Time of the Heat:
Two Twelve and One Quarter

Have You Ever Watched a Horse Race?

It would be well for some of you to remember that the pole horse does not always win. I have seen the first horse break, the second fall, and the third throw a shoe—and the Twenty to one Shot win the Race.

IT is anybody's Piano. No one has it won yet. You have as good a chance as any. Things will take a turn. The last half dozen will have to go some, but all the others have a good, even chance. Some of you will have to be satisfied with Second, but try for First. Anyone could win Third. But girls, dig in. Two months just about gone. The race will soon be half over.

DON'T WAIT. Get out and canvass your friends to-day. One young lady from the country turned in Sixty-four Coupons from one issue of the paper. Just think! 640 votes that did not cost anything! She's a worker. The newspapers slipped one over me last week. They left out the Coupons. Never mind, we'll get even this week. I doubled them. Twenty votes, girls, for each and every coupon clipped from our ad. this week.

TIPPERARY TEA 35c
 Black Green Mixed

This is a new Package Tea. Just a little better quality than other package teas, and Five Cents a Pound Less. Start to-day to use Tipperary Tea. "The Tea with a Flavor."

Get a Silk Waist Free

We will give Two yards of our best yard wide Paillette Silk, sold by us at One Dollar per yard, and at other stores at \$1.25, to the lady bringing in the greatest number of 35c. labels cut from our new package of "Tipperary Tea." There are two 35c. labels on each package (one on each end). You have just a month to collect them. This offer closes on Saturday, December 18th. Cut the two 35c. labels from each package and see if you cannot win this beautiful Silk Waist. You may have your choice of colors—Light Navy, Dark Navy, Royal Tan, Seal, Tuscan and Black. A beautiful Christmas Present for someone.

HERE'S A CHANCE, GIRLS TO GET VOTES

For the next Ten Days we will give 200 Votes with each and every 35c Package of Tipperary Tea. We want Every Person to try this famous Tea at 35c. pound. Get your friends to try a package. There will be 200 votes in it for you.

2,000 YARDS FLANNELETTE AT 10 CENTS A YARD

WE made a Special purchase of this lot. It is a splendid heavy weight, and thirty-six inches wide. The kind you always pay 12½c. for. It is piled up like cordwood, higher than your head. Lots of it, but get yours now while the best patterns are here.

MALTESE CROSS RUBBERS

THIS brand of Rubbers stands for the Highest Quality. If you are looking for "cheap" rubbers you're in the wrong store. We know of nothing that will hurt a merchant's business quicker than selling cheap rubbers. "Seconds", yes, and often "Thirty-Seconds." We will sell you First Quality Maltese Cross Rubbers, and we can look you in the face when you come back—and you'll come back, too, when you want Rubbers. We can show you a full assortment in all sizes. Also heavy buckle and lace Rubbers. No "punched" Rubbers here.

PENMAN'S HEAVY RIBBED UNDERWEAR

IT is all wool and unshrinkable. If we had to buy it to-day it would cost you at least \$1.50 per garment. We bought this before the wool went up, and we are able to offer you these splendid garments for an even Dollar. If you want the lower priced garments, we have them.

Contestants will kindly notice that Rule No. 7 reads: "Tie your votes in packages, each denomination sorted separately, and mark the number on each." Remember, please, we have thousands of votes to check over every week. Imagine getting a bundle of voter all mixed up. It's like being handed a piece of Lemon Pie upside down. Miss Clara Ritchie is the most particular. Clara, call and get a free package of "Tipperary" for observing Rule 7. Now, you cannot all be Clara Ritchies, but you can help us a lot by following her example. Thank you.

A COLUMBIA PHONOGRAPH for the Lady who Finishes Second: We have this week purchased from Mr. H. J. Snell a Twenty Dollar Columbia Phonograph. We want you to come and hear some of the latest records, which we will present with our compliments to the little lady who wins the Columbia.

The CHRISTMAS NUMBER of "The Designer" is now on sale at the Pattern Counter. Subscribers will kindly call for their copy.
