Congratulations.

The Chronicle extends congratulations and best wishes to Mr. Wes. Morton and Miss Gemima Drummond, both of town, who were married at the Presbyterian manse yesterday morning. Attended Family Reunion.

In a letter received at this office from Mr. John Pilkey, he informs us that he recently attended an old-time gathering, when his brothers and sisters with their families, numbering about 40, met at his birthplace and had an enjoyable time. Mr. Pilkey does not mention where his birthplace was, but presume this small neglect on his part did not in the least detract from the happy gathering.

Two Boys Drowned at Owen Sound.

Two eight-year-old boys, Earl Wilson and Elmer Park, were drowned at Owen Sound at the entrance to the harbor about noon on Monday. They were last seen by a couple of other boys who were dressing, playing and splashing each other on a sand-bank near deep water, and when the other two boys were about to leave they noticed that the two whom they had seen in the water had disappeared. They gave the alarm and a search resulted in the finding of the bodies, one about an hour after, and the other two hours after the accident. The parents of the two boys reside at Owen Sound.

Dry Weather Continues.

The continued dry weather in this section is beginning to be felt, and a good rain is badly needed. The grain is ripening up fast, and for the past week or so the pasture fields have been hard put to it and the cattle are suffering. The probabilities promise us cooler weather, and this morning a few rumblings of thunder could be heard in the West, so it is not likely we will be any length of time longer without rain. The surrounding country seems to have been getting rain during the past ten days, but the district immediately surrounding Durham has not had a drop. It rained last Monday night in Mount Forest and on Tuesday we noticed a short strip in the vicinity of Buessan that had had quite a rainfall.

MILDMAY TEAM WON OUT; WON FROM HOLSTEIN 2-1

Exciting Game at Mildmay Won by the Home Team.—Both Teams Strong and Evenly Matched.—Holstein Defence Scores Second Counter for Mildmay.

The Holstein football club has been defeated at last, says last week's Mildmay Gazette, and Mildmay proudly proclaims itself the winner of the district. In all five games were played between these two clubs, the total score being 5 to 3 in favor of Mildmay. Holstein entered a protest against the third and fourth games, and were able to have a Mildmay game thrown out on account of an error by the referee. The game was replayed at Mildmay last Friday evening, and upon its result depended the championship of the district. Referee Sam Law of Galt, one of Ontario's best officials, took charge of the game and sent both clubs away at 6.15. Among the spectators at this game was President Don. C. Campbell, and Past President Thomas G. Elliott of Galt, and they were amazed at the terrific pace hit up by both elevens. It was a contest in which the players seemed to have speed to burn, and while Mildmay appeared to have some slight advantage, it was not easily noticeable.

When the game had progressed about twenty-five minutes the referee called a penalty on Charles Pletsch for touching the ball with his hand. Holstein's big back, Gibson, came up the field and drove the ball through for Holstein's first and only tally.

The game resumed with Mildmay determined to even up and a few minutes later, with the Mildmay forwards pressing their opposing defence, a penalty foul was awarded Mildmay. McGowan kicked the penalty and the ball hit the Holstein goaler, but McGowan and Scheffer caught it on the rebound and drove it through to even the score. After that the Mildmay fans breathed easier.

In the second period, with Mildmay kicking into their own favorite goal, the game was vastly different and our forwards fairly bombarded the Holstein goal. That they were not successful in piling up a big score is a tribute to the ability of the opposing defence, who have few equals in the game to-day. Time after time what looked like a sure goal was turned aside by Gibson, the big powerful full back for Holstein.

The Stars, however, kept going at top speed and with about twenty minutes still to play Mildmay was awarded a corner kick, which was made by McGowan. It dropped just in front of the cross-bar and the Holstein defence man in an attempt to clear headed it back into the goal for Mildmay's second and winning count. That ended the scoring, although the Star forwards were right in on the Holstein goal a dozen times later.

The spectators, and they were present from Holstein, Palmerston, Harriston, Clifford, Ayton, Orgoli and other places, were united in the opinion that it was the fastest and most keenly contested game ever witnessed.

MARK TWAIN'S REPENTANCE

Mark Twain was called upon to speak at a club dinner and took for his theme "Honesty." He said when he was a boy he one day saw a cart full of melons. He was a boy—and he was tempted; besides he liked melons. "I sneaked up to that cart," said Mark, "and I stole a melon. I went into an alley to devour it. But I had no sooner set my teeth on it than I paused; a strange feeling came over me. I came to a quick resolution. Firmly, I walked up to the cart, placed the stolen melon where I got it from,—and took a ripe one."

Why Honey Was Slow.

She left her hubby alone in their room at the hotel while she did some shopping. She returned. The many doors and numbers confused her. But she soon decided which was her room.

She knocked and called: "I'm back, honey—let me in!"

No answer.

"Honey, honey, let me in!" she called again, knocking harder. "Honey, it's me—please, honey."

Brief silence, then a man's voice, cold and full of dignity, came from the other side of the door: "Madam, this is not a beehive; it's a bathroom."

Earthquake Was Mild Comparatively

A man living in Charleston during the earthquake there years ago felt that his duties required him to remain there to do what he might for the sufferers, but sent his six-year-old son out of the danger and confusion to the youngster's grandfather in New York. Three days after the boy's arrival the Charleston man received this telegram from his father: "Send us your earthquake and take back your boy."

"If you don't file your income tax return, you may have to file your way out of jail."
