### HAMPDEN.

Last Friday was preparatory service, Mr. McCullam of Tara being present, who most ably spoke to the people, taking for his text, "Thy love to me, O Jonathan, was wonderful." He pointed out how we should live day by day that we could repeat the same words, "Thy love to me, O Christ, is wonderful." Six new members united with the congregation. How grand it is to see young people, and also older people profess their faith in Christ. No deed, no matter how great, is as noble and as manly as coming forth and showing your love for the Master and becoming a true follower of Him.

Miss Grace Henderson, daughter of Mrs. George Henderson, was united heart and hand to the man of her choice, Mr. Hugh McLean, of Durham. Rev. Mr. McLean performed the ceremony. As we have no particulars this week, we can say no more, but will expect to be better supplied for next week. We extend congratulations to the young couple.

Miss Lizzie Park, who was an active member in our church, was married on May 25 to Mr. James Henderson of Lumsden. Lizzie has been employed in Lumsden for the past year. We extend our heartiest congratulations to the newly married couple and hope before long they will take a trip back to their old homes and visit their many friends.

The framers are now busy erecting a new house for Mr. Will Marshall.

Mr. Ben. Sharpe and men are busy and making larger Mr. Archie Park's barn.

### Beware of Ointments for Catarrh that Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly on the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure, be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by druggists, 75c per bottle. Take Hall's Family Pills for constipation.

### SOME TIMELY HINTS.

Don't wear a bushy collar of pleated tulle if you are short and stout. A long, flat stole or collar that lies smoothly over the shoulders and hangs in a long

end in front will be much more becoming.

Don't wear large plaids if you are small. They dwarf such size as you have.

If you have a stout or fat face be careful about tilting a tiny hat rakishly above it. A hat of broader dimensions will suit the face better. A very wide, stiff hat on the other hand, is as unbecoming over a fat face as the tiny one.

Don't wear brilliant colors if you have red hair and brightly colored cheeks. You will look far better in certain shades of brown, in navy blue and in light colors for evening. White and black will also be good choices.

Don't wear any veils unless you can wear a fresh one, and don't wear one unless you can take time enough to arrange it neatly and daintily.
