Regularity

of the bowels is an absolute neces-
sity for good health. Unless the
waste matter from the food which
collects there is got rid of at least
once a day, it decays and poisons the
whole body, causing biliousness, indig-
estion and sick headaches. Salts
and other harsh mineral purgatives
irritate the delicate lining of the
bowels. Dr. Morse's Indian Root
Pills—entirely vegetable—regulate
the bowels effectively without weak-
ening, sickening or griping. Use

Indian Root Pills**

Rev. Dr. and Mrs. Porter of
Stella, Ont., were given a purse
of gold on celebrating their gold-
en wedding.

The industrial commission re-
cently appointed by President
Wilson will try to find out how
many unemployed there are in
the United States.

Durham Continuation School

The school is thoroughly equipped in
teaching ability, in chemical and elec-
trical supplies and fittings, etc., for full
Junior Leaving and Matriculation
work.

THOS. ALLAN, Principal and Pro-
vincial Model School Teacher 1st
Class Certificate.

Intending Students should enter at the
beginning of the term if possible.
Board can be obtained at reasonable
rates. Durham is a healthy and at-
tractive town, making it a most desir-
able place for residence.

The record of the School in past years
is a flattering one. The trustees are
progressive educationally and spare no
pains to see that teachers and pupils
have every advantage for the pro-
per presentation and acquisition of
knowledge.
