BUNESSAN.

Mr. John Beach, who has been spending the winter with Mr. Jack McArthur, left for the west last week.

Alex. and Charlie McFarlane spent a week ago Sunday with relatives in Egremont.

Mrs. Thos. White left for her home in Toronto recently, after nursing her father, Mr. John McArthur, who has been sick for the past month of so. We are glad to know he has sufficiently recovered to enable him to accompany his daughter back to Toronto, where we hope he may recover his usual health again.

Mr. Malcolm McMillan was confined to his home for a few days last week with a swollen jaw, caused by an ulcerated tooth.

Mr. and Mrs. Lane of Egremont visited at Mr. D. McFarlane's last Sunday.

Miss Susie Kennedy spent the past two weeks with her sister, Mrs. N. A. McQueen, Boothville.

Quite a number of young men in our neighborhood have a fancy for nice driving horses. T. H. Binnie purchased a standard bred mare from a gentleman in Owen Sound recently. We understand it has a mark of 220, so watch T. H.'s smoke, girls.

Henry Beaton bought a nice one from Mr. Daly in Egremont, and Henry says it just suits him for long drives.

Angus McArthur broke in one this winter which will make a serviceable animal yet. Lawrence McKeown drives a young Prince Erie, and say, can't it go? Lawrence says it's good on the side-roads where the snow is deep.

Howard McArthur drives a dandy, too, and makes some flying trips westward. Alex. McFarlane sports a high-stepper, and sometimes two, which any young man might well be proud of. George Stewart hasn't got one yet, but he says one of the fast kind would suit him all right.

KNOX CORNERS.

Mr. Alex. Smith, Sr., is seriously sick at his son Alex's home. G. L. Sharp and Elmer Fee are also on the sick list this week.

W. C. Caldwell went to Toronto Saturday morning.

Miss Lizzie Allan of Varney spent Sunday with the Caldwell family before returning to the city this Thursday.

Mrs. W. Carson had a quilting bee last week, to which the neighboring ladies heartily responded. We can vouch for the ladies a fine time was spent.

A number of the farmers got next winter's supply of wood sawed last week. Sharp and Young from Hampden did the job with their gasoline engine and buzz-saw.

Messrs. Stewart McNally and W. R. Wallace from Eborale spent Sunday at the latter's home here.

Mr. and Mrs. Will Grant of the gravel road spent Sunday with Mr. and Mrs. John Morice.

Mr. Wm. Ramage from Dromore comes to Knox every Friday night to give singing lessons to the choir. He is very regular, and makes a good leader.
