Flesherton

Mr. Francis Shier, near Portlaw, suffered a heavy loss last week by the destruction at noon on Wednesday of his barn and contents by fire which started from ashes thrown out by one of the children. The building was a log one but served the needs of the farm. A waggon, eight loads of hay, eight pigs, harness and a quantity of last years oats and barley were consumed with the building upon which there was no insurance, the policy having expired only a short time ago. The house nearby was several times on fire and it was with difficulty neighbors who hurried to the scene saved it from destruction. Mr. and Mrs. Shier who were away from home when the fire occurred have the sympathy of the entire community in their loss.

A school section dispute, upon which much interest has centered for some time, over the formation of a proposed new union school section affecting mostly Portlaw section, Artemesia, and the adjoining section in Osprey came up for settlement by arbitration in the town hall here on Thursday afternoon last when a large number were present. The arbitrators appointed by Grey County Council were R. J. Ball, Reeve of Hanover, and W. J. Bellamy and Thos. Scott, clerks respectively of Artemesia and Osprey. After hearing much evidence the decision of the arbitrators was against the formation of the proposed new section and that the old sections remain as they are.

A garden party given by the Presbyterian Ladies' Aid on the Agricultural grounds on Tuesday evening of last week was very successful, the proceeds being over \$80.00. A good supply of water was secured at both places at 40 and 90 feet respectively. Mr. Piper is having a windmill erected to do his pumping. Mr. Fred Brown is having his large barn reshingled.

Rev. Mr. and Mrs. Smith are spending a happy time among the old friends around Zion.

During the thunderstorm of Friday last, lightning struck the barn of W. L. Falkingham at the Falls, splintered a board or so and set fire to some hay. Before it broke into flames his bright boy, Willie, and a comrade put out the smouldering fire with a pail of water. Mr. Falkingham, who was fixing fence some distance away received quite a shock.

The Garden Party held by Zionites on Wednesday evening of last week at the home of Mr. and Mrs. Thos. E. Blair, was the most successful one in the history of the church. The proceeds from gate and tent amounted to over \$75. The evening was beautiful, though somewhat cool; there was eatables enough to give everybody present two suppers and the grounds were brilliantly lighted. The program was just about right length and a spicy one. Rev. Mr. Jamieson makes an ideal chairman—witty, tactful and most entertaining. Mrs. Jamieson has a winning personality and made a happy time for those around her. Rev. Wray R. Smith received a most enthusiastic greeting and his address was most humorously worded. Mrs. Smith got a warm welcome from both young and old. Mr. Midford made his first appearance before a Zion crowd and his two solos were rendered with the ease and power of a musical master. Miss Ethel Limin played the accompaniment for him. Duets were sweetly given by Misses Olive Cook and Stella Jack, Miss Florence and Master Percy Hunt and Jennie Cook and Edna McNally. The musical selection by Mrs. John O. Greenwood and Mr. Thos. E. Blair was considered to be one of the best numbers on the list. Mr. Jackson, from Brampton, had a new chapel organ there and gave two songs full of fun and jollity. Mr. J. is a musician of high ability. His organ is on trial in the church at present. Miss Stella Jack's recitation was one of the best she has given us yet. Mr. and Mrs. Blair were most attentive to the comfort of all and the Leaguers feel deeply indebted to them for their kindness. Will Jack assisted by Ernie Cook and others did a big trade at the booth selling everything off early.

Rambling remarks overheard by the Scribe:

"Miss Ethel Limin has grown so handsome that behanged if I knew her," muttered a middle aged chap.

"Hi ho! I am afraid, Too many lovers will puzzle a maid," dolefully hummed a fellow whose jib-boom hung glum.

"G. E. Arrowsmith is the best looking married man on the grounds," admiringly whispered a fair one, who has her eye on his son.

"I've met my destiny to-night!" said a badly enamored youth as he pulled down the back cover of the buggy top.

"Say, who is that lassie over there?" said one. "Oh, that's Miss Mary Pritchard from Vandeleur," answered his mate. "Hanged nice-looking girl," returned number one. Miss Pritchard was the guest of Miss Myrtle Hunt until Saturday.
