Mem-o-Rea At Veterans' Star.
Mem-o-rea, the world's greatest mind reader, has been holding forth at the Veterans' Star Theatre here for the past week and, we have been told has been pulling off some clever stuff. With him is Rita Johnstone, dancer and singer, who has also made a hit with the local theatre goers. Mem-o-Rea has had a busy week telling a lot of people things about themselves, some of which they knew and others that they didn't, and has put on a clever show. He goes from here to Hanover and next week will open at Meaford.

Institute Monthly Meeting.
The regular meeting of the Women's Institute was held at the home of Mrs. Hugh Firth on Thursday afternoon of last week. The program was contributed entirely by the girls. Miss Annie Smith gave an instrumental, Miss Miriam Cameron a solo and a recitation, Miss Esther Firth a reading, and Miss Christie McGirr supplied the humor in her "Institute Newspaper," but the chief speaker of the day was Miss Alix Edge, who delighted her audience with an account of her trip abroad. After briefly touching on her ocean voyage from Montreal to Glasgow and describing the Clyde shipbuilding industry she told of her visit to Ayrshire, of interest to every lover of Burns. A red letter day was her trip to Trosaco, rich in natural beauty and folklore. Then came Edinburgh with its many places of interest, and London, with Westminster Abbey, St. Paul's Cathedral, London tower, etc., etc. From there she crossed to Belgium and the interest was centred most in her description of the battlefields and cemeteries of the Great War. One thing which appealed to her was the care bestowed on these spots, sacred to the memory of those who gave their lives in the cause of liberty. Other places of note pictured to the audience were Zeebrugge, Waterloo, Bruges, and Brussels. Passing from the war zone she went to Switzerland, with its beautiful scenery and

its unique peasant industries of wood-carving and lace-making. Returning, she spent a few days in Paris, then Liverpool, London, and home. After the program, lunch was served by the girls.

CARD OF THANKS
We desire to thank friends and neighbors for kindness and sympathy extended in our recent bereavement in the death of wife and mother.

"HONOR FIRST" IS NEW JOHN GILBERT FILM
With John Gilbert in the star role, "Honor First," his latest William Fox feature, will be at the Veterans' Star Theatre on Friday and Saturday nights of this week. Press reports from other places where this picture has been shown accord it high praise and many who have reviewed the feature assert that Gilbert is at his best.

The story deals with the difference in character and temperament between twin brothers, both of whom served in the French Army during the war. Gilbert portrays both brothers. His work as the cowardly brother is said to be especially worth while. This characterization calls for extraordinary force in acting. Not only is the story of the picture intensely gripping and worth while, but the photography and direction are declared to be of the best. Jerome Storm, who is fast becoming one of the foremost directors in the film world, staged the picture.

Many of the scenes were photographed under extraordinary conditions and are described as masterpiece pieces of the photographic art.

BLODGETT—BURNETT
A quiet home wedding was solemnized Wednesday at high noon at the home of Mr. Hermie Burnett, on the 4th Concession of Glenelg, when his sister, Miss Minnie Burnett, became the bride of Mr. Ernest Blodgett of the Hollinger Mine staff, Timmins, New Ontario. The ceremony was performed by the Rev. J. E. Peters, M.A., of Durham Methodist Church, and took place in the presence of only the immediate relatives of the bride.

The bride, who was unattended, was married in a becoming wedding gown of white canton crepe, and her only ornament was a string of pearls. The house was prettily decorated for the occasion.

After the ceremony a dainty wedding dinner was served.

Mr. and Mrs. Blodgett left on the 3.15 Canadian National for a short honeymoon trip through Ontario and New York State, the bride travelling in a tailored suit of grey novelty cloth with French hat to match, and wearing a mink fur. On their return they will commence home-making at Timmins. The Chronicle wishes Mr. and Mrs. Blodgett much happiness in their future married life.

DURHAM N.W.B.A. TEAM BEAT WALKERTON 5-4

Local League Juniors Win in Walkerton on Saturday.—Walkerton Has Protested Game.

Durham's Junior North Wellington Leaguers went to Walkerton on Saturday and won in a league match from the juniors of that place 5 to 4. While The Chronicle was not present at the game, we are informed that the game was a good one and the locals had to step a full stride to beat the youngsters from the capital of Bruce. The game, we are told, was featured by many brilliant plays on both teams, but none outshone that by Mountain in the eighth when, with a man on first and none out he hooked an almost impossible line drive out of the sky, tagged the man on first who thought all he had to do was make second, and, unassisted made one of the most spectacular saves seen for some time in this part of the country. With two out, Goldsmith, the pitcher, had little difficulty in fanning the man at the bat and the game was saved. Neither team scored in the ninth.

