## NEWS AROUND TOWN

### Miss Bolger is Recovering.

We regret to learn that Miss Bolger has been quite ill in Dunlop, but are pleased to learn she is recovering rapidly. She is a daughter of Mr. M. J. Bolger, formerly proprietor of the Middaugh House, and is well and favorably known here. Miss Bolger suffered a severe attack of pneumonia.

### Poor Road in Bruce County.

The road between Walkerton and Kincardine, especially the part under construction but not completed, is in a most deplorable condition. We were over it Saturday and if we ever saw anything worse we have forgotten about it. On the return trip we came by way of Tiverton, Glamis, Pinkerton and Dunkeld and found the road good to Tiverton and fair the remainder of the way.

### Visited Kincardine Hospital.

Mr. and Mrs. John A. Graham, their son Donald, and Miss Fettes, matron of the hospital, motored to Kincardine Saturday to have a look at the inside workings of the hospital in that town. They were accompanied by the writer, who acted as a sort of chaperone to the party. From what we overheard on the return trip we are confident they were pleased with the result of the visit.

### Improvements Noted.

The appearance of the memorial park has been much improved by evening up the surface as a preliminary to tree planting, floral and other decorating to be carried out in due time. In a short time with proper care and attention the little park will be a comfortable resting place and a pride to the citizens. It is rather small, but will be easier cared for. The location is all that could be desired.

### Single Admissions Next Wednesday.

Single admission tickets for the concert given by the Toronto Ladies' Quartette will be on sale at MacBeth's Drug Store commencing next Wednesday morning. This will give season ticket holders an opportunity of marking their tickets and will also enable others who have not done so to secure season tickets for the course of four concerts at \$2.00. The price of the single admission tickets is 75c. Season tickets are now on sale at MacBeth's.

### Looking For Trouble.

Mr. F. Henderson, baker, says that there are some of our youthful citizens evidently on the look-out for trouble and if they persist in their destructiveness they will surely get it. Last Monday night the newly-painted doors on his residence were smeared with some substance, and his windows decorated as well. Mr. Henderson says he likes to live at peace with the citizens, but this is going too far. Any further lawlessness will be followed with a summons to appear in the police court and explain.

### Hospital Shower a Success.

The Red cross shower on Saturday for the benefit of the hospital surpassed all expectations and as a result the people of town showed their usual generosity when a worthy cause is placed before them. All afternoon supplies came in and continued up to a late hour in the evening. We understand the first patient is to be admitted today and others are on the waiting list. We have also been informed that the formal opening of the institution will not be held as at first planned, owing to the fact that there is even now a large waiting list. It was originally intended to try and have Bishop Farthing of Montreal officially open the institution, but this has been abandoned owing to quite a number seeking admittance at as early a date as possible.

### W. M. S. Meeting.

The W. M. S. of the Presbyterian Church met on Thursday of last week, with the president, Mrs. Andrew Derby, in the chair. There was a good attendance and a good collection. Miss Artina Gun took the paper, which was on French mission work in Canada and showed what it means religiously and politically to Christianize these people. Mrs. Stonehouse gave a missionary story on thank-offering, which was well read, showing ways and means of helping in this work. If you cannot go yourself you can help others to go and help those who are there. Mrs. A. H. Jackson and Mrs. Lauder were appointed visiting committee for this month. Ways and means for raising the mission deficit were discussed and it is expected the ladies of the congregation will help with this.

### Suggestion to Raise Money.

A happy lot of young people of all denominations met on Tuesday night at the home of Rev. and Mrs. Cameron at the novelty social. The National Anthem was sung as an appropriate opening, and then a short program was rendered, consisting of songs, recitations, contests, etc. This was followed by a hot lunch from 10 to 11 o'clock. It was suggested by Mrs. Cameron that the Durham young people raise \$100.00 to put the finishing touches on the new hospital. The plan suggested is to have the young people pay a dollar each into one or other of the two banks and the proposed sum or more has been raised. It is further suggested that the names of contributors be published in the local papers each week. It is also stated that the matron, Miss Fettes, can use a hundred dollars in the purchase of real estate. The suggestion is to have a

### Had Arm Broken.

While playing at school during the morning recess on Tuesday, little Bernice Whitmore, daughter of Mr. and Mrs. Robert Whitmore, had the misfortune to have her arm broken.

