### Success of the Standard Cream Separator

Mr. F. D. Vickers, manager of the Renfrew Machinery Company, Limited, was in town last week. We are glad to hear that business is good in his line. Last year this company opened a branch office in the United States, located at Milwaukee, Wis., and are successfully competing with machines manufactured by our friends to the south. They also have matters under way to open a branch in South by contestant and a careful estimate Separators, Gasoline Engines and made of the kind and amount of feed chemically and will pick up all Handy Truck Scales are now well and favorably known throughout the Dominion. They are being sold from Prince Edward to Vancouver, and the time of entering the competition and demand is constantly growing. The records of skimming done by the Standard Cream Separator at the Government Dairy Schools in Guelch, Kingston and Ottawa are such as to warrant the use of this machine by our shrewd and careful farmers. Glad the to see this Canadian industry meeting with such success. Ed. Hopkins of Allan Park is the local agent; C. M. Agent of Dominion Lands (not Orr, Durham, district representative.
