

## FLESHERTON ENTERTAINS BIG CROWD ON TWELFTH

Over Seven Thousand Estimated to Have Attended Largest Celebration in History of Village.—Big Crowd Enjoyed Day, and Crowd Was Well Taken Care Of by Citizens.

Special to The Chronicle.

FLESHERTON, July 17.—Under most favorable weather conditions the Battle of the Boyne was very successfully celebrated here on the Twelfth at the Grey County celebration. Early in the forenoon visitors began to arrive and continued until the crowd was estimated at fully seven thousand, the largest celebration ever held here. Special trains from Owen Sound and the South brought large numbers but the major part of the crowd came by the hundreds of cars which were parked throughout the village. The day passed without a mishap to mar the pleasure and the very best of order prevailed. Constables conducted the traffic at the congested points.

The streets and residences everywhere were in holiday attire, artistically decorated with flags, pennants, streamers, bunting and evergreens. The old-time arches were dispensed with so as not to impede traffic or cause danger. Praise was general that Flesherton excelled in her welcome to the visitors and in the provision made for the comfort and entertainment of all.

Splendid meals and plenty were provided by the hotels, the Women's Institute, the Presbyterian and Baptist ladies and many booths, all well patronized. Many families picnicked and enjoyed the noon and rest hour in that way.

At 1.30 the lodges, about thirty, assembled at the High School, from where the grand march, in which over 1,100 Orangemen took part, took place through the principal streets to the Memorial Park, where the speaking was held.

County Master Everard Walker presided, and excellent addresses were given by Revs. Owen of Shelburne, Spencer of Dundalk, Douglas of Kemble, and Hon. I. B. Lucas of Toronto. Mr. Lucas spoke at length and excelled in the masterly patriotic address he delivered. Mr. Spencer who during the war gave a recruiting address here, paid a worthy tribute to the late Richard Wilcock, who at that time recruited here but who later lost his life on the battlefield.

The parade, marshaled by four riders on prancing white horses, was led by the Dundalk Band, and besides the numerous pipe and drum bands, music was furnished by Owen Sound Salvation Army Band, Markdale Band, and Highland Pipe Bands from Owen Sound, Markdale and Swinton Park.

First in the procession was Owen Sound Ladies' True Blue Lodge, followed by the Ladies' Orange B.A. Lodges at Maxwell and Feversham. Following these came four lodges from Owen Sound, then the lodges at Sarawak, Berkeley, Chatsworth, Corbetton, Proton, Dundalk, Swinton Park, Proton, Maxwell, Feversham, Lebanon, Rob Roy, Melanethon, Proton Station, Orange Valley, Markdale, Eugenia, Fourth Line, Vandeleur, Flesherton.

At the speaking the addresses were interspersed with selections by Markdale and Owen Sound Bands, and Swinton Park and Owen Sound Pipe Bands.

In the competition, Sarawak Lodge was given the prize for coming longest distance, Corbetton for best dress and Feversham for best pipe and drum band. The judges were D. Ellis, Hydro engineer, Eugenia, and E. Osborne of Toronto.

In the afternoon there was a big crowd to witness the sports on the agricultural grounds. A splendid baseball match between Owen Sound and Flesherton teams was won by the former, the score being 6-4. A football match between Owen Sound and Feversham was won by the latter, score 1-0. The gate receipts were \$530.

In the evening a successful concert was given in the High School, the programme being put on by the Williams Concert Company, Toronto. Proceeds, \$175.

After meeting expenses, the local lodge, which spared no pains in making the celebration a success, will have a nice sum in the treasury.

The Women's Institute, in behalf of the Soldiers' Memorial, took in nearly \$500, the Presbyterian Ladies' Aid \$314. The Baptist young ladies, the hotels, and all others who catered, did a good business. The town hall was filled at the picture show at night.

## FORMER LIEUT.-GOV. SUCCUMBS TO OPERATION

Widely-known Sports and Business Man Died Monday at Baltimore.

