ROBERT BURNETT

Varney.

A large number from around here attended the laying of the Corner Stone of the new church in Egremont and were so well pleased that some of them went back on the following Monday evening to help eat up the scraps.

Miss Maggie Aldred came up to Varney from Fergus hospital week before last. She looks well and will we believe, return to her home in the West on Friday the 30th.

Maggie McCalmon left Varney last week to spend some time visiting friends in Dornoch, Charsworth and Owen Sound. We wish her a pleasant time.

A few from our hamlet attended the moonlight picnic at the Lake on the 23rd, got up by the young people of the 2nd of Egremont.

Harvest will soon be over and is turning out better than we at one time thought it would.

Miss Lizzie VanAlstine and Mr. Wm Hempell, from Dundalk, visited on Saturday and Sunday at the former's aunt's, Mrs. J. W. Blyth. Miss Areata who has been visiting in Varney and Durham for the past three weeks, returned home with them.

Miss MacKenzie is again in charge of our school and has a good large attendance. She has them tamed down after having their freedom so long. She will make them learn if there is any learn to them.

We heard that Wm. Grant sold his farm to Mrs. Murdoch and after the papers were drawn out he rued his bargain. We don't wonder at it as Varney is a fine place to live in.

Mr. Truax from Walkerton has again been in our burg trying to complete the deal with Mr. Clark for his property. There will be a deal yet if he continues. He is coming near it now.

Rev. Mr. Rogers took a run up to Warton on Monday to see his parents and more particularly a sister who is home from Toronto. He returned on Wednesday in time for his Prayer Meeting work. He is very faithful.

Robt. Petty leaves for the West on Friday and also Mrs. Morrison, Jr. We wish them both a pleasant trip and a safe return.

Miss Edith Allan has again returned to her school in Gowanstown.

Mr. and Mrs. McCabe from London, and Mr. McCabe from Holstein, visited their brother Alf, our village blacksmith, one day last week. Alf and the brother from London resemble one another as much as two peas. He is an engineer on the R. R.

There came to the home of Mr. and Mrs. Clark on Tuesday morning 27th of August, a little girl weighing ten pounds. Mother and child are doing fine. Will says they can't quarrel now as they have two apiece.

PROBE THE THOMAS CASE.

Warton, Aug. 26.—In the case of the woman, Agnes Thomas, held for the shooting of Philip Gilbert last week, there is strong disposition in Warton to push the prosecution. The story told by Mrs. Thomas that she shot in the air is not believed.

People do not want the raiders prosecuted, for it is felt that there is a certain amount of justification for their action, because of the inactivity of the authorities.

It is understood that Crown Attorney Dixon, of Warton, has received instructions from the Attorney-General that the case be prosecuted.

Rev. Wm. Smyth, in his sermon last night, scored the authorities for not taking action, and advocated the forming of a vigilance committee to take up such matters.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart or The Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak stomach nerves—the inside nerves—mean Stomach weakness, always. And the Heart and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion use Dr. Shoop's Restorative. Write me to-day for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative sold by Macfarlane & Co.

Buy Hair at Auction?

At any rate, you seem to be getting rid of it on auction-sale principles: "going, going, gone!" Stop the auction with Ayer's Hair Vigor. It certainly checks falling hair; no mistake about this. It acts as a regular medicine; makes the scalp healthy. Then you must have healthy hair, for it's nature's way.

(Crowded out last week.)

On Saturday a prolonged trial was held before Police Magistrate Telford. A young Englishman named Hallam from Swinton Park, only eight weeks in Canada, was brought up by Val. Hahn, of the Hahn House for criminal assault. Hallam was accused by Hahn in the dining room of the Hahn House, about a week previous. Hallam was in for supper and Hahn charged him with insulting his dining room girls, and guzzled him from behind. Hallam was subsequently released, when he was again approached by Hahn, whom he warned to keep away. A single blow from Hallam laid Hahn out with a couple of nasty cuts above the left eye. Hallam was arrested, but John McQueen went his bail and he didn't have to go to the cooler. The evidence went to show that Hallam was not guilty of any unbecoming conduct with the ladies in the dining room and that he was justified in delivering the blow in self defence. The case was dismissed. Hallam has a gentlemanly appearance and his testimony was so clear as to enlist the sympathy of the whole audience, who actually applauded when the decision was given.

THE Hahn House has been repainted which improves it considerably.

AN advertisement announcing the opening of the Meaford High School will be found in this issue. This is one of the schools that is building for itself a reputation. The records for 1906 and 1907 as given in their ad. is a splendid showing and speak well for the ability of those in charge of it.

CROSSLEY AND HUNTER.

A series of revival services will commence here on Sunday next, under the auspices of the local Churches. Revs. Crossley and Hunter, the noted evangelists who are sufficiently well known to need no introduction will be in attendance, and a great spiritual revival is looked forward to. They will be here all of next week, and perhaps the week following. To accommodate the crowds that are expected to attend, the Rink has been secured.

THE WESTERN FAIR.

The Western Fair, London, Ont., held this year from Sept. 6th to 14th will without doubt be a great success. Entries are coming in fast in all the departments. At the present time indications are that the Horse Exhibit will be very large.

The London Hunt Club have kindly offered to exhibit the six couple of hounds and horses composing the Hunt team that won this class in the International Horse Show at London, England, this year in competition with the world. The Exhibition will be composed of four Horses, ridden by the Master, Hon. Adam Beck, the Huntsmen and two whips in the Hunt colors, and will consist of Horses in their exhibition of jumping exactly as shown when winning the above prize. Mrs Adam Beck has kindly consented to exhibit her harness horses, carriages and appointments, as exhibited at the above show. This will certainly be a sight worth travelling miles to see. It will be given on Tuesday and Wednesday afternoon before the Grand Stand.

Programs have been issued and all the attractions as advertised will take place daily.

A Cordial Invitation to Disease.

This is an apt description of constipation. It's an unnatural condition to begin with, and it's more, because it brings about blood deterioration, interferes with digestion, renders you susceptible to infectious diseases and causes anaemia. Not so much a purgative as a natural stimulant to the bowels is what you need. You get it in Dr. Hamilton's Pills which increase liver activity, restore the bowels to perfect action and positively cure constipation and its attending evils. Insist on having only Dr. Hamilton's Pills of Mandrake and Butternut, 25c per box at all dealers.