The local line-up was: Vollett, 3b; Schutz, c; Goldsmith, p; Mountain, 2b; Elvidge ss; Burnett 1b; Kress rf; Snell, m; Moorhead lf.

The Walkerton battery.—Macnab and McCartney.

Umpires—Kellerman, Chesley, and Mullen, Walkerton.

Secretary Banting informs us that he has received notice from Walkerton that the game is being protested on several counts, but does not let that worry him very much, as the Durham juniors are on easy ground this year. Mr. Banting says he has received no notification from the Secretary of the League, but may get it any time now. Durham, however, are going to defend any protest and have no fears as to the outcome, we are informed.

Glenelg and Priceville (Our own correspondent.)

Perhaps, Mr. Editor, you will be thinking we are trespassing too much on other correspondents' territory when we take in some of Durham and vicinity at this writing. In February, 1857, the writer's father and family landed in what is now the lower town, on the 18th of February, four days on the way from the 7th Concession of the Township of Vaughan, coming by way of Mount Forest and Fergus, with the snow in general from three to four feet deep on what is now the Durham Road, Glenelg. The road struck in somewhere this side of the cement works, coming out at the late Dennis McFadden's, now occupied by his grandson, Robert. As a number of the new residents of Concession 2 and 3, E.G.R., came from the Township of Vaughan, being the McGirrs, Scotts, Ritchies and others, our father felt at home with them, being old neighbors in the good old Township of Vaughan. The family had dinner at John Ritchie's near the school-house

near Lambton street. Mrs. Ritchie boiled a big potful of big yellow potatoes and our mother had a big supply of bread and cakes and meat from the abundance of the farm in Vaughan.

The hot, dry weather is causing the harvest to come in too fast and probably there will be a lot of light grain this year. Some are not done having yet in some localities. We see some have threshed fall wheat at Edge Hill. Harvest is somewhat later in the vicinity of Priceville, as that locality was blessed with frequent showers.

Miss Margaret McLean is spending a while with her niece, Miss Kate McDonald, at Edge Hill.

We listened to a good sermon from Rev. Mr. Smith of the Presbyterian Church, Durham, yesterday, from the text, "Be of good cheer."

Indians Celebrate Opening Banff-Windermere Road

1. Indians, gaily caparisoned, await the judges' pleasure. 2. Lieutenant Governor Nichol smokes the pipe of peace—to the delight of the oldest members of the tribe (3). 4. Car-No-Sic-Klmeet and the Indian chief.

The Indian, though reticent and undemonstrative, is ever ready to show his appreciation of the fact that the pale face is a friend, a brother to him. More often than not, he takes advantage of his feted days to show this appreciation and good-will in simple ceremonies which honor the white man by bestowing upon him the name of one of their own, and a seat in their family and council circles.

The opening of the Banff-Windermere Motor Highway on June 30th occasioned the gathering of a large number of Kootenay Indians from various reserves, at Invermere, B.C. Here they entertained and were entertained by a host of visitors to the district who, having attended the opening ceremonies were easily induced by the glories of the country to stay for a few days. On this occasion the Kootenays honored Lieutenant Governor W. C. Nichol of B.C., who had officiated, with Lieutenant Governor Best of Alberta, at the opening,

by making him an honorary chief of their tribe. Robert Randolph Bruce, a leader in Windermere and Kootenay development was also asked to enter the circle, and after the smoking of the ceremonial pipe and listening to the liturgy in the Kootenay language, was dressed in all the panoply of power, head-dress and beaded clothes, and accepted into the tribe as full chieftain, being given the name of Car-No-Sic-Klmeet, which signifies "Red Sky", after a famous council chief of the tribe who has long since passed away. Mr. Bruce expressed his pleasure in a largesse of tobacco and a gift of a one-hundred dollar bank note for the celebration.

This being over the sports were resumed and prizes were awarded to the best-costumed Indian on foot, the best costumed squaw, the best caparisoned Indian on horseback, and to others for neatness of tepees and best travois and papoose in baby trap, and for their demonstrated skill in athletic sports.
