THE Presbyterian Anniversary services were held on Sunday last when very able sermons were preached by Rev. Glassford, of Guelph. On Monday evening he delivered an interesting and instructive lecture on the "Home Land of the Bible" illustrated with over one hundred lime light views.

LAST week we had a call from the local representative of the Soranton International Correspondence Schools, and just as he was leaving in stepped the representative of "The Cranston Novelty Co." That wasn't anything remarkable, but "Soranton" and "Cranston" have a similarity of sound and, further each word contains exactly the same letters. This is the part that struck us as peculiar.

HARD luck stories are in circulation. One report tells of a man who walked all the way from North Bay to Toronto about two hundred miles in search of work, but found none. Another tells of five moulders who spent a night in London Police Station, and stated that Canada was to be invaded by an army of unemployed from the United States. This looks bad, but shows that Canada is considered better off than our neighboring Republic.

THE Women's Institute held a very successful meeting at the home of Mrs. Hamilton, at the Lake. The topic was "Common ailments and their remedies." Papers were given on this subject by Mrs. McCrie, Mrs. McAnulty and an address by Mrs. Lee. Mrs. W. gave us a demonstration on "Winter Clothing for Children," which was very good. Mrs. McGirr a paper on "How to treat our Teachers." Discussions were good. Mrs. Lee is our delegate to Guelph. Thirty ladies present.

THE Council met Monday night and received the Local Option petition, after which a By-law was put through its first and second readings. A discussion took place regarding the Fire By-law which insists on the erection of a specified class of buildings in the different areas into which the fire limit is divided. A resolution was adopted to enforce compliance on the part of some who have violated the spirit of the By-law. The Mayor addressed moderation on both sides in regard to the Local Option movement, heated discussion would engender feelings that would be detrimental to the town.

A SONG service will be held in the Baptist Church on Sunday evening next.

CHURCH OPENING.

On Sunday Nov. 17th St. Paul's Church Egremont was dedicated to the worship of Almighty God by the Rt. Reverend, the Lord Bishop of Huron.

For over forty years divine service has been held in what is known as Allan's School, which has been at all times at the disposal of any denomination, but for some time the church of England has been the only denomination to hold services there. Some twenty years ago, during the incumbency of the Rev. Dr. Farthing, now Dean of Ontario Diocese an attempt was made to erect a church in that district but was abandoned and since that time nothing whatever was done until Easter of 1906 when the subject was revived and action taken, and thus the remainder of the years 1906 and 1907 up to the present time the enthusiasm has never abated and today as the result of the earnest zeal of the Rector, the members of the congregation, of friends, of other denominations, a beautiful and commodious edifice has been erected to the honor and glory of God.

The day selected by His Lordship, the Bishop was all that could be desired. The weather was so favorable and the roads were in such delightful condition that the church was filled to its utmost capacity, even before the hour of service had arrived.

At morning prayer the Rector with the church Wardens and Building Committee met His Lordship at the door and presented him with the following petition to dedicate the church:

TO THE RIGHT REVEREND.

THE LORD BISHOP OF HURON:—We the members and adherents of the Church of England having acquired piece of land situated on the 3rd. Con. of the Township of Egremont, more particularly described in the deed conveying the same to the synod and having erected thereupon an edifice for the worship of Almighty God, do now

petition your Lordship to dedicate the said edifice to the worship of Almighty God according to the rites and discipline of the Church of England in Canada.

Signed on behalf of the congregation,

A. A. BICE, Rector.
WM. DAVIS, JOHN QUEEN,
Church Wardens.
WM. McFADDEN, WM. DAVIS, JAMES EDEN,
Building Committee.
ROBT. MATTHEWS
Sec.-Treas.

His Lordship having acceded to the request began the Dedication Service.

The Rector with the Wardens in procession preceded the Bishop to the Chancel steps repeating alternately Ps. cxxii after which his Lordship read the Dedication Prayers and delivered a short address to the congregation.

The regular morning service at the end of the second canticle began with Hymn 490 "All People that on Earth do Dwell," followed by the Communion Service and Hymn 542 "Blessed city, Heavenly Salem."

His Lordship took for his text Gen. xxviii: 17, from which he preached a most instructive and inspiring sermon.

During the offertory Trinity Church Choir, of Durham, sang very acceptably the anthem "I Will Extol Thee."

At the evening service many were unable to gain even standing room and were compelled to return home.

The Bishop chose for his text 1. Cor. 3: 12 and again preached a most able sermon with which all present were delighted.

The Choir during the offertory rendered the anthem, "Praise Ye the Lord." Much praise is due to the members of the Choir for the able manner with which they carried out the musical part of the service.

On the following evening, Monday Nov. 18th the Rev. R. S. W. Howard, M. A. Rector of Christ's Church, London, delivered his illustrated lecture on Bunyan's Pilgrims' Progress. Mr. Howard is a lecturer of rare ability in his clear and earnest way so told the story of Pilgrim that few if any of the crowded audience could help feeling much impressed by his words.

During the evening the ladies of the congregation together with friends of other denominations served a sumptuous tea in the basement of the church.

The offerings which were very liberal considering the year and the strain which has been upon the people in erecting the church, will be used to defray expenses in connection with the building of the edifice.

The church, which is built of white brick is situated on the highest piece of land on the 2nd Con. of Egremont and can be seen for several miles in every direction. It is 28 ft. by 60 ft. from outside to outside, has a basement 9ft. high and is built after the gothic style. The ornamental windows, which are very beautiful, were purchased from the Hobb's Manufacturing Co., of London, and the seats, which cannot be surpassed for material and finish, for the money, are the work of Mr. W. Smith, of Desboro. Sheds have also been built and when all accounts are settled both church and sheds will be practically free of debt.

CHEEKY ISN'T IT?

We have before us a copy, of Rod and Gun, a monthly magazine, published in Woodstock. It looks all right and the publishers recommend it as A. 1. You can get it for a dollar a year if you want it. They don't ask us to send any money for it. With the magazine which they send, with their compliments, they send also a notice containing twenty-three lines, which they ask us to publish, and also promise to put us on their "complimentary list" if we publish a short notice every month. A short notice from these fellows means anything from twenty to fifty or perhaps a hundred lines, say they average twenty lines, for twelve months—240 lines in all. 240 lines at 5c amounts to \$12.00. In return for this small favor we get a \$1.00 magazine, and we'll have to imagine that it's worth eleven dollars to be on the "complimentary list" of the publishers. No thanks, when we get sporty enough to need Rod and Gun we'll order it at a dollar a year, and leave the advertising dicker to those who have more time and space to fool away than we have. It will be interesting to watch the papers that bite.
