across the river in Town is causing a great deal of talk since it was started. Many are predicting that it will not stand the test when the floods come in the spring; others that there will be a big jam when the freshets come, and will be carried away. Well we would not like to have that come to pass, but we would like to see people jam and fill our store up, and get the BARGAINS we are giving in New Dress Goods, Furs, Boots & Shoes, and Underwear etc. Come and see how we will manage to wait on you.

DOCTORS IN TURN FAILED BUT ZAM-BUK CURED.

Magistrate F. Rasmussen, writing from his residence, 211 Marquette St., Montreal, says: "I take genuine pleasure in informing you of the great good I have derived from Zam-Buk. For many years I was troubled with a serious eruption of the skin, which was both unsightly and painful. Not one, but several doctors in turn were consulted, but I was unable to get any permanent relief. Some time back I noticed a report from a Justice of the Peace who had been cured of a chronic skin disease by Zam-Buk, and I determined to give this balm a trial. After a thoroughly fair test, I can say I am delighted with it. While everything else I tried—salves, embrocations, washes, soaps and doctor's prescriptions failed absolutely to relieve my pain, three boxes of Zam-Buk have worked a complete cure. In my opinion this balm should be even more widely known than it is, and in the hope that my experience will lead other sufferers to try this herbal balm, I have no objection to my publishing this letter. Yours truly, (Signed) F. RASMUSSEN, Justice of the Peace.

Summer eczema, rashes, sunburn patches, children's heat sores or babies' chafing sores, cuts, burns, bruises, insect bites and stings and all skin injuries and diseases yield to Zam-Buk. All stores and medicine vendors sell at 50c a box, or post free from Zam-Buk Co., Toronto, for price.

WILLIAM A. ARMSTRONG.

Markdale Mourns the Loss of a Beloved Citizen.—A Large and Sympathetic Funeral.—All Business Suspended at Time of Funeral.

A heavy cloud of sorrow hung over Markdale last week. Intense anxiety was experienced owing to the numerous severe injuries received by citizens in the late railway disaster, but the tragic death which came to William A. Armstrong, of the firm of Armstrong Bros., lumber and veneer manufacturers, cast a pall of sadness over the entire community. Tuesday night the body arrived from the railway wreck to his late home on Mark street, and on Thursday p. m. after an appropriate service by the Rev. J. C. Wilson, acting as pastor of the Methodist Church, a very large procession headed by the Independent Foresters, of which deceased was a member, moved slowly toward the public cemetery. The chief mourners followed the hearse in carriages, while his Sunday School class marched to the right. Magnificent floral offerings covered the casket, from the Foresters, the Public School Board, the Methodist Choir and Sunday School, and from numerous relatives and friends. Business places were closed during the afternoon. On arrival at the beautiful family plot the casket was gently lowered to its last resting place, which was lined with evergreens, and at the conclusion of the reading of the burial service his brother Foresters passed around and dropped one by one a sprig of evergreen into the grave and sang "Nearer My God To Thee." This evergreen is symbolic of the immortality of the soul, and teaches us not to mourn for the dead as they who have no hope. The pall bearers were Messrs. I. B. Lucas, M. P. P. R. L. Stephens, J. C. Henry, W. J. Shortill, W. L. Young and C. W. Rutledge. Among those from a distance were: Mr. and Mrs. Fred Boardman, Montreal; Mrs. M. A. Wright, Moose Jaw; Miss Lina Wright, Calgary; Mr. and Mrs. S. A. Thompson, Midhurst; Dr. and Mrs. McBride and Messrs. Fred and Joseph Armstrong, Toronto; Mr. and Mrs. Walter Rorke, Heathcote; Messrs. Chas and Wm. Brown, Collingwood; Mr. Joseph Strain and Miss Strain, Proton; Mr. J. E. Crone, Shelburne; Mr. J. W. Whitney, Dundalk; Mrs. N. Campbell, Teeswater.

Deceased was born at Maple Hill Farm, the homestead here, May 12th 1866. Was married July 11, 1894, to Miss Maggie Wright, who died eight years later leaving three children: Harold, Muriel and Margaret. In June, 1904, he married Mrs. Brown, widow of the late W. A. Brown, who with her daughter, Miss Loleta, and the three children above mentioned together with his aged father, five brothers and four sisters deeply mourn the premature demise of a most affectionate husband and father as well as son and brother.

