Head and Limbs

All Covered With Eruptions—Could Not Work, the Suffering Was So Great—Hood's Has Cured.

"I was all run down with complaints peculiar to my sex, and I broke out in sores on my body, head, limbs and hands, and my hair all came out. I was under the doctor's treatment a long time without benefit. They called my trouble eczema. Finally I began taking Hood's Sarsaparilla, and after I had used three or four bottles I found I was improving. I kept on until I had taken several more bottles and the sores and itching have disappeared and my hair has grown out." Mrs. J. O. Brown, Brantford, Ontario.

"I was all run down and had no appetite. I had a tired feeling all the time. I was advised to try Hood's Sarsaparilla. I did so and it benefited me so much that I would not be without it." Mrs. G. I. Buzzart, Central Norton, N. B.

DORNOCH.

Mr. Wm. J. Wade arrived home last Saturday from the vicinity of St. Mary's where he spent a profitable summer.

'Twas a merry household at the home of Mr. D. Stewart last Saturday and Sunday, as Mr. and Mrs. J. McNally and family of Traverston were guests there.

Mr. John Corlett had the misfortune last week while attending to stable duties to fall, breaking a couple of ribs and otherwise bruising himself.

Home last week from Manitoba came handsome Hector Leitch, where he had been to help harvest and garner the golden grain.

Mr. Nicholas Melosh is again an occupant of the home circle after an absence of three years spent in Algoma and Manitoba.

Miss Marjorie Campbell left last Monday for Toronto where she intends to spend the winter months.

Last week Mr. J. Cross of Chesley moved part of his belongings to the mill and premises of A. F. Smith, but later we learn that the property is sold to Mr. Jos. Truax, who is to take possession shortly.

Mr. Mac. McDonald and sister Miss Maggie visited prospective relatives of the former, east of Durham the beginning of the week.

Miss Maud Dargavel is a visitor in the Royal City at present.

Miss Maggie Cameron who has been seriously ill of a fever in Chesley is, we are glad to say, improving rapidly, and is expected home this week.

Mr. Edward Bray left on Monday last for London to accept a position in a car shop there.

A pair of busy men are Messrs. Scheurman and Campbell who have the contract of cutting and drawing the timber in Mr. Thos. Stewart's swamp for Messrs. Sparling & Kinnee.

A scene of bustle and activity presents itself to the eye a couple of miles south west of the village where a genuine lumber camp is in operation, on what is known as the Stewart farm, but what is now the property of R. Truax, M.P.P. whose employees are converting the trees into logs and ties.

Last Friday evening the village was bombarded by about two score of loyal Foresters who without preliminaries took possession of the town. The goat was pugacious and aggressive, but the muscles of all Dornoch boys are hardened and well trained, and sixteen managed to get astride the delusive brute without any very serious damage. Court Bannockburn I. O. F. No. 1245 is in a prosperous way, new members are being initiated monthly, the results of the labors of organizer Tink of Toronto.

Since writing our last budget Mr. Dan. McDonald arrived home from the vicinity of Brampton, his pockets bulging out with hard cash, the result of eight month's labor.

Commissioner Binnie passed through the village last Saturday from Owen Sound where our august representatives met in session. By the way municipal matters are very quiet at present. Is our ward again to go without a representative? Surely not.

He is a tough hardy customer is Mr. Edward P. Walsh, but the pesky meastles has him fast and Ed. is forced to take a prolonged holiday.

GLENELG COUNCIL.

The Council met Nov. 7th pursuant to adjournment, all the members present, the Reeve in the chair. Minutes of last meeting read and approved, report of ward expenditure in ward 3, was handed in, read and adopted, accounts read from C. Ramage and "Municipal World" also a receipt from Treasurer of Ardenesia for money paid on town-ward account.

Williams—McMillan—That the County Treasurer be paid \$85 for lands bought at adjourned sale by the Reeve in behalf of the Township at less than taxes, and that the Reeve be paid \$5 as expenses. Carried.

McMillan—Firth—That cheques issue for the sum of \$50 for Ward appropriation

Almost a MIRACLE

OTTAWA, Sept. 9th, 1890.
To the Phenoline Medicine Co., Ltd.
Ottawa.

GENTLEMEN,—I hardly know how best to express my appreciation of your valuable rheumatic remedy, Phenoline. My son Gordon, who is 9 years old, has been a sufferer from inflammatory rheumatism for the past two years; was so bad at times that he had to be carried about on a mattress; was attended by two city doctors apparently without the slightest benefit; spent 10 days at Caledonia Springs, came home with no marked improvement; took three bottles of a Homeopathic remedy now being extensively advertised, which did not relieve him in the least. I was beginning to give up all hope of his recovery, when by chance I mentioned the case to a friend who strongly advised me to give Phenoline a trial.

I did so, with the result that when my boy had taken only half a bottle he was able to get on his bicycle and ride like any other boy around the block.

I certainly feel that I cannot say too much in praise of your medicine, and shall do all I can to make known its value to others. Yours very sincerely,
(Signed) REUBEN CLARK.

At each others throats would probably raise the prices, but in the meantime