Sir John Hendrie, a former Lieutenant-Governor of Ontario, President of the Hamilton Bridge Works, and widely associated in many other lines of activity, died on Monday night at Johns Hopkins Hospital, at Baltimore, Md.

About ten days previously he was operated on for an internal growth and his condition was reported favorable till Monday, when pneumonia set in. He was born in Hamilton in 1857.

## SLAIN BY MOTOR CAR AT TORONTO ST. CROSSING

Brother of A. D. Browning, Durham, Meets Tragic Death While Visiting in Toronto.—Remains Taken to Algoma for Burial.

The following account of the tragic death of Mr. James Browning, brother to Mr. A. D. Browning of this place appeared in Monday's Globe:

"James Browning, aged 58, who lived at 371 King street west, was run over and killed by an automobile driven by Wesley McKay, 73 Perth avenue, at King and Peter streets, Saturday night.

"Browning was crossing the intersection at King and Peter streets, when he stepped in the path of the automobile driven by McKay. He was picked up and carried to his room.

"Dr. McCormack, 30 King street west, was called, and he examined the man, finding he was suffering from head injuries and a dislocated shoulder.

"This was at 6 p.m. Five hours later Browning died. His body was removed to the Morgue, and Coroner M. M. Crawford will hold an inquest. McKay, the driver, was allowed to go, after he had been questioned by the police.

"Browning came from Northern Ontario. He had not been in the city long, and the police are endeavoring to locate his relatives."

Mr. Browning was a son of the late Mr. and Mrs. George Browning and was born in Howich Township at Lot 29, Con. 16, 61 years ago last March. He was a brother of Mr. A. D. Browning of this place, and had also another brother in New York City. Previous to reading of the accident in The Globe, Mr. Browning had received word from a cousin, Mr. Hamilton, in Toronto, and was later told that his brother, Hugh, had been located and was on his way to Toronto.

Mr. Browning of this place, who has not been in good health for the past two or three years, was unable to go to the city and the arrangements for burial were made by Mr. Hugh Browning and Mr. Hamilton. While he thought for a time that burial would be made at Clifford, it was decided best to take the remains back to Algoma, and the party left Toronto last night for the North.

The deceased has been for many years a resident of Algoma, and was unmarried. Friends here sympathize with the family in their bereavement.

## I.O.O.F. INSTALLATION WAS HELD MONDAY

D. D. G. M. Ritchie of the Local Lodge of Oddfellows Paid Official Visit.—Officers of Other Lodges Also Installed.

At the regular meeting of Grey Lodge No. 169, I.O.O.F., the officers were duly installed by Bro. John Ritchie, D.D.G.M. and suite of installing officers.

Mr. Ritchie is a member of the local lodge and at the district meeting held at Harrison a few weeks ago was chosen District Deputy of the Division. He recently installed the officers at Arthur, Drayton and Harrison, where his work in each case was highly spoken of by members of the respective lodges. He goes to Palmerston to-night and at later dates to Clifford and Mt. Forest.

The officers installed here for the ensuing term are:

A. C. Kinnee, J.P.G.; Peter Ramage, N.G.; Cameron Lauder, V.G.; Bert Stonehouse, R.S.; Robert Whitmore, P.S.; Rev. W. H. Smith, Treas.; Thos. Bell, Con.; William McGirr, War.; James Brown, Chap.; John McKenzie, R.S.S.; W. C. Vollett, L.S.S.; D. Nichol, R.S.N.G.; Robert McLean, L.S.N.G.; R. Snell, R.S.V.G.; G. A. Thompson, L.S.V.G.; James Lloyd, I.G.; John McLean, O.G.

## LAYING HEAVIER STEEL PALMERSTON TO DURHAM

Stone Trains Out of Durham Played Havoc With the Lighter Rail.—New Steel Will Improve Passenger Service As Well.

For the past couple of weeks a gang of men has been working out of Palmerston laying 80-pound steel on the Durham Palmerston branch of the Canadian National. This is a move that has been long contemplated but apparently hard to start.

