### Flesherton

The terrible wreck at Caledon last week already known to our readers created most intense feeling here about seventy from this place and vicinity having boarded the ill-fated train. After the wreck when reports were received concerning the injured friend endeavored to console with friend, but it was not until the death of Norris Tucker, the bright fifteen year old son of Mr. and Mrs. Fred Tucker, was verified that sorrow and sympathy found full expression. All that sympathizing friends could offer was extended to the grief-stricken parents. On the arrival of the body at the station on Wednesday over twenty five rigs were waiting laden with friends to accompany the body home from where the funeral took place the following day and was very largely attended. Service was held in the Presbyterian church which was beautifully draped in mourning and in the large congregation there were but few not visibly affected. The pastor Rev. G. C. Little, who was assisted in the service by Rev. L. F. Kipp, delivered an impressive discourse and made touching reference to the bright young life so suddenly cut off. The choir rendered appropriate music including a favorite hymn of the deceased. After the service the cortege was led to the cemetery by the Band assisted by Bandmaster Perkins and other members of Markdale Band. Norris was a member of the band and under his father the leader, was developing into a splendid cornet player. The bearers were his closest young companions as follows:—Fred McTavish, Fred Sullivan, Harold Mitchell, Willie Crossley, Herb McLeod and Gordon McKinnon. The coffin was shrouded in beautiful floral offerings from the band, Sunday school, comrades at Oakville, Mr. and Mrs. Large, Markdale, and numerous in Flesherton all of which showed loving sympathy and the esteem in which the deceased was held. The business places were closed during the time of the funeral. Mr. and Mrs. Tucker have the sincere sympathy of the community in their great loss. Norris was a member of the Presbyterian Sabbath school and the session on Sunday was made memorial. Mrs. Tucker being a member of the Ladies' Aid Society of the church at the regular monthly meeting last week a resolution was adopted instructing the secretary to convey to her by letter the sincere sympathy of the society in her bereavement.

The injured in the Caledon wreck belonging to this place and vicinity are, we are pleased to report improving though some of them are yet suffering much. Those yet in the Western Hospital Toronto, are Mr. M. K. Richardson, who received a large scalp wound requiring sixteen stitches in dressing, Rev. Dr. Caldwell severely cut in the head and face, Charley Bellamy, son of W. J. Bellamy, severely injured in shoulder and chest, Mrs. Hanley severe injuries to body and arm. His sister Mrs. W. J. Stewart slight injuries. Henry Holman and Thos. Suell limbs bruised, Mrs. W. L. Wright severe cuts in the head, one ear nearly severed. She has been nursed at a farm house near the wreck, but expects to get home this Monday evening. Among those who got home perhaps Andy Wilson and son are the most injured the former with chest crushed and ribs broken and the latter head badly cut. Alf Thistlethwaite has severely sprained foot and Miss Mabel Thistlethwaite nasty cut in the head. W. J. Bellamy received a scalp wound and some bruises. John Boyd not much marked but stiffened with bruises. His daughter Mabel escaped without a mark, as did Charley Stafford, W. Somers' brother and Miss Colquett were almost as fortunate. W. L. Wright was slightly cut and bruised and W. H. Bunt escaped with slight injuries. David Madill, Ceylon sustained bad fracture of the leg and Thos. Gilchrist received 3 1/2 inch scalp wound and other cuts in the head. Mrs. McMillan and little daughter, near Ceylon, were both injured. T. Chislett Mr. Ridley and Mr. Collinson, Ceylon, escaped injury. Mrs. McCallum and daughter, Eugenia, were both injured, the former in the spine and the latter in the head and breast. Miss Pye, of Arnprior, returning home from a short visit with her aunt, Mrs. Dr. Carter, escaped with slight injuries. Mr. Brander, of Priceville is reported very seriously injured.

Notes on the wreck—Mr. Bunt's watch was thrown from his pocket and subsequently found in the coat pocket of Mr. J. M. Davis, of Euphrasia, who sat next to him.

Thos. Gilchrist after rescuing some of the injured secured a farm horse and drove 3 miles to Caledon to send the news home, afterwards going to Orangeville to have his bleeding wounds dressed.

Charley Bellamy for some time pinned in the wreck, bravely bore his squeeze and told his rescuers chopping him out to not work too hard.

Dave Madill, when found and approached by the Dr's. to set his broken leg laughed in his pain and told them to never mind him but attend to the suffering women first.

At the close of the prayer meetings in the Baptist church on Wednesday evening of last week a number of the Sabbath school workers met at the parsonage and presented Miss Josie Richardson on the eve of her departure for England, with an ebony toilet set and pretty brass bedroom clock as slight tokens of their appreciation of the valuable services

### THE COTTAGE.

It Should Be Without Sham Elegance and Elaboration.

There are cottages and cottages. Any modest, unpretentious house designed on strictly economical lines may be fitly called a cottage, and it is more satisfactory to regard one's own simple little abode as a well built, commodious cottage than as a small house of comparatively cheap construction and cramped dimensions. It is when given to the big swaggering seaside houses of the rich that the term "cottage" becomes a misnomer and an affectation. To the man of moderate means the very idea of building a cottage rather than a house carries with it a sense of making a home within his means free from vain striving for a sham elegance and elaboration. The cottage which apes the mansion is as absurd as the affected and exaggerated dignity of the pompous and undersized individual who seeks to create an impression out of all proportion to his real importance.

Since simplicity is one of the main attributes of a well designed cottage, its charm and effectiveness must depend upon the quiet excellence of its proportions and the harmonious and unobtrusive quality of its coloring in relation to its surroundings.—Robert C. Spencer in House Beautiful.
