his leg so badly that he had to have the Dr. attend to it and he was unable to return with Archie. We are glad to say he is about all right again.

The people of the Methodist church will hold their annual garden party on Tuesday the 13th August at J. W. Blyth's—the same place as last year. There will be games in the evening from 6 o'clock. The return game of baseball will be played between Egremont and Varney S. Schools. A good time is expected, good program, and lots to eat and drink. Everybody welcome.

Mrs. Trotter and Mrs. Z. Clark visited at Mrs. J. W. Blyth's one afternoon last week.

The Rev. Howard O. Rogers, of Varney, officiated at the grave at the funeral of the late Mrs. John Collison, from Hanover, who was in Maplewood cemetery on Saturday last.

The officers, teachers and young people of the Varney S. S. and Epworth League together with a few friends will, D. V., pic nic at the lake on Friday afternoon.

A few from our hamlet attended the Baptist picnic that was held in Petrie's grove on Tuesday and speak well of it.

Areta VanAlstine from Detroit is visiting with her aunt, Mrs. J. W. Blyth, at the present time.

Ella Neal from Mt. Forest visited her friends, the Morrisons over Sunday.

Mrs. H. Burnett, of your town, visited at Harry Wilkinson's and her sister, Mrs. Blyth, on Monday. Her little daughter Frankie accompanied her.

The Sacramental service will be held in Varney church on Sunday next at 10:30 p. m. The Rev. Mr. Jamieson of Durham will take charge of the service.

DORNOCH CHURCH RE-UNION.

A very interesting semi-centenary anniversary was held on Sunday and Monday last by the Presbyterians of Dornoch. The passing into history of half a century since the forming of the first congregation and the building of the first church has wrought many changes. Of all the members of fifty years ago there are only seven survivors to-day as follows:—John Corlett, Robert Corlett, George Ledingham, Mrs. Halliday, John Riddle, Archie Hastie and Mrs. Wm. Smith. All of the foregoing survivors with the exception of Mr. Riddle were present at the Re-Union. Mrs. Halliday is in her ninety-seventh year, and is still hearty for a woman of her age. Mr. Riddle, who is an invalid, sent a letter expressing his regret at not being able to be present. This letter was read by Mr. Robert Hay and was intensely listened to by the large audience present on the occasion.

The sermon on Sunday morning was preached by Rev. Dr. James Fraser Smith after which the sacrament was dispensed. The service in the evening was preached by a much esteemed pastor of some years ago, the Rev. John Little, now of Holstein.

The pastors of the Church since its establishment fifty years ago were Reverends James Cameron, A. McDermid, John Little, Mr. Graham, Mr. Atcheson and the present incumbent, Rev. John McDonald.

On Monday evening a very sumptuous dinner was provided by the ladies of the congregation after which the time was spent in a very happy reunion.

Pioneer experiences were related by Mr. John Corlett and his brother Mr. Robert Corlett. These dealt chiefly with the pioneer efforts to establish churches for the congregations and adherents of the early times. Happy reminiscent references were made to the building of the old log church, its subsequent enlargement with the necessary changes in seating arrangements, latterly the erection a few years ago of their present comfortable brick places of worship.

Mr. George Ledingham was appointed teacher of the Sabbath School at the age of twenty-two years ever since he has been identified with the school in some way. He spoke of the inauguration, the growth and development of the school during all these years.

A brief but interesting address was made by Mr. Alex. McClung, who referred to himself as an Irishman for which he was proud and thankful.

The members of the Owen Sound Presbytery who were present were Rev. Mr. Currie, of Keady, who conveyed the greetings of the Presbytery and congratulated the congregation on the fact that many of the sons of the early worshippers at Dornoch were to be found in the mission fields of India, China, the Northwest and elsewhere. Rev. Mr. McNab, of Kilsyth, was also present and addressed the congregation briefly.

The present pastor gave a brief interesting, historic review of the church since its inauguration, specifying the different ministers and elders and the dates of their appointment.

We hope to get a more complete report for next issue and invite correspondence in regard to this very important event.

We regret to learn of the death of Mrs. John Collinson, whose remains were interred last week in Maplewood cemetery.

I. O. F. PICNIC.

The Independent Order of Foresters had a well attended picnic in Mr. Thos. McGirr's grove on Thursday last. The number in attendance has been variously estimated at from five to eight hundred. An extensive program of sports, amusement and dancing furnished the bill of fare, but a slight rain in the afternoon put a stop to the base ball and lacrosse matches.

Mr. H. H. Miller, M. P., of Hanover, was the only speaker, but he gave a good address on the subject of Forestry which was listened to with rapt attention by those who were more interested in speech-making than they were in dancing. Dr. Jamieson was not present.

The dancing platform was well patronized in the evening, lasting on into the night. No doubt the little hours of the morning would have heard the tripping toes had it not been for the chilly nature of the night following a sharp shower of rain in the evening.

The swings were kept going constantly, and the booth did a land office business during the afternoon. Picnics, as a rule, have too much of an advertised program, which, if not carried out to the full, causes no great amount of disappointment to the general visitor, who goes there more for an afternoon's visit than he does for any ordinary amusement.