Two or three weeks ago, however, work was commenced, and at the present time the heavy steel has been laid to within six miles of Durham. Owing to a shortage of steel, the gang is laid off at present, but will be commenced again as soon as new steel arrives.

Ever since the establishment here of the Durham Stone and Sand Company, the old track has had a hard life of it carrying the heavily-laden stone trains and the new move is made to take care of this new business, which is just about the best meal ticket the Canadian National has up in this part of the country.

## CUT THE WEEDS

An inspection of the back yards of the town will be made next week. All parties are requested to cut weeds and clean up their premises, otherwise it will be done by the Board of Works and charged against the property.

By Order, Board of Works.

## Memorial to Pioneers

As a feature of the big celebration to be held in Pictou County, Nova Scotia, during the third week of July, St. Andrew's Society of New Glasgow will have placed at Pictou a monument, as shown above, to commemorate the arrival of Scottish Pioneers at Pictou in the ship "Hector" in 1773. His Excellency Baron Byng will unveil the monument on Tuesday, July 17th.

The monument, as will be seen by the above, is a bronze figure of a Highlander, in the dress of the period, holding an old-fashioned flint lock gun in one hand and with an axe on his shoulder, looking over the forest where he is to make his future home. The bronze figure is about 9 feet in height and the granite pedestal about 8 feet, so that the total height will be about 17 feet.

The monument will be erected on the old market square, Pictou, which is being enlarged and improved for the purpose. It is the work of a Boston sculptor, Mr. Wilson, a native of New Glasgow, Pictou County.—Photograph courtesy Canadian National Railways.

## WILDER'S LAKE WILL SOON BE POPULAR SPOT

Local "Rockaway Beach" Becoming Quite Popular with Durhams.—A Beautiful Spot, and Many Summer Homes Are Predicted for the Near Future.

Durham's summer colony at Wilder's Lake is now something more than a dream, and the end is not yet. When Dr. Jamieson acquired the property a few years ago, we doubt very much if even he had any set plans formulated as to what he was going to do with it. Originally, the Dr. built his own cottage there, as fine a cottage as you will find anywhere, and later his son, Dr. D. B. Jamieson purchased a lot, being followed shortly afterwards by Messrs. P. Gagnon, J. H. Hurling and D. C. Town. Each have lots facing on the lake, with a beautiful view of the water, and an elevated ground that is dry and free from any objectionable features frequently found near shores of these inland lakes.

So far, with the exception of Dr. Jamieson, Sr., Messrs. Gagnon and Town are the only ones, we understand, who have made any considerable headway with their summer cottages. These have their cottages about completed, with the exception of a few "touches," and they are certainly a big addition to the natural attractiveness of Wilder's Lake.

We have no doubt that in the course of a few years there will be many more summer homes erected at the lake and that Durham's summer colony may soon become one of no mean proportions.

## NO SERVICE SUNDAY NIGHT IN TRINITY CHURCH

There will be no evening service in Trinity Church, Durham on Sunday next, the cause being the anniversary services being held at the sister church of St. Paul's, in Egremont.

Rev. W. H. Hartley, a former Rector here, but now of Shelburne, will occupy the pulpit in Trinity Church next Sunday morning at 11 o'clock, and at St. Paul's, Egremont, at 3 and 7.30 p. m.

## FLESHERTON BOY IS CAPTAIN OF VANCOUVER LACROSSE TEAM

(Flesherton Advance.)  
Flesherton has not been very prominent in the realms of lacrosse but one of its native sons is receiving distinction in Vancouver, B. C. This person is Hardy Patton, who has been away from Flesherton about fourteen years and during that time has become a lacrosse player of no mean distinction, as he is now captain of the Olympic A.C. professional lacrosse team at Vancouver. Hardy at one time played centre for the team but is now holding down right defence, and effectively too. Besides playing lacrosse Hardy has made quite a name for himself as a long-distance runner and also took lessons in boxing.

## CROWD OF 5,000 CELEBRATE AT HOLSTEIN

Big Crowd of People Hear Enthusiastic Addresses in Holstein's Beautiful Park.—Twelve Lodges in the Parade.—Citizens Outdid Themselves in Entertainment Provided.

