Fresh Groceries always on Hand.

BUTTER AND EGGS WANTED

ROBERT BURNETT, DURHAM

Flesherton

Mr. W. J. Tablot, of the east back line, suffered a heavy loss on Wednesday afternoon of last week when his barn was destroyed by fire, which started in the straw mow by a spark from the engine of the threshing machine at work. The barn was a fine structure, on stone basement 40x60, with lean to 30x60, and contained of old grain nearly 200 bushels of wheat, over 100 bushels of oats, this season's entire crop of grain, twenty tons of hay, and the separator all of which, on account of the rapidity with which the flames spread, were destroyed. Three horses were rescued from the stables and some harness saved, but traps and over thirty fowl perished. Several implements were also destroyed. Mr. Tablot's loss is over \$3000; insurance \$1800. He has about fifty head of cattle with no fodder left to sustain them. The separator, owned by Mr. Andrew Beattie, was an up-to-date machine worth \$1200; no insurance. Mr. Beattie has purchased another new machine, which arrived here Monday and will be at work this week. Mr. Johnson Callen, we are informed has generously placed at Mr. Tablot's disposal his bush to take therefrom all the timber necessary for a new barn. A very neighborly act which, no doubt, Mr. Tablot will appreciate.

This village was visited by fire on Thursday afternoon last when Mrs. J. W. Armstrong's old homestead residence occupied by Mr. Noah Pevenick was destroyed. The fire is supposed to have started from the kitchen stove or pipes. Much of the furniture down stairs and a new piano received the day before was saved. Mr. Pevenick, who does an extensive peddling business, had two rooms in the rear well stocked with general merchandise, about \$1200 worth of new goods having been received a few days before. All were destroyed but we understand the loss on furniture and goods is fairly well covered by insurance. Mr. Pevenick's books containing about \$1200 worth of accounts were also destroyed, and by this he will likely meet with much loss. Mr. Pevenick has suffered twice before by fire. A year and half ago his home in Toronto was destroyed and his wife and one child lost their lives. Mr. Armstrong's loss on the building is about \$700; insured for \$400. The building, which was kept in good repair, is an old landmark in Flesherton, having been erected 34 years ago. Fortunately for the village the day of the fire was calm or it would have been difficult to save Mr. Heard's buildings, which were several times on fire.

On Monday morning there passed peacefully away at his home here Mr. J. P. Nicholson, a very highly respected old gentleman, who had reached the ripe age of 79 years and 11 months. Interment will take place in the public cemetery on Wednesday at 2 p. m. when service will be held in the Methodist church. The deceased was born in London, England, on November 7, 1828. In 1855 he came to Canada settling first in Toronto and subsequently at Toronto Gore, where for 16 years he carried on a carriage making business. In 1877 he came to Artemesia, and for 19 years farmed successfully on the 4th line, on the farm now occupied by his son. Eleven years ago he retired at Oakville, but a year ago he settled in a home purchased here.

In 1853 Mr. Nicholson was married on the Island of Jersey to Miss Margaret L. LeBerr, who died two years ago. To them were born three sons and seven daughters, the surviving members being Frederick, Mrs. Henry Holman and Mrs. Joseph Duncan in Artemesia; Louisa in Toronto; Mrs. Chas. Jordison in Hastings County; Victoria and Alice at home. Mr. Nicholson, who was a member of the Methodist church for at least 60 years, was an upright man and his influence for good was felt in whatever community he lived. He was a gifted, local preacher, commencing when quite young in the old country. He faithfully served the church there and here, frequently travelling far on foot and preaching three times on a Sabbath. He now rests from his labor, and his very highly esteemed family will long hold him in affectionate remembrance.

A movement is on foot now to have our band reorganized and made more thoroughly an institution belonging to the citizens. The band has done well under existing circumstances, but new material is needed and is at hand to make a full band if the sympathy and support which the institution is worthy of be extended by the citizens, who will be asked to take the matter up, and we have no doubt there will be a hearty response.

We received last week the announcement of the marriage on Sept. 26th at Carleton Place of Mrs. Mary Keefer Gjerdrum, formerly of this place, to Mr. J. Gilchrist, of Thedford Mines, Quebec, where Mr. and Mrs. Gilchrist will reside.

Your correspondent is greatly indebted to a few very kind friends who have placed him in phone connection with the Presbyterian church. For a number of years in our affliction we have greatly enjoyed by phone the services in the Methodist church, and to this has been added the pleasure of the service in the sister church. Dr. Murray installed the phone in Chalmers' church last week and on Sunday we listened with deep interest to the new pastor, Rev. G. C. Little. Though unable to preach, we were pleased to again hear Rev. Dr. Caldwell's voice in his own pulpit, which was again ably supplied by Rev. G. W. Hewitt, of Orangeville.

My Hair Ran Away

Don't have a falling out with your hair. It might leave you! Then what? That would mean thin, scraggly, uneven, rough hair. Keep your hair at home! Fasten it tightly to your scalp! You can easily do it with Ayer's Hair Vigor. It is something more than a simple hair dressing. It is a hair medicine, a hair tonic, a hair food.

The best kind of a testimonial—
