ABOUT "LONG" MEETINGS

Our minister ran over time at church to-day-five minutes. He preached twenty-eight minutes. That made an hour and five minutes' service, which is too much. So some people say, and if our preacher doesn't watch they will be handing him his hat and asking what's his hurry. An hour and five minutes in church is an outrageously long time.

I was wondering how these folks stood it to sit three hours at the theatre the other night, and two and a half hours at the movies, and never heard of a dence one hour long, or a sixty-minute card party. People seem to want to get their money's worth when they go to shows and things. Well, perhaps that's why they want one hour at I never thought of this .- Ex.
