**VALUE OF RHEUMA FROM THE COURT.**

Judge Barhorst was Relieved of Rheumatism After Doctors Failed.

If you have tried many other remedies and doctors' treatments for Rheumatism and found they failed, do not be skeptical about trying RHEUMA. Read the testimony of Judge John Barhorst of Fort Loramie, O.

"After treatment by three doctors without result, I have been cured of a very bad case of Rheumatism by using two bottles of RHEUMA. It is now two years since I used the remedy, and I am still as well as ever. Previously, I was a cripple, walking with crutches."

Such testimony should be convincing. 50 cents of Macfarlane & Co., guaranteed.

**NEURALGIA**

"NEARLY DROVE ME WILD UNTIL I TOOK KEPHALDOL"

Mr. Thomas Cooper, Ludley, Sussex, England, was almost frantic with Neuralgia, when he first took a KEPHALDOL Tablet.

"I am nearly 74 years of age and have suffered with Neuralgia nearly all my life. A friend told me about KEPHALDOL and I had my people get me a 2s package. I took two tablets as soon as I got them and quickly received relief. It was joy."

So great became the fame of KEPHALDOL Tablets abroad that their reputation spread to this country. The demand for KEPHALDOL grew so rapidly that arrangements were made to establish a Canadian office and supply all the druggists. These wonderful tablets, the prescription of Vienna's famous nerve specialist, Herr Dr. Stohr, have brought welcome relief to hundreds suffering from Neuralgia and Headaches, the ravages of La Grippe, Rheumatism, Sciatica and Lumbago, Pain in the Back, and in fact any pain. If you cannot get the 50c tubes at your druggist's, write Kephaldol Limited, 31 Latour St., Montreal.

**WELL THAT'S A GOOD JOB!**

and it will last, too

The way to estimate the cost of keeping your house properly painted is to divide the cost of paint and labor by the number of years the paint will last.

**Brandram-Henderson's "English" Paint**

is the paint of longest service - the 100 per cent pure paint - because it contains 70 per cent Brandram's B. B. Genuine White Lead and 30 per cent White Zinc, ground in pure linseed oil, turpentine and dryer for all paints that can be made on a white base. Figure its cost, not merely by the space a gallon will cover but by what it will keep covered. To the painter the formula of B-H "English" gives a feeling of confidence from the start.

**A Washington Farmer's Good Roads Endorsement**

MR. FRANK TERRACE, ADDRESSING THE Good Roads Convention at Tacoma, Washington, gave the following enthusiastic testimony in favor of good roads:

"I am a cabbage grower. I haul my produce to the sauerkraut factory at South Seattle. Before the road over which I travel was built, I had to get up at 4 o'clock in the morning to start on my journey. The limit of the load I could haul with a team of 1800 pound horses was 2500 pounds, and after visiting the factory I would arrive back at my home late in the evening. But look at the difference now that a permanent hard surface has been laid down. I start on my trip about 8 o'clock and need only a team weighing 1400 pounds to haul a load of 5000 pounds of cabbage, which is double my previous capacity. And, best of all, I find on my return to the house early in the afternoon, that I have finished the day's work without the horses having turned a hair."

**Concrete Roads Mean Road Economy**

They prevent your road taxes being spent in patching up roads that never will be good roads. They are the cheapest kind of roads at the end of ten, fifteen or twenty years because they practically eliminate the cost of upkeep. They enable you to haul bigger loads with less effort and less wear and tear on horses and vehicles. They increase land values, better conditions generally, and decrease the cost of living.

Write for, free, Good Roads literature, and learn how good roads will benefit you.
