**FLESHERTON.**  
Dominion Day was again successfully celebrated here. Threatening weather and a shower in the forenoon doubtless kept some away, but withal there was a big crowd and a good program carried out. In the forenoon the aquatic sports consisted of a tub race, in which Harry Frost was first and Frank Thurston 2nd. Swimming race, A. Ball, H. Crawford; catching the goose, A. Ball; walking the greased pole had many competitors, who plunged frequently into the water, and none succeeded in carrying off the pennant. At the sports in the afternoon, in the 240 pace or trot, J. Acton's Comet won 1st. J. H. Hunter's Sydney H. 2nd and J. Minorzan's Darkey D. 3rd. Named race, Roy Hunter 1st, Maud Wilks 2nd, Wanda 3rd. Baseball, Markdale vs Dundalk, won by the former; football, Flesherton vs Faversham, won by Flesherton; 100yd. race, W. Whittaker, M. Wilson; tug-of-war, East vs West, Toronto and Sydenham Road, won by West. The concert in the evening was well attended and a good program rendered by the Owen Sound company of entertainers. The receipts in the afternoon were \$251 and in the evening \$105. Flesherton Band supplied pleasing music throughout the day.

The Edge Hill U. S. S. held their annual picnic on Thursday last. In spite of the unsettled state of the weather a large crowd gathered and report a most enjoyable time. An impromptu game of baseball in the afternoon showed clearly the point of efficiency to which our boys had reached. After a hot contest the score was shown to be 1-4. Races followed, which were much enjoyed by old and young. After supper, games of all kinds were indulged in. When the crowd separated all were well satisfied with their afternoon.

**BLYTH'S CORNERS**  
The beautiful rain of Sunday last and the following Monday has told immensely on the hay prospects and also the spring crops. The prediction we made some time ago as to the prospects of a bountiful harvest are exceedingly bright.

Mr. Piercy Corrish raised his fine implement shed last Tuesday afternoon, the size being 60x24 feet, and it was all boarded and the sheeting on by six o'clock. Pete has set the pace for future shed raisings in economizing time. Mr. Jos. Home of Ayrton was the framer, and a good one he is, too.

Friday evening next, July 10th, will be the regular monthly meeting of the Varney Grange. A full attendance is urged and requested.

Mr. Wm. Ramage, the popular organist and choir leader of Amos church, drove over to Knox church on Sunday last with our popular pastor, Rev. B. M. Smith, and took a very helpful and appreciative part in the leading of the choir. We will esteem it a great favor if his visits become more frequent.

We cannot endorse, Mr. Editor, your contention that the late Provincial election was in the least conducive to the best interests of the temperance cause. Willing as we are to admit that the Whitney government has done much along this line, still the issue before the electors and particularly the temperance voters was a long stride further than Whitney dared to do for the cause. To come out therefor hat in hand and vote it down, giving party the preference ahead of a moral issue was, we contend, inconsistency on the part of the temperance people in its finished form and is almost certain to put a damper on the zeal and spirit of the temperance cause for some time to come.

(Intended for last week.)

Miss Mary E. Blyth, teacher, is home from her duties in Wroxeter, to spend her summer vacation. Miss Ida is also home from her duties near Ayrton.

Our school closed on Friday last for the summer holidays, and it is up to our trustees to again go through the Dr. Pye number of advertising for another teacher.

The opinion we expressed regarding the ability of our newly-called minister, Rev. B. M. Smith, judging by the two sermons he has delivered, last Sabbath and a week ago, is being fulfilled to the letter and spirit.

Knox church will hold their anniversary services on Sunday, July 12th, and on the following Monday evening, the 13th, an up-to-date entertainment, with refreshments served.

The result of our polling division was somewhat of a surprise to us, the Doctor taking the lead by 29 of a majority, but he lacked the three fifths at the same.

The annual Grange picnic held in Mr. Wm. Carson's grove on Wednesday last was a fair success, but considerably lacking from what it was intended to have been, due for the most part to the gloomy appearance of the weather in the forenoon. By noon, however, the weather brightened up beautifully, and with the exception of a very high wind was all that could be desired. Mr. J. J. Morrison was on hand and gave a very interesting talk along the lines of what is being accomplished by co-operation, and one result was that farmers this year were able to get good clover seed for \$10 per bushel, whereas two years ago they paid \$16 for the same grade. A Mr. Gray, from the West, was also present and also gave a good talk on what is being done through organization in the West. Rev. B. M. Smith was also called on and made a few interesting remarks in the short time allowed him.

**GLORIOUS HAIR.**  
Girls and women of all ages want to be beautiful and attractive, but unsightly, thin and lifeless hair destroys half the beauty of a pretty face.

If your hair is losing its natural color, is falling out, dull, streaky, full of dandruff, too dry, or if the scalp itches and burns do not be alarmed, use Parisian Sage. Rub it well into the scalp. It will go right to the hair roots, nourish them, and stimulate the hair to grow long and beautiful. It removes dandruff with one application, stops itching scalp, falling hair and makes the head feel fine.

Parisian Sage supplies the hair with what is needed to make it soft, fluffy, thick and gloriously radiant. It is sold in fifty-cent bottles by Macfarlane & Co. and at all drug counters. Look for the trade mark—"The Girl with the Auburn Hair." Accept no other.

**TRAVERSTON.**

Blair and baby boy, Miss Myrtle Hunt and her brother Wilfrid, Miss Ina Carley and her little sister on a trip to Hamilton, and on Friday took a spin across the Niagara Peninsula to the Falls, crossing over to the American side and viewed the decorations for the fourth in Lewiston and Fort Erie, and landed them all safely back on Saturday evening.

Miss Myrtle Hunt and Mr. Wilfrid leave this Tuesday for the parental home at McGee, Sask. Their many friends hereabout regret to see them leave, but unite in wishing them a safe journey and a prosperous sojourn.

The heavy frost of June 19 did more damage than most farmers were aware of. Many a promising field of fall wheat is turning out worthless, except for feed.

Mrs. Ed Embury of Toronto arrived on Saturday at the home of her brother, W. J. Cook, for a holiday outing.

**The Price of Success**

Big business is not an accident—it is a result. It is the fruit of purpose, energy, persistency and ADVERTISING.

You know the story of Rip Van Winkle—the man who went to sleep for 20 years and who, when he awoke, expected to find the world the same as it was when he entered slumberland.

There are men today very much like Rip Van Winkle—their point of view and their practices are those of a generation past. They do not believe in advertising.

To succeed in these modern days one must be in accord with the spirit of today. For a merchant this means that he must advertise, if he would prosper.

**A WORD TO THE PUBLIC**

Where are you served best and most pleasingly? The answer is almost sure to be—"Where we are invited and made welcome. At those shops which prize our custom enough to seek it, and who ask for it every week through the medium of advertisements in the DURHAM CHRONICLE.

**Shop Where You are Invited to Shop**
