And hang his hide upon the fence. What nice Christmas weather we are having. This leighing of a few days has been washed away by the unusually mild December weather.

At the inquest in Hanover last Thursday afternoon inquiring into the death of Miss Corrine Knapp, the two boys, George M. Watson and Gordon Hartman were freed from all blame. The school concert at No. 5 on Wednesday night last was in every way a success. The weather was ideal, the roads excellent and hence a good crowd was present to listen to a high class programme of drills, pantomines, dialogues, cow boy songs with guitar accompaniment; recitations by the little tots and music galore lasting until the midnight hour when the singing of the National Anthem brought to a close one of the best school concerts we have ever attended. It was our first visit to this school and we were favorably impressed with its workings and conditions and the teacher, Miss Clara Jack, is to be commended on her good work.

We have heard and read considerable of late about Bible study in school and we would stand on all fours in favour of the movement. Future generations would be guided by it and we are sure if Adolf Hitler had been brought up in a Christian home or school he would not today be involved in a war to the eyes with all horrors, blood-shed and destruction.

Merry Christmas and a Happy New Year and may the year 1942 bring a lasting peace, happiness and prosperity to all!

She and her pupils held the most perfect and lengthy concert in the school on Wednesday afternoon, when a big crowd attended. The pupils many acts and movements were guided solely by musical note and there was perfect accord. They promise to be a bunch of soloists. At the close of the programme, Miss Durmin was presented with a chemise spread and satin cushion and a most complimentary address. J. R. Edwards presided and a very hearty vote of thanks was rendered Miss Durmin by the board and all present. A most tempting lunch was served and Santa Claus had gifts for all the children. Over \$10 was raised for Red Cross funds by a collection at the door and sale of articles made by pupils.

No. 5 and 7 Separate schools united this year and held their concert in the community hall. Reports have reached us that they had a fine program and an appreciative audience.

Zion's Christmas concert was held on Friday evening with a smaller attendance than usual, owing to bad roads and a stormy night. Mr. Victor Williams, unexpectedly was called to fill the chair; but having both Irish and Scotch blood in his veins was quite equal to the occasion. The programme was a good one the church tastefully decorated the two big trees laden with presents and one more successful affair passes into history and will be stored in memory.

Canadian Tanks From C.P.R. Shops

The craftsmen of the Canadian Pacific Railway Angus Shops at Montreal are proud of the powerful tanks they are building for the Canadian, British and Allied Armies. These mighty weapons stream off the assembly lines as the day and night shifts labor to produce more and more of these "Valentines for Victory." The illustration shows a number of the tanks in mass formation just before they rolled aboard Canadian Pacific flat-cars for shipment to the fighting fronts.
