The Egremonters are great men on sheep, but the leaders in this line, if we are to be guided by the exhibition, are J. A. Swanston, W. Fairbairn and W. R. Bowman.

Everything passed off quietly. One little fool about the size of a pint of cider professed to be aching for a little scrap but it didn't come off. His mother should take a shingle to him when she get him home.

The entertainment at night had a packed hall, which in addition to payment of expenses should add a few dollars to the coffers of the society.

The competition in writing was keenly contested for by the township schools. As one of the Judges we may say that a number of specimens had no tickets attached and had to be ruled out; otherwise different awards might have been made.

The man with the octopus made a little money exhibiting his real devil fish. It was the first of the kind we ever saw.

The Editors from Mt. Forest and Durham were on hand as usual, but we never got a glimpse of the Holstein man. Perhaps he was busy taking in subscriptions to his great family journal.

Quinsy, Sprains and Swellings Cured.

In November, 1901, I caught cold and had the quinsy. My throat was swollen so I could hardly breathe. I applied Chamberlain's Pain Balm and it gave me relief in a short time. In two days I was all right," says Mrs. L. Cousins, Otterburn, Mich. Chamberlain's Pain Balm is a liniment and is especially valuable for sprains and swellings. For sale at Parker's Drug Store.

EASY TO MIX THIS.

What will appear very interesting to many people here is the article taken from a New York daily paper, giving a simple prescription, as formulated by a noted authority, who claims that he has found a positive remedy to cure almost any case of backache or kidney or bladder derangement, in the following simple prescription, if taken before the stage of Bright's disease:

Fluid Extract Dandelion, one half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in a bottle and take in teaspoonful doses after each meal and again at bedtime.

A well-known druggist here at home, when asked regarding this prescription, stated that the ingredients are all harmless, and can be obtained at a small cost from any good prescription pharmacy, or the mixture would be put up if asked to do so. He further stated that while this prescription is often prescribed in rheumatic afflictions with splendid results, he could see no reason why it would not be a splendid remedy for kidney and urinary troubles and backache, as it has a peculiar action upon the kidney structure, cleansing these most important organs and helping them to sift and filter from the blood the foul acids and waste matter which cause sickness and suffering. Those of our readers who suffer can make no mistake in giving it a trial.

Afflicted with Sore Eyes for 33 Years

I have been afflicted with sore eyes for thirty-three years. Thirteen years ago I became totally blind and was blind for six years. My eyes were badly inflamed. One of my neighbors insisted upon my trying Chamberlain's Salve and gave me half a box of it. To my surprise it healed my eyes and my sight came back to me.—P. C. EARLS, Cynthia, Ky. Chamberlain's Salve is for sale at Parker's Drug Store.
