#### AN IMPERIAL ANTHEM

Hon. W. S. Fielding, Minister of Finance in the late Laurier Government, has written the following striking and beautiful new version of the National Anthem. It first appeared in the London Daily Chronicle:

God save our gracious King, Long live our noble King, God save the King. From Thee all blessings flow, On him Thy grace bestow, Over J & J Hanter's Guard him from every foe. God save the King.

> His world-wide power bless, May he always possess Wisdom as wide: Judgment, with clear insight, Vision to see the light, Courage to do the right, Whate'er betide.

Send to his Council board Statesmen in true accord, Serene and strong. Give them a high ideal, Fill them with sacred zeal Keep them from wrong.

Grant us sweet peace, O Lord: The ploughshare, not the sword, We fain would wield. If, through man's lust for power Dark war clouds o'er us lower,

Not Motherland alone, Loyal to King and Throne, Thy blessing craves, Vast lands beyond the seas, Repeat the earnest pleas, Where proudly in the breeze His banner waves.

A strength and shield.

Him to Thy care.

In the broad world's affairs, Through all the fleeting years, Since early time. Though 'gainst strong foes ar-

rayed. Our England, undismayed. A gallant part has played In every clime.

O God! before Thee now. With humble faith we bow. And grateful heart. Play well its part:

Throughout the world. But that its ensign bright May ever, in Thy sight, Speak freedom, truth and right Where'er unfurled.
