During the thunder storm on Sunday afternoon, lightning caused considerable damage to the home of Mr. Arch. Along with Mr. and Mrs. Abra, Mr. Wilson and his storm, and Mrs. Wilson was in the act of entering the doorway when a bolt of lightning struck the roof tearing off the ridgeboard and shingles and passing down through the ceiling into the room below and out at the door through which Mrs. Wilson was EYE, EAR, THROAT & NOSE passing. The paper on the wall was scorched and in addition to a couple of large holes in the ceiling and roof a large strip was torn off the screen door, while the whole place was filled with smoke and sulphurous smell. Fortunately no fire ensued. All four inmates were badly stunned by the shock though Mr. and Mrs. Wilson quickly recovered and went to the assistance of Mr. and Mrs. Abra, who appeared to have received more severe injury. ### Classic City Chronicles.

Labor Day was fittingly celebrated by the different labor organizations in the city. A trades' procession in the forenoon and a fine program of sports in the afternoon filled up the day's fun. In connection with the sports the chief interest centred in a road race from St Mary's to Strat ford. This race ended at the grand stand in the athletic grounds. The runners had to run around the race course twice after entering grounds. thus making a total distance of 131 miles. DEATH OF MRS GARNER.

With the passing of Wrs (Rev) Garner at the Walkerton hospital on Saturday night there has gone from life to eternity a woman of signal grace of disposition who won the esteem and good will of all who knew her by her intimate kindness. She had been suffering with general debility for some four years, but her condition was nor considered critical until lately, in fact her death at Walkerton came as a great shock to all but a very few who feared that she might not last long. She was sufferer with nervous rouble which at length affected her h art. She was conscious to the last, sweetly resigned to meet her Maker and ju-t slept away. She was born in To. onto township, near Brampton, and was a daughter of James Stewart. She married Rev. She was converted in early life and has always been a member of the Methodist church, in which she was an active worker. Few People Are Really as Well as They Look. Cause and Remedy.

Many people in Durham both men and women, who believe themselves to be in perfect health, are often in ne greatest danger. Indigestion which is so common a

trouble, is the principal cause of the greater share of the general poor health, It has misleading symptoms that seem to have no reference to the stomach, such as headache, sleepless ness, specks before the eyes, pains in the back and side, etc. The success of physicians everywhere with the prescription that is now embodied in Mi-o-na stomach

tablets has made this remedy in the last few years the acknowledged specific for the tr-atment of stomach diseases The secret of this success lies in the fact that Mi o na is pre pared expressly to strengthen the digestive organs and its use for a few days puts the whole digestive system in such shape that it can care for all of the food that is eaten without pain
