

Canadian Pacific Directors on Annual Tour

E. W. Beatty, president of the Canadian Pacific Railway, is now on his annual tour of inspection over the Company's lines. He is accompanied by a number of Canadian Pacific Directors, and the trip will probably prove of more than usual importance in view of the many questions connected with transportation that are under discussion in the West. The party of directors consists of Sir Herbert Holt, Montreal; Sir Augustus Nanton, Winnipeg; J. K. L. Ross, Montreal; F. W. Molson, Montreal; and W. N. Tilley, K.C., of Toronto. Vice-President A. D. Mac Tier accompanied the President as far as Port Arthur. The party left Montreal on September 6 and made the first stop at Toronto, leaving next day for Revelstoke and Fort William. Short stops were made at Winnipeg, Brandon, Moose Jaw, Medicine Hat, Calgary and Revelstoke. At Winnipeg a meeting of the board of directors was held, this being the first time in the history of the Canadian Pacific Railway that such a meeting has been held in Western Canada. Vancouver was reached on September 15th, and the party then proceeded to Skagway by the Canadian Pacific Coast Steamship Service. They will return to Vancouver on September 24th. The return journey will be made via Nelson, Lethbridge, Calgary and Edmonton. A short stop will be made at Nelson on September 30th, at Lethbridge, on October 1st, Calgary, October 2nd, Edmonton, October 3rd, Saskatoon, October 4th and at Winnipeg the following day.

Corner Concerns

(Our own correspondent.) Here we are again. Harvest off and threshing all done, our barn and drive-shed reshingled, and the corn fixed up and nothing to do but write news for The Chronicle.

Miss Ella Wilson went to Toronto on Monday to remain for a time.

Mr. George Gray has been engaged doing shingling for Mrs. Janet McMeekin, both on the home dwelling and the one across the road.

Mr. Lorne Poole of Buffalo is visiting his aunt, Mrs. James Mack.

Mr. and Mrs. Thomas Tucker spent a day recently with friends in Chatsworth.

There was a good turnout from this part to the Varney Thanksgiving services and as an act of gratitude Varney people will withdraw the service in their church on Sunday evening so that all may attend St. Paul's service.

The threshing was principally all done along the line by Messrs. Weber and Pollock. Mr. William Vessie with his big outfit also came in at the close and took a few barns. The yield was about up to the average.

Mr. William Lawrence purchased from Mr. Jamieson, M. P. for one of the Simcoes, a pure bred Hereford bull for his herd of pure bred, recently started. It is a fancy animal that will both improve him stock and win prizes in the show-ring.

Mr. Robert Barber has also purchased a pure bred Hereford bull from the herd of Mr. Dowling. That particular breed seems to be interesting Egremont farmers at present more than others.

Mr. Seaman, who recently came to this part of the country and has been a regular attendant at church this summer, was accompanied a week ago by his wife, who has just arrived.

Miss Irene Barbour was appointed Secretary-Treasurer of the Sunday school in place of Miss Ruby Morrison, who is attending Normal at Stratford.

Rev. Mr. Henry was much appreciated in his address at St. Paul's on Sunday, by a good-sized audience.

St. Paul's Church will hold their Thanksgiving services on Sunday next, October 7, at 3 p.m. and 7.30 p.m. Rev. Mr. Whealen will conduct the former and Rev. Mr. Richardson of Mount Forest the evening service. On Monday night from 6 to 8 o'clock the ladies will serve up one of those fowl suppers for which they are so noted, in the basement of the church and subsequently a programme will be given, consisting of songs, music and addresses by Revs. West of Holstein, Whealen of Durham and Mr. Maloney of Hamilton.

Glenroadin.

(Our own correspondent.)

Mr. Will Kenny and Mr. Jack Barrie have gone to Detroit, where they intend spending the winter.

Mr. Roy Trafford is visiting friends in Chesley. He had the misfortune to

get a small bone broken in his wrist.

Mr. Campbell Dunsmoor has finished threshing around Glenroadin.

Mrs. Allan Boyd and daughter, Heather, of Leader, Sask., are visiting her mother here and other friends.

The Kenny and Melosh families spent Sunday in Owen Sound.

Miss Marion Boyd has returned to Toronto, where she is attending the Normal school.

Messrs. L. A. McLean, and Alex. and Jack Lawson spent Sunday with Mr. Joe Davidson.

LOST INFANT CHILD

Mr. and Mrs. George Hugill Mourn Death of Infant Son.

Much sympathy is felt for Mr. and Mrs. George Hugill in their bereavement by the death of their three-months-old son, George Garvin, who died at an early hour on Friday morning after a very brief illness. He was quite bright up to three or four hours before death.

Interment was made Saturday afternoon in Durham cemetery, the Rev. J. E. Peters officiating at the service.

Here and There

Russia has more illiterates, and at the same time, more bookshops than any other country in Europe.