Special to The Chronicle.

HOLSTEIN, July 18.—There was a cavalcade of colors in the parade of Orangemen here in their big celebration last Thursday. The day broke beautiful and clear, and continued so. The local Lodge, No. 2296, assembled in their lodge-room about 8.15 a. m. After the ordinary business had been completed they assembled about forty strong for street parade headed by the fife and drum in the hands of Messrs. Webber and Moore. Main street was paraded in general, when, at ten o'clock, all dispersed to assemble for the more extended parade.

At about 11 o'clock the visiting brethren began to assemble, and by noon the village assumed a somewhat crowded appearance. The churches and others catered to the wants of the visitors in providing ample supplies to feed the hungry. It is estimated that fully 5,000 visitors were present during the day. Great credit is due to the Management Committee and the Director of Ceremonies for the way the whole programme of the day was carried out.

The best of order prevailed and not a single accident occurred to mar the day's proceedings. Men were appointed to direct the visitors where to receive the best accommodation and all homes were open to receive. We might state that it is twenty-eight years since a similar event took place in the village and it is now hinted that in future several such events will likely take place here in the same period of time.

Immediately after dinner the different lodges lined up for parade, twelve in all, as follows:

- Mount Forest and True Blues,
- McFarlen's,
- Farewell,
- Monticello,
- Glenelg,
- Durham and True Blues,
- Conn.
- Cedarville and True Blues,
- North Egremont,
- Holstein.

Upwards of 500 were in the march. The procession, headed by the Mount Forest Pipe Band, started from the centre of the village, proceeded south to Globe street, turned north and proceeded to Church street, and then south again and along Park road to the grounds.

Here a platform had been erected and suitable seating. Dr. Jamieson, M.P.P. for South Grey, occupied the chair. Rev. G. S. Scott, in behalf of the local brethren gave an address of welcome. This was followed by stirring addresses by Revs. Smith of Durham, Burnett of Dromore, and Richardson of Mount Forest. Addresses were also given by Dr. G. P. Allen and G. L. Allen of Mount Forest.

Later, Mr. J. J. Maloney took the platform and for an hour and a half addressed the audience. Mr. Maloney has recently split with the Roman Catholic Church and is now using his energies in behalf of the Protestant faith. He is especially interested in the orphanage recently opened at Richmond Hill.

In the adjoining athletic grounds the visitors were entertained to games of baseball between Varney and Cedarville teams. Cedarville won the score being 17-5.

The football game between Holstein and Dromore, the score being 1-0 in favor of Dromore. Prizes of \$15.00 each were awarded the winners.

This being over, the visitors were again entertained for an hour by the various fife and drum bands.

In the evening the hall was crowded to capacity to hear the Rupert Legate Concert Company of Owen Sound.

About 11 o'clock the crowd dispersed and the two hundred and thirty-third anniversary of the Battle of the Boyne was at an end.