Mr. Armstrong was a superior mechanic and machine expert, and possessed judgment and executive qualities quite above the average. He had served most efficiently and acceptably for over six years on the public school board, being Chairman for two years in succession. His death is a severe loss to the Methodist Church in which he has long been a loyal and valued member and official, for twenty nine years a member of the choir and for several years its leader. His unassuming deportment and exemplary christian character was such as might be copied with profit by all. Meet him where you would, in business in church relations or the home circle, his daily life and example was a benediction.

A memorial service will be held in the Methodist church next Sunday evening when Rev. J. S. I. Wilson, the pastor, will be home from his holidays and will officiate.—Markdale Standard.

A HARD CASE OVERCOME.

No longer necessary to suffer from muscular rheumatism. Every case can be cured. Ferrozone is unfailing as proved by David Johnston of Ormond, Ont. "My wife was a dreadful sufferer" he writes. "For two years she could scarcely do any work. Her knuckles and joints swelled, causing torture. To get up or down stairs was impossible. She took box after box of Ferrozone and rubbed the sore places with Nerviline. Improvement started and she mended fast. To-day she is quite cured and we thank Ferrozone for her recovery." No remedy more popular with doctors than Ferrozone; it does cure, 50c per box at all dealers.

THE NEW REMEDY.

Take It Now that Vacation Days are Fast Approaching.

Thousands of men and women are anxiously looking forward to the vacation days that come in June, July and August—not so much for the pleasure or enjoyment as for the chance to getting rid of their ill health.

To thoroughly drive away troubles of the stomach most people think they have to make a business of it with dieting, exercise, and perhaps a vacation.

But Mi-o-na stomach tablets taken with regularity, in a very few days will drive away indigestion, dizzy spells, distress after eating, headaches, sleeplessness, and the many other symptoms of bad digestion and sluggishness of the digestive organs that keep people from enjoying themselves.

Day after day, at work behind desks or in the factory with poor sunlight and air, soon results in sluggishness of the entire physical and mental apparatus. The first slight symptoms of indigestion can be easily cured, but when they are allowed to increase without any help, then the stomach complaints become hard to shake off.

Strengthen the whole digestive system with Mi-o-na and you will soon find that both stomach and bowels do their work as they should.

We absolutely agree that your money will be refunded should you buy a 50 cent box of Mi-o-na stomach tablets and not be satisfied with the results. Mi-o-na is sold by druggists everywhere, or will be sent by mail on receipt of price, 50 cents. Booth's Mi-o-na Company, Buffalo, N. Y.

Their Views of the West.

Within the past week three of about the shrewdest men we know of, have returned from the west, after spending several weeks there. These men are Jas. Cameron, of Teeswater, J. B. Campbell, of Pinkerton and J. A. Johnston, of Midway. All three went out to that country to see what was to be seen, and they did not forget the object of their trip. In several respects all three agree in their report. They all agree that this is rather an off year for the west. In Alberta the crops are fair, not quite so good in Saskatchewan, and a comparative failure in Manitoba. The weather has been wet, cold and disagreeable. Money is scarce, and the building boom has slowed down considerably. Real estate is not moving very much, and promises to remain that way for some time. On the other hand, people are crowding in as usual, railway building is progressing favorably, and the people are hopeful. They all agree that it is bound to be a great country, and that once people give over this mania for speculation and get down to sober business, it is bound to go ahead.—Walkerton Telescope.

THE OWEN SOUND COLLEGIATE INSTITUTE

Re-opening
Tuesday, September 3rd, 1907

The Owen Sound Collegiate Institute will re-open for the Fall Term on Tuesday, Sept. 3rd, at 9 a.m., when pupils will be enrolled and classes organized for the General Course; the Commercial Course; for all grades of Teachers' Certificates; for Pass and Honor Matriculation, and for entrance into all the learned professions.

Staff and Equipment—The staff consists of twelve teachers, ALL SPECIALISTS and men of the highest professional standing. The equipment is thoroughly modern and among the best in Ontario.

Financial Training and Household Science—Rooms have been thoroughly equipped at a cost of over \$1200, and the students of the lower forms receive instruction in these important departments.

Commercial Course—To meet the demand for a better commercial education, the Board has thoroughly equipped a Commercial Department and instruction is given in the several subjects required for a good business education, including practice in Shorthand and Typewriting. The student who successfully completes this course is granted a diploma by the Collegiate Institute Board.

