Many are predicting that it will not stand the test when the floods come in the spring; others that there will be a big jam when the freshet comes, and will be carried away. Well we would not like to have that come to pass, but we would like to see people jam and fill our store up, and get the

C. L. GRANT Durham, Ont.

Sad results of the American financial crisis are reported. It is said that several multi-millionaires have been reduced to the ranks of mere millionaires, and that they are being cut by their former equals, who refuse to have anything to do with paupers.

Darkies' Corners.

Mrs. Wm. Barclay, of Markdale, spent a couple of days last week the guest of Mr. and Mrs. Geo. Ryan, Jr.

Mr. Wm. Andrews had the misfortune of having a colt get its leg broken. He let two colts out together, one a two-year-old and the other one-year-old. The former kicked the latter and broke one of its legs. With the aid of Mr. Sam Ritchie they bandaged the broken limb and are awaiting developments.

We wish to extend our sympathy with that of the community to Mrs. D. Greenwood and family, of Edge Hill, in their bereavement.

A large number of Durhamites were out on Sunday last viewing the new C. P. R. track, which is laid a short distance past Ritchie's school.

Sad and unexpected was the news flashed over the wire on Saturday morning last from North Bay, Ont., announcing to Mr. and Mrs. John Staples that their second oldest son, William, who, being in poor health and thinking that a change of climate might bring him a return of good health, left for the great Northwest, Invermay, a couple of months ago with his brother M. J. and a cousin, Fred Whitmore, had departed this life at the above named place while on his way home accompanied by his brother Mathew, who was apparently the only member of his family by his side at the time of his death.

This is the second boy which has been taken from the grief-stricken parents by the hand of death in the course of about six months. The sincere and heartfelt sympathy of the whole community goes out to the sorrowing ones in this their sad bereavement.

Miss Jennie Staples arrived home on Saturday from Toronto after learning of her brother's death near North Bay last Friday.

A collision of two buggies occurred near the N. P. C. Co.'s switch track last Saturday night, the shafts of both buggies being broken. Nobody was seriously hurt.

Mr. Eddie Vickers, of Mt. Forest Business College, visited his parents recently.

Mr. and Mrs. Robt. Burnett, of Durham, Sunday in the vicinity.

Mrs. Earnest Roseborough, of Owen Sound, spent the past few days with her mother Mrs. Wm. Falkingham.

Miss Ellen McFarland, of Crawford, visited her sister Miss Annie, a couple of days last week.

Mr. Willie Vickers, who has been working in Cheeley, for the past couple of months is home for a few days.

Miss McFadden, of Durham, was the guest of her sister Mrs. John Bailey.

Miss Berta Cuff spent Sunday before last with Allan Park friends.

Rheumatism

Eats Up Strength Racks the Joints Prevents Sleep.

UNCHECKED.—It Finally Strikes the Heart and Kills its Victim.

It originates in the blood and develops most quickly in the system of persons who are run down and lacking in vitality.

The only specific of ALL forms of Rheumatism is Ferrozone, which is perfect solvent for uric acid and a splendid stimulant for the kidneys and liver.

No remedy is so successful as Ferrozone. It has never failed to cure, because it attacks the cause of the disease in the blood. It neutralizes the uric acid poisons, quickens the sluggish circulation, and relieves the system of all irritating matter.

Every distressing symptom is cured, swollen muscles and aching joints are relieved, their pain. The disease will not return if once cured by Ferrozone, which does its work thoroughly. Its cures are lasting.

Unlike other treatments, Ferrozone does not depress the heart or deaden the nerves. It rebuilds the system, promotes better health, establishes good appetite, sound sleep and freedom from weakening pains and aches.

The perfection of all rheumatic remedies is found in Ferrozone. It is in tablet form easy to take, convenient to carry, guaranteed to cure, and costs only 50c. per box, or six boxes for \$2.50 at all druggists; don't fail to test Ferrozone.

Died on his Wedding Day.

Wingham, Nov. 23.—Nicholas Clegg, one of Listowel's popular young men, was to have been married on November 13. A few days before he was taken with cramps, and was soon too weak for an operation and died on the very day that he was to have been married to a Listowel young lady.

"A Kingly Gift"

EARL GREY'S APPEAL On behalf of Needy Consumptives Strong words of Canada's Governor-General

At the official opening of the King Edward Sanatorium for Consumptives, near Toronto, His Excellency delivered an address that must have an important bearing on the future of the sanatorium movement in Canada. We quote:—

"The proceedings this afternoon commenced with a beautiful and reverent prayer from your old friend, Dr. Potts. He prayed that the light of the Lord might shine upon us. That prayer is abundantly answered. He also prayed that the White Plague might be removed. Well, whether that prayer will be answered or not depends upon yourselves."

"Is it not a standing shame and reproach to the governments and individuals that there is not more care taken by the people of Canada to protect themselves against the curse of consumption?"

On his way out to the King Edward Sanatorium,—so named by permission of His Majesty King Edward VII—the Governor-General's car was stopped in its progress outside the Canada Cycle & Motor Co. by a large crowd of its employees. A contribution of one hundred dollars was handed the Governor-General, a donation to the Toronto Free Hospital for Consumptives.

FREE HOSPITAL FOR CONSUMPTIVES NEAR CRAVENHURST ONTARIO

"'Twas a kingly gift" said His Excellency in making acknowledgment. "I will tell the King."

Addressing the large audience that attended these opening exercises, referring to this event, Earl Grey said:

"Ladies and gentlemen, when the workingmen of Canada are setting an example of this character, I hope you will not be slow to follow, and I trust that the example of the Canada Cycle & Motor Co. may be followed, as I am sure it will, in every factory and manufacturing industry throughout the land."

We carry these words to the people of Canada in our appeal to-day on behalf of the

Muskoka Free Hospital for Consumptives

An institution that has never refused a single applicant admission, because of his or her inability to pay.

Seventy-five patients can be cared for to-day. Accommodation could be provided for three hundred if the required money were forthcoming.

To make this possible, our appeal is for \$50,000, to be used in extension of buildings and maintenance of patients.

Where will your money do more good? Every community and every individual is interested.

His Excellency Earl Grey has shown his interest and sympathy in the work at Muskoka for needy consumptives, by accepting the position of Honorary President of the National Sanitarium Association.

Contributions may be sent to Sir Wm. R. Meredith, Kt., Chief Justice, Osgoode Hall, Toronto; W. J. Gage, Esq., 84 Spadina Ave., or J. S. Robertson, Sec'y-Treas., National Sanitarium Association, 347 King Street West, Toronto, Canada.

A Methodist Minister Recommends Chamberlain's Cough Remedy.

We have used Chamberlain's Cough Remedy in our home for seven years, and it has always proved to be a reliable remedy. We have found that it would do more than the manufacturers claim for it. It is especially good for croup and whooping cough. REV. JAMES A. LEWIS, Pastor Milaca, Minn., M. E. Church. Chamberlain's Cough Remedy is sold at Parker's Drug Store.