## NOTES.

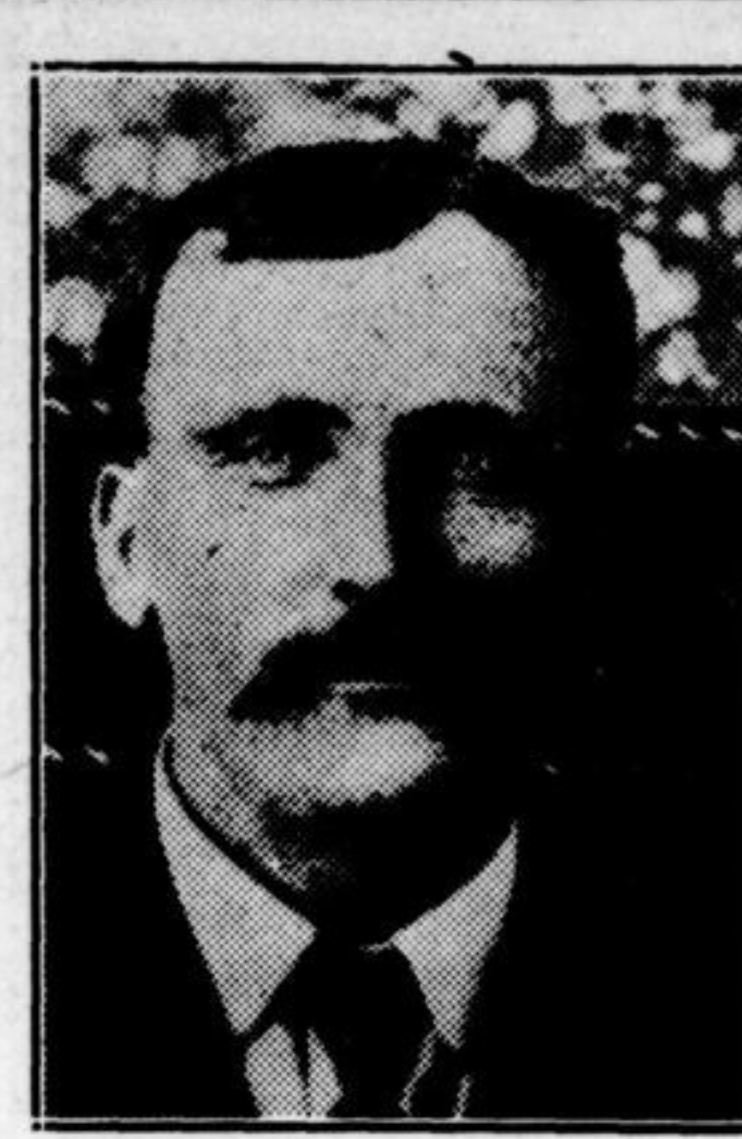

The streets and homes were tastefully decorated for the occasion.

Flags floated from many places.

We noticed Mr. John Lawrence, now over 90 years of age, amongst the interested spectators.

Bruce McKenzie and Andy Weidman on grey steeds were the "King Billeys" of the procession.

Holstein maintained her reputation of being able to entertain and

THE LATE CHARLES SMAIL

Prosperous Egremont farmer, who died suddenly on Sunday, July 1, and was buried in Amos cemetery, Dromore, on July 3. His obituary appeared in our last issue.

feed a crowd—be it large or small.

Five thousand people last Thursday! What a grand day it would have been to have taken the census!

George Fenton was too busy to even look at his bowling green.

The old saying still holds good. It surely does take the Glorious Old Twelfth to bring out the crowd.

## ARTEMESIA PIONEER PASSED AWAY NEAR PRICEVILLE

Mrs. Hector McLean, Respected and Beloved, Passed Away Tuesday in Her 81st Year.—Came to Canada Over Seventy Years Ago, and Has Been a Resident of Glenelg Since 1854.—Funeral Takes Place Today.

Another of the old pioneers, those who came to Canada when it was a wilderness and their lifework done, pass on, leaving in their wake the golden grains and well-tilled fields of our modern Ontario farms, passed away on Tuesday morning of this week at her home in Artemesia, two miles south of Priceville, in the person of Mrs. Hector McLean.

Mrs. McLean was about 80 years of age and to the last enjoyed the health of those who have lived their life with Nature, in the open fields and by the babbling brooks, rather than in the cooped-up life of the modern town or city. Mrs. McLean enjoyed her good health up to within a week of her death, and when her time came, slept peacefully away, with scarcely a tremor to tell the anxious watchers when the slender thread had snapped and her spirit had moved on to join her forebears. Mr. McLean, her husband, died 14 years ago.

Mrs. McLean, whose maiden name was Christina McMillan, was born in Argyllshire, Scotland, on the Island of Tyree, about 80 years ago. She came to Canada in 1851 with her parents, the late Mr. and Mrs. Colin McMillan, and settled at Fergus, where they remained till about 1854, when the family came to Lot 5 on the South Line, Artemesia. Mr. McMillan, her father, died about 35 years ago, and her mother about 40 years ago.