For the past seven years Owen Sound Collegiate Institute has prepared more teachers than any other school in the Province.

Terms—The fees are: For pupils from the Counties of Grey, Bruce, Wellington, Dufferin and Simcoe, Ten Dollars; from other counties, Twelve to Fifteen Dollars.

GILBERT PLAINS

Gilbert Plains, Sept. 9, 1907.
TO THE DURHAM CHRONICLE.

DEAR SIR,—Hoping I am not taking up too much space in your valuable paper, but as I have not noticed any Gilbert Plains items lately I thought it no harm in writing you, and thanking you very much for your promptness in sending the Chronicle which I, with many others, do enjoy very much. I may say, too, that I enjoyed a letter written by Mr. R. Cochrane, written about June, and as there are some items of interest in it I would appreciate a copy if you have one to spare. I send you a clipping from a Gilbert Plains paper so you can see and form an idea of the fun we have. I shall not say much about the crops this year, but I may say the wheat crop is the best we have ever seen here. It is about 3 weeks later than other years, but if this crop escapes frost we feel sure of a bumper. Will ring off for this time. With lasting regards from
THOS. CRITTENDEN.

The duck shooters were out in full force on the opening day, Monday, Sept. 2nd, although the day previous the lake front sounded like a miniature battle field from one end to the other. The roads were in no condition for travelling with heavy loads, but the sports didn't mind walking behind and pushing although it did take them four or five hours to reach their destination. The ducks are plentiful this year but hard to find after shooting them in the long reeds so say the hunters. Many are the tales told of the cartridges had been good how many they would of got; couldn't find them in long reeds, oh I hit him all right, but the dog wouldn't work, etc., etc. Following is the count of the bags of a few of the sports given in:

- Geo. Lawrence and L. Shaw, 24;
- Geo. Leach, Dr. Harrington, Albert Iredale, N. Beyette, W. C. Turner and J. G. Harvey, 128; W. Morison, W. T. Greensides, C. Padley, J. Mc Kenzie, T. Kneebone and H. Ulyott, 80; M. Perry, 25; D. Wishart, W. Wishart, A. Sutherland and W. Sutherland, 50; H. P. Nicholson, R. Argue and S. Code, 23; W. Hercher, D. Brown and H. Forrest, 20; C. Playford and R. Fisher, 62; C. Irwin, F. Cleaver, S. McLean and Allan Small, 50; J. A. Ball, P. Sparling, F. McPherson, W. King, J. King, B. McKinstry and E. McKinstry, 130; J. Duval, J. Cacharr, G. Richardson and A. Maynard, 39; J. Reid, C. F. Turner, J. McIntyre and D. McIntyre, 50; D. Westbrook, Wm. Adam, Tom Justice, J. Marr, R. Cruise and W. R. Snellgrove, 104; F. Tedder and F. Race, 25.

HAVE YOU CATARRH?

Breathe Hyomei and Relief and Cure Will Be Guaranteed.

If you have catarrh, with offensive breath, burning pains in the throat, difficulty in breathing, raising of mucous, discharge from the nose, tickling or dropping from the back of the throat, coughing spasms, etc., begin the use of Hy-o-mei at once.

Hy-o-mei is made from nature's soothing oils and balsams and contains the germ-killing properties of the pine woods. Its medication is taken in with the air you breathe, so that it reaches the most remote part of the respiratory organs, killing all catarrhal germs and soothing any irritation there may be in the mucous membrane.

We do not want anyone's money unless Hyomei gives relief and cure, and we absolutely agree that money will be refunded unless the remedy gives satisfaction.

All druggists should be able to supply you with Hyomei or we will send it by mail on receipt of price \$1.00, and every package is sold with the distinct understanding that it costs nothing unless it cures. Booth's Hyomei Company, Buffalo, N. Y.

DECEASED WIFE'S SISTER.

First Notice of Marriage Under the Recent Act.

London, Sept. 16.—In Aberdeen the first notice of marriage under the recently passed Deceased Wife's Sister Act has been given.

A widower gave notice the other day of his intention to marry his deceased wife's sister, but the register hesitated to put up the necessary notice, not being certain whether the act was yet the law of the land.

In order to satisfy himself on the point, he communicated with headquarters, and a reply has been received stating that the notice is in perfect order, the Act having come into operation forthwith.
