### NO MORE PAIN

"KEPHALDOL" CAN NOW BE HAD AT YOUR DRUGGIST'S.

Herr Doctor Stohr, the famous Austrian nerve specialist, first used KEPHALDOL prescription in his private practice and hospital work in Vienna. Other noted physicians and surgeons adopted this formula in treating severe cases of Rheumatism, Sciatica and Lumbago, La Grippe and Colds, Neuralgia and Headaches. The wonderful properties of KEPHALDOL became known in England, where a company was formed to prepare KEPHALDOL TABLETS and supply them to the public at a nominal price.

Canadians, visiting the Old Country, heard of KEPHALDOL—tried them—and brought them back to Canada. So great became the demand for KEPHALDOL here that a Canadian office was established to distribute these tablets on this side of the ocean.

So what one famous physician did in Austria, has resulted in thousands and thousands of sufferers being cured of pain.

KEPHALDOL is absolutely safe, having no ill-effects on the heart or other vital organs.

If your druggist should not have KEPHALDOL, a 50c tube of tablets may be obtained by remitting the price to Kephaldol Limited, 31 Latour Street, Montreal.

### CORNER CONCERNS.

Mrs. Thos. Grasby of St. Marys, came up to attend her grandmother's funeral, and is spending a few days with her parents, Mr. and Mrs. Pete Black. The annual Vestry Meeting of St. Paul's church, also the reorganizing of the Sunday school, will be held on Wednesday evening, April 15. Owing to Sunday funerals, the announcement, as required by church rules, could not be made. Your Pricerville man says when the Gaelic sermons commence at the first of the month there will be no swearing in them. We trust not in that Scottish place. Yet we think it was the Rev. Dr. McLeod who said that in one of his parishes he was so annoyed with simple questions about everything and anything that he was sometimes glad to use his Gaelic in answering in a mild form, or at least as much as to say, "Oh, how the devil do I know?"

Although the weather is wintry, yet people seem to be satisfied, and say it is better now than later on.

Mr. Alex. Allan was so unfortunate as to lose his brood mare last week through indigestion. The loss, at this season of the year, is much felt.

The death on Friday of Mrs. Ann Chapman removes another of the old pioneers, to whom so much respect is due. She was 81 years old, a native of County Monaghan, Ireland, but has spent 66 years of her life in Canada. When a girl of 15 she emigrated with her parents direct to the township of Normanby, and on reaching maturity, married the man of her choice, William Chapman, and came over to reside in Egremont, lot 17, concession 2, where she has been a constant resident ever since. Her husband predeceased her 26 years ago. The union resulted in four children, Wm., in British Columbia, Elizabeth, Mrs. Peter Black, Maggie, Mrs. James Eden, and Ann Jane, Mrs. S. T. Orchard, who died a few years ago. She was a faithful and devoted member of the Anglican church, and her pastor, Rev. Mr. Hartley, conducted the services on Sunday, in the home and at the graveside, where the remains were laid to rest. There were a large number present at the funeral, to pay a last tribute of respect to an esteemed old friend and neighbor.

### WHEN YOU'RE SICK YOU'RE WAGES STOP.

You know what that means—misery—worry—big bills—debt!

You know you can't afford to get sick. Keeping in good health means food and clothing for you and your family. It is up to you to take care of yourself. It is up to you whenever you don't feel right, to take something to make you right, to strengthen you, build you up, ward off worse sickness—protect you and your family. That thing we have in Rexall Olive Oil Emulsion. In offering it to you, we protect you against money-risk, by personally promising you that, if it does not restore your health, we will give back your money without word or question. We believe it is the best builder of health, energy and strength you can get. It is helping many of your neighbors. If it don't help you, we will give back your money.

Rexall Olive Oil Emulsion is composed principally of pure Olive Oil and Hypophosphites. Each has long been endorsed by successful physicians. Here they are for the first time combined. The result is a remarkable nerve, blood and strength-building remedy that is both food and medicine. For all who are nervous, run-down and debilitated—no matter what the cause, for old people; for convalescents; for puny children, we know of nothing that will give health and strength as quickly as Rexall Olive Oil Emulsion. It is a real builder of good blood, strong muscles, good digestion. Pleasant to take, it contains no alcohol or habit-forming drugs. If you don't feel well, economize both money and strength by beginning to-day to take Rexall Olive Oil Emulsion. Sold only at the Rexall Stores, and in this town only by us. \$1.00. Macfarlane & Co. ### A GOOD OPPORTUNITY.

The Chronicle has just concluded an arrangement with The Toronto News under which it is able to offer to its subscribers an excellent photogravure recently produced, of the Dominion Cabinet at Ottawa. This photogravure is 17 1/2" x 22 1/2", and carries not only, of course, the pictures of the several members, but also their names and the departments over which they preside. We have one of these pictures in our office and shall be glad to show it to any of our subscribers who are interested.

Upon subscribing to The Chronicle and The Toronto News for 12 months at \$2.50, a copy of this fine picture will be mailed to you, tubed and postage prepaid. This is a great opportunity to procure a picture absolutely free and we would advise our subscribers to take advantage of the offer immediately.

### Build Concrete Barns and Barnyards

YOU will find that they are best at first and cheapest in the end.

Concrete buildings cannot burn and many dollars are saved in lower insurance rates. They need practically no repairs and never need painting.

Concrete barnyards make the best kind of a feeding-floor and save many dollars in feed bills, as your stock gets every particle that you feed to them.

Send for this free book "What the Farmer Can do With Concrete." It shows just how to build your own concrete barn, feeding-floor or any other building that you may need.