Mrs. McLean was married in 1863 to the late Hector McLean, who died in 1909, the ceremony being performed by the Rev. Donald Fraser, who was then pastor of the Presbyterian congregation at Priceville. The young couple commenced homesteading on the farm on which she died, and where she has always lived since her marriage 60 years ago.

A family of eight sons and one daughter were born, as follows: Colin, John, Archie, Donald and Malcolm, all residents in the vicinity of Priceville, the latter on the homestead; Neil, died in 1914; Alexander, in South Dakota; William, in Big Sandy, Montana, and Sarah C. (Mrs. Ibbotson), in Toronto.

Mrs. McLean also leaves two brothers, Messrs. Malcolm and Donald McMillan, both residing on the South Line.

Mrs. McLean was a devoted member of St. Columba Presbyterian Church, in which she took deep interest and to which she contributed in no small manner ever since its commencement many years ago.

The funeral is being held this afternoon at 2 o'clock and interment will be made in the old cemetery at Priceville. Her pastor, Rev. C. S. Jones, will have charge of the services.

## REWARDED FOR SERVICES OVER PERIOD OF YEARS

A. A. Catton, On Visit From Toronto, Made Recipient of Address and Presented With Gold Watch Last Friday Evening.—Still Likes Durham and Vicinity.

Durham citizens last Friday night rewarded the public spiritedness of Mr. A. A. Catton, formerly manager of the Durham Furniture Company, when they met on the green and presented him with a handsome gold watch as a memento of the town in which the best part of his life was spent and from which he has removed to reside in Toronto.

Mr. Catton came here something over twenty years ago and from the first showed himself a man of public spirit and interested in the welfare of the town. In past issues we have referred on many occasions to his deep interest in the welfare of this municipality and it is not necessary that we go into them in detail again. Possibly the greenest memory in the minds of the population is the work he has done at the cemetery, and which now shows the result of his tireless labors during the years he was on the board. The Red Cross Hospital also shows the expertness of his hand, and the Methodist congregation, too, have reason to think of him every time they enter their place of worship.

It was a discussion of these things one day a month or so ago amongst a few of the business men that led to the presentation. One suggestion led to another, a list was got out, and almost as soon as it can be told the thing was done. The next thing was to catch Mr. Catton.

It was known that he was coming up some time this summer and when he arrived last week it was thought a good scheme to have him go up to the bowling green and play a game of bowls, when the presentation could be sprung on him. But he failed to turn up. He was at last caught on Friday night, and although only a few of the citizens were on hand when the presentation was made, it was a matter that could not be helped.

Mayor Smith acted as chairman, and ex-Mayor Thomas Allan delivered an impromptu address in which he spoke of his regard for Mr. Catton and the loss the town felt in losing him, and ended up with presenting him with the handsome gold watch, the gift of the citizens.