### Telephone Week.

The Bell Telephone Company has arranged to make November 20 to 25 Telephone Week, and extend a cordial invitation to all interested to call at the local office here, where matters in connection with the system will be explained.

### The Girl Guides "Hiked."

The High and Public school Girl Guides were out on a "hike" on Saturday, and of course they enjoyed it. The former were under the guidance of Miss Julia Weir and the latter under Miss MacKenzie. Before returning a pleasant outdoor lunch was enjoyed.

### Had Paralytic Stroke.

Mrs. Robert Ewen, who lives with her daughter, Mrs. Frank Hind, here, had a severe paralytic stroke on Monday night. As she is 79 years of age, and has had a number of slight strokes previously, her condition is critical and little hope is held out for her recovery.

### Marriage Is Announced.

The marriage of Hon. I. B. Lucas is announced to take place on Saturday next. The happy bride-to-be is Miss Edith Trees of Toronto, and we understand she is a cousin of Mrs. David Jamieson of this town. Mrs. Lucas will be known and said after the event takes place. We tender our congratulations in advance.

### Mother Died at Brampton.

Mrs. C. H. Danard received a message on Friday night announcing that her mother, Mrs. Arnot, was seriously ill. She left first train on Saturday morning and arrived only a couple of hours before death. The deceased was in her 70th year and had not been well for some time, but death was unexpected so soon.

### JOHN O'DONNELL KILLED WHILE FELLING HEMLOCK TREE

On Tuesday afternoon Mr. John O'Donnell was fatally injured by a falling tree and died from the effects the same evening. He was working with Michael Dwyer cutting down a tree in William Morrison's bush in Glenelg, north of Edge Hill. It was intended to have the tree fall in a certain direction, but contrary to expectations, it fell the other way, and slipped off the stump. In trying to make his escape, Mr. O'Donnell tripped on a twig and fell to the ground, where he was struck by the falling tree. Without regaining consciousness, he died a couple of hours later.

Mr. O'Donnell was unmarried, and was about 60 years of age. He was a resident of this town and vicinity during the greater portion of his life. He was of a quiet disposition, harmless, unoffensive, and a steady worker. He leaves a brother, Thomas, in the West, and two sisters in Duluth. Awaiting the arrival of a sister, Mrs. Godfrey, from Duluth, the funeral has been deferred until Saturday morning, when interment will be made, but at time of going to press there are no definite arrangements as to the cemetery. It will probably be at St. John's, Glenelg.

### FORMER DUNDALK CLERGYMAN KILLED IN CALGARY

Rev. G. H. Cobblestick, Methodist clergyman at Dundalk in the early days of his ministry over 30 years ago, was killed at Calgary on the 26th of last month. While crossing the tracks in a Ford coupe his engine stalled and he was struck and fatally injured by an advancing street car. He was pastor of St. Paul's Methodist Church, Hillhurst, but before going West was pastor in Quebec City, Woodstock and Chatham.

A word to the wife is not sufficient.

Bulgaria has twelve former Cabinet ministers in jail. In Canada we put most of them in the Senate. Ours is a less just is a more humane procedure.

## OBITUARY

### HENRY LAWRENCE

It falls to our duty this week to chronicle the death of a pioneer of Glenelg Township in the person of Mr. Henry Lawrence, who passed away on Thursday morning of last week in his 83rd year.

He was born in Wicklow, Ireland, in 1839, and came to Canada with his parents in 1847. After spending a year at Fergus, the family moved to Glenelg and settled first on the farm now owned by Mr. George Hopkins. On growing to manhood the deceased moved to the farm on the second Concession of Glenelg about a mile east of town and remained there continuously to the time of his death.