The largest consignment of silk from the Orient for many months, consisting of 5,500 bales, valued at \$9,000,000, formed part of the cargo of the "Empress of Russia" recently.

A shipment of silk from China, consisting of ten carloads, valued at two million dollars, went forward from Vancouver to New York under special guard over the Canadian Pacific lines recently.

The first of a series of six new seaplanes being constructed for the Canadian Government has just been delivered. The new planes are to be used in forest patrol for the prevention of destruction by fire.

Following the disastrous earthquakes and fires which devastated large areas in Japan, the Canadian Pacific liners "Empress of Canada" and "Empress of Australia" were thrown open to the accommodation of thousands of refugees, while the officers and men of the vessels did splendid work in organizing and assisting rescue parties.

The rapid increase in the export butter trade of Saskatchewan during the past year or two, has been the outstanding feature of the Provincial dairy industry. Recently the Saskatchewan Co-operative Creameries made a shipment of 25,000 lbs. of butter to China.

For almost two decades the major portion of the world's supply of cobalt has been derived from the silver-cobalt-nickel arsenides of the Cobalt district, according to figures compiled by the Dominion Bureau of Statistics. The cobalt production of Canada in 1922 was 569,960 pounds, which at \$3.25 a pound, would be worth \$1,852,370.

Priceville.

(Our own correspondent.)

Mrs. John Burnett, South Line, Artemesia, was taken to Owen Sound hospital on Monday expecting to have to undergo another operation.

We sincerely hope for a successful recovery if such is found necessary. Mrs. Angus Kennedy of the village is ailing this past few months. She is under the care of Dr. Carr constantly.

A. C. McLean's house frontage shows a great improvement in appearance with the new brickwork and window-casings.

Priceville's Fall Fair Thursday and Friday. Don't forget the days and the exhibits. Make the hall and ground worth while. The prizes show a substantial increase over previous years, so get behind it and put the day over successfully.

Mrs. Archie McLean, Gravel Road West, is still ailing, also Mrs. Thos. McKeown. We hope for their recovery very soon.

G. McTaggart returned to the city after spending a week at his home here.

Mrs. R. J. McConkey left for Detroit on Tuesday morning for an extended visit with her daughter, Mrs. J. C. Harrison.

H. E. Karstedt seems to be having a fair measure of success with his poultry exhibits at the various fairs, always getting a very good percentage of prizes.

A number of the Masonic brethren visited Maxwell on Sunday evening where a Masonic service was held from Flesherton Lodge. A pleasant and profitable evening was the result.

Threshing in and around the village seems to be fairly well completed.

Mrs. Elizabeth McKinnon of Toronto is in the village till after the Fair.

Miss Lawrence, representative of Widows' Pensions, was in town last week on her periodical visitation.

Hydro representatives called in town on inspection work the latter part of the week. We still want more consumers at this centre. Install now for the long winter nights. You will be well repaid.

G. A. Watson is busy putting weather stripping on windows and doors of a number of houses in the village. Mr. Watson will be kept busy as he has secured quite an extensive order in this neighborhood.

Frook & Stothart shipped quite a bunch of stock on Tuesday.

Mrs. McIntosh and children of

Toronto visited her father, Mr. Wm. Taylor, for a few days.

Mr. and Mrs. H. P. McLean arrived home from their wedding trip last week and are happily settled in their home on the Townline, north of the village. We wish them many years of happiness.

We are glad to report that another of our young men has decided to take unto himself a wife, in the person of Mr. John A. Nichol, who last week was wedded to Miss Ethel Gilchrist of Flesherton. The young couple are spending their honeymoon in the States and at the present time we have not been informed as to the time of their return to our community. We hope that their future will be brightened by every happiness and the community will welcome these young people and will hope to retain them, as a place is always so much richer when such is possible.

Mrs. Alex. Whyte returned to Meadowdale after spending a short holiday with her son Garfield, on the O. D. R., East.

TOO MANY GIRLS—

dread wintery weather for the torture it brings from sore faces, chapped hands, frostbite and cold-sores. With the face, hands and arms protected by Zam-Buk, frost and cold winds simply cannot redder, roughen and chafe your skin. Wash with Zam-Buk Medicinal Soap and apply the Zam-Buk balm after drying.

There is nothing like this Zam-Buk treatment for keeping the skin smooth, strong and flexible. Composed exclusively of rich herbal essences, Zam-Buk soothes and purifies the tissues and prevents all roughness and soreness. Where the skin has already become chapped, blistered and sore, Zam-Buk, because of its great antiseptic and healing power is doubly valuable. It takes away the smarting irritation almost immediately, kills dangerous disease germs and quickly heals with new healthy skin. Zam-Buk is the best remedy obtainable for chapped, cracked hands, cold-sores, frostbite, chilblains, winter eczema, burns, scalds, and all wounds and injuries. 50c. box, all chemists.