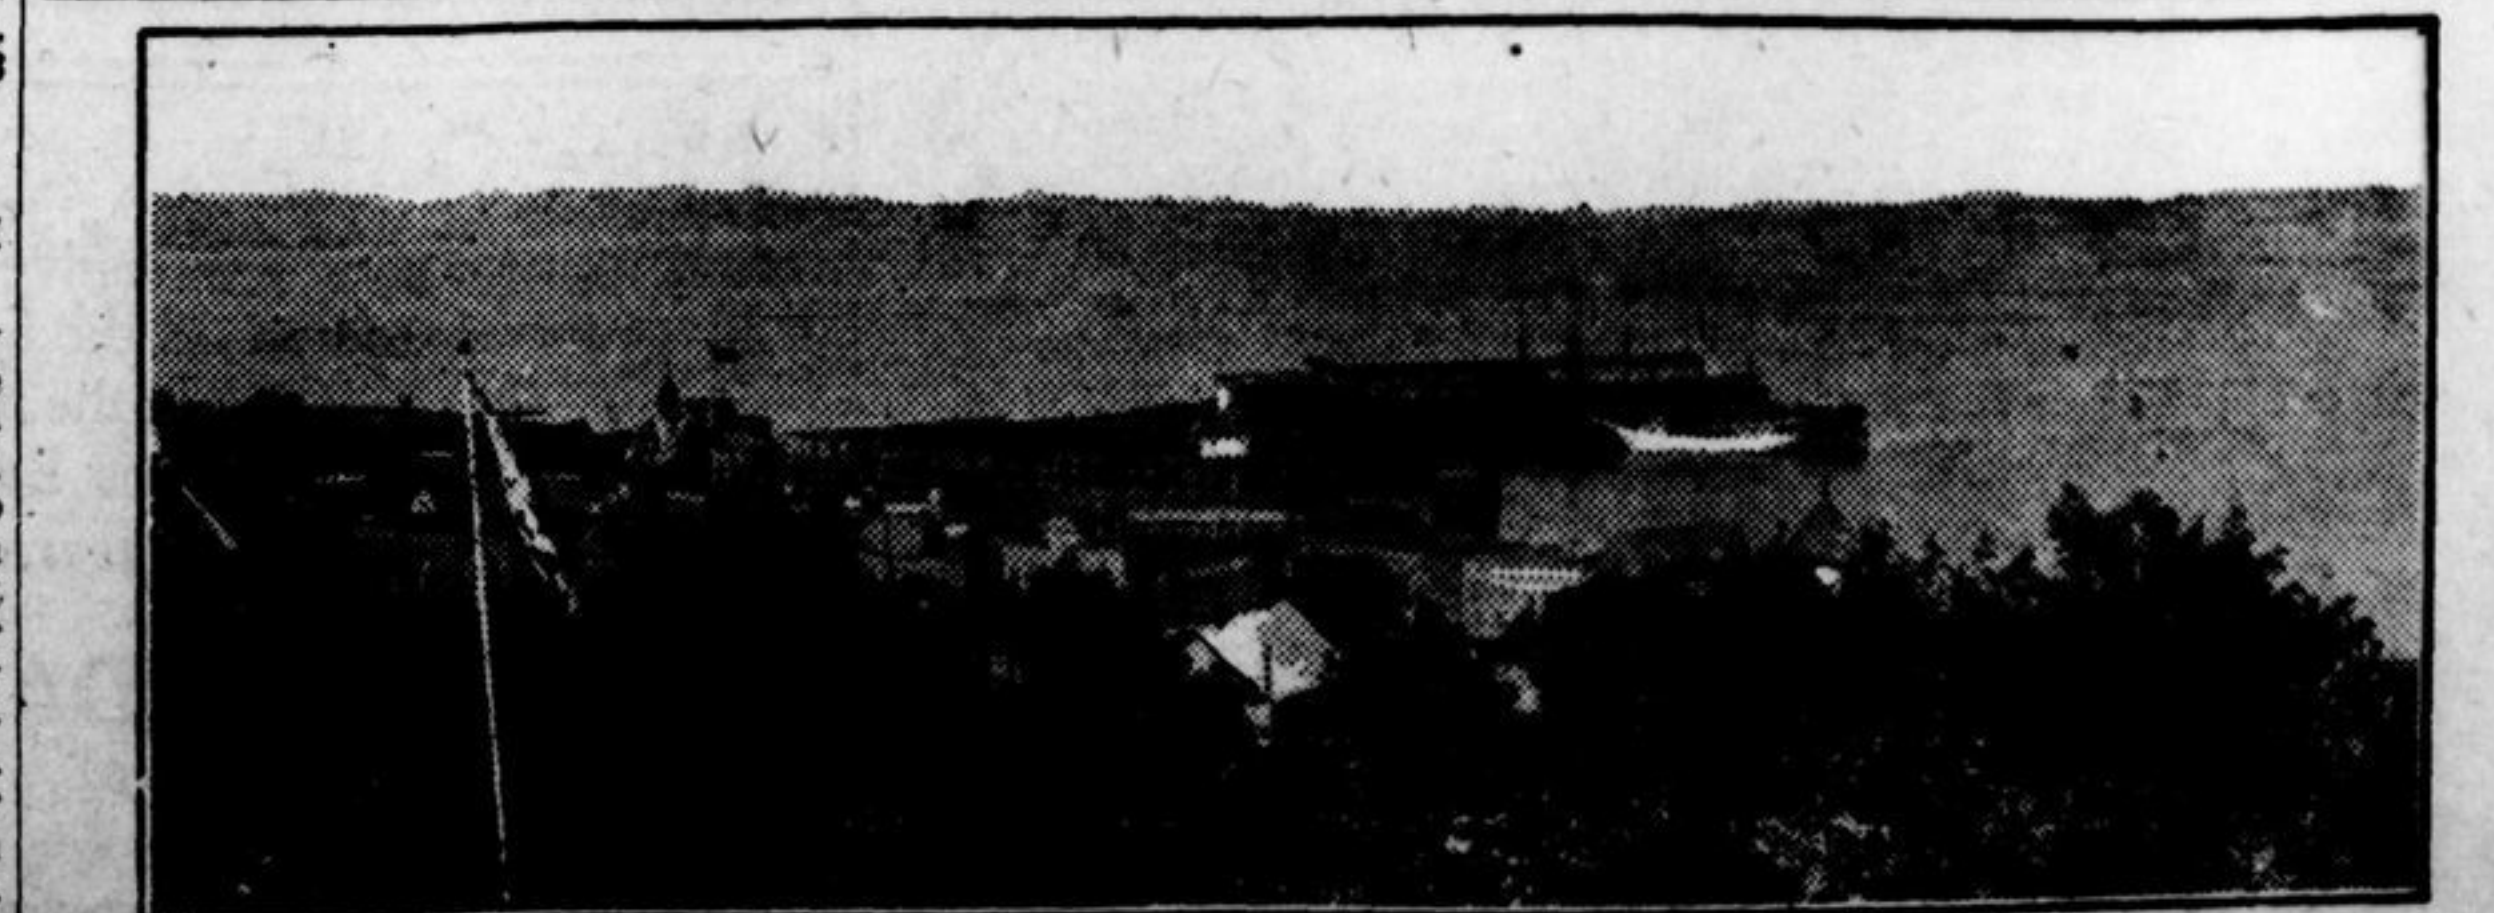

Mr. Catton was taken by surprise, and visibly affected, but he made a neat reply. He traced his life in Durham back the twenty-odd years and compared his life here with life in the city. He was frankly of the opinion that it was a mistake for a man of his age to go to the city. In the country a man was closer to nature than in the city, where all one could see was man's handiwork. In the country you knew your neighbors and had your friends. In the city you knew nobody and about all there was, was the chase after the almighty dollar. He said he could get more real comfort and enjoyment out of the quiet roads of Glenelg and Bentinck than from the noise of the city streets. He said he will be in Toronto for another year but does not know where he will be after that. In closing, Mr. Catton expressed the wish that his friends come and see him when in Toronto.

## CUT ON VARNEY HILL IS NOW BEING MADE

Good Progress Being Made on Provincial Highway South of Town.—Work Now Going On at Varney Hill.—Road in Good Shape Considering Work Being Done.

Work on the Provincial Highway south of here is being rushed as fast as possible and the steam shovel outfit, which commenced at the Corktown hill this spring is now busy at the Varney hill. A person would almost think that road-building in this part of the country would be a matter of jumping from one gravel pit into another, and with enough big stones to make life miserable for a roadmaker. The experience on the road south so far, however, has been quite different. Although in some instances a good deal of gravel has been encountered, there is also quite a lot of sand and the steam shovel is making even better progress than anticipated.

Considering the cuts being made and the work being done, the construction company have given remarkable service to traffic in keeping the road open and the public has had no reason to complain. It is quite natural however to expect that the road will be rough, and will remain so until resurfaced.

The harbor at Digby, one of the beautiful Nova Scotia towns visited by the Canadian Weekly Newspaper Association during their annual convention.