In 1881 he married Margaret Cook, who predeceased him four years ago. To them were born two daughters, Annie (Mrs. McCormick), Agnes (Mrs. Thomas Milligan), in Bentinck and one son, William G., on the homestead. One brother, John, survives, and lives in Egremont. He also leaves four grandchildren.

The deceased was a hard-working and industrious man, genial in his intercourse with the public, a Methodist in religion, a Conservative in politics and a member of the Orange order for sixty-five years.

The announcement of his death was a great surprise and shock to many who had not learned of his illness of only one week's duration. Paralysis of the nerves is the assigned cause of death.

The funeral, under Orange auspices, took place Saturday afternoon, when the remains were laid to rest in Durham cemetery. Rev. G. G. F. Cole, pastor of the Methodist Church, officiated at the house and grave.

### FRED McARTHUR

Mr. Fred McArthur, who has been around town for the past three or four years engaged as an agent for nursery stock, and in tree-pruning, died on Thursday last at the home of Mr. Herb. Greenwood on the upper road east of town.

On the 9th of October, just a month before his death, he came to Mr. Greenwood's and wished to remain over night. Next morning he had an attack of lumbago and was unable to leave. Subsequently, he developed pneumonia, and this, aggravated by heart trouble, was the cause of death. He was 77 years of age, and was born and lived the greater part of his life in Glenelg, in the vicinity of Priceville.

Death occurred on Thursday of last week and on Friday the remains were taken to the home of his cousin, Mr. Angus Kennedy, at Priceville and interment made at McNeal's cemetery on Saturday. The Rev. C. S. Jones, pastor of the Presbyterian Church there, conducted the services.

### JAMES MCGIRR

At Balgonia, Sask., on November 5, 1922, Mr. James McGirr, Sr., passed away after two weeks' illness, at the home of his son, James Ayling McGirr, with whom he had resided the past seven years. Mr. McGirr was born in Vaughan Township in March 1839, and when nine years of age came with his parents, the late Mr. and Mrs. William McGirr, to Glenelg.

In 1862 he married Annie Davis, who predeceased him 26 years ago. Of a family of ten, six survive him: Thomas, at Durham; W. J., and Jennie (Mrs. Jones), in Michigan; J. A., Howard and Albert, in Saskatchewan.

### MRS. HERBERT RITCHIE

We regret to learn of the death of Mrs. Herbert Ritchie, who passed away on Tuesday last after an illness of about eight months' duration. Mrs. Ritchie was healthy and strong up to February last, when she contracted a cold which settled on her lungs and since then she has been gradually on the decline.

Her maiden name was Agnes Ewen, daughter of the late Mr. and Mrs. John Ewen of the Rocky, where she was born about thirty-five years ago. About ten years ago she was married to Mr. Herbert Ritchie and lived in town for a couple of years while Mr. Ritchie was in the employ of Mr. John McGowan. Seven or eight years ago they moved to a farm at the Rocky, and have lived there ever since.

Besides the sorrowing husband, two children survive, Clarence and Ewen, aged seven and five years, respectively. A little daughter two years old passed away last July and much sympathy is felt for Mr. Ritchie in his sorrows and bereavements.

The deceased was a devoted member of Burns' Presbyterian Church, where, in health, she was a faithful attendant.

She leaves to mourn her departure three brothers, Thomas and William, at Bethune, and John D., at Cottonwood, Saskatchewan, also four sisters, Dolly (Mrs. McCrae), at Olds, Alberta; Nellie (Mrs. King), at Toronto; Mary (Mrs. William Smith), at Toronto, and Grace, who nursed her during her illness.

Interment takes place this afternoon in Durham cemetery, Rev. Mr. Sillars, pastor of the deceased, officiating at the obsequies.

### IN MEMORIAM
