## Great Interest in County Contest

### McKINNON AGAIN HEADS THE POLL WITH BRIGHAM SECOND

#### Full Returns of the Voting in Division No. 3, by Wards

Monday last was an eventful day for many candidates, and night brought the usual quota of successes and defeats. It was early seen that Mr. C. McKinnon, was to be a winner and for the second time he heads the poll in his division, a result decidedly flattering to our townsman. The hold he has on the people is a growing one and we congratulate him on his success. Two years more in the County parliament. We are not in the prophecy business, but we can't help saying, that the man that tackles "Charley" in future even for higher honors, has his work cut out for him.

The defeat of Mr. Binnie, after eight year's of faithful and able work is one of the regrettable incidents of an election fight. Mr. Binnie by his tastes and experience was a valuable municipal officer, and his work and record in County Council is exceedingly worthy.

However, his successor Mr. Brigham, is not new to County business and the division will be well represented, by the hero of the "hub." He took a good vote in Glenselg and Durham.

Mr. Ries is not sufficiently known out of Bentinck, but where he is known he polls heavy.

The following directory can be clipped out:

DIVISION NO. 3.—Chas. McKinnon, C. C. Henry Brigham, C. C.  
 DIVISION NO. 4.—James Allan, C. C. Andrew Schenck, C. C.  
 DIVISION NO. 5.—M. Richardson, C. C. Geo. Watson, C. C.  
 DIVISION NO. 1.—Gordon and Frost.

#### NOTES.

The defeat of T. McFadden in Glenselg—his first defeat—is generally regarded as caused by over-confidence in his friends. Lamb was believed to have suffered from the same cause last year and is on top this year. Jno. Williams and J. McMillan made a close run for 1st place, the former leading by two. In the crush of candidates a good man fell in Mr. J. Firth. The new man, Mr. Neil McCannel, takes the largest ward vote, except one by T. McFadden. Neil is a coming man.

Close running in Egremont where the three highest candidates come within nine votes of each other. Hastie polled well at his first fight and has a very even vote. McFadden was very near the winning mark. Reeve Morice in Normanby has won perhaps his most notable victory. In a mixed township Bob holds his own well.

The veteran Reeve Dickson in Bentinck proved too much for Jacklyn who is weak in the east and north. Brown is a strong man, while old man Leslie has a splendid grip on the public pulse.

In Durham, the one man to drop proved Wm. Whitmore, who might have changed this result had he pushed his canvass. Livingston, makes his bow from the top of the list as will be seen, while at the other end, is Wm. Gorsline, the other new man, two votes ahead of Whitmore. A good working harmonious council for 1899 to trust.

FOR THE DELICATE GIRL

You have tried iron and other tonics. But she keeps pale and thin. Her sallowness worries you. Perhaps she has a little hacking cough also. Her head aches; and she cannot study. Give her

## Scott's Emulsion

The oil will feed her wasting body; the glycerine will soothe her cough, and the hypophosphites will give her new power and vigor to her nerves and brain. Never say you "cannot take cod-liver oil" until you have tried Scott's Emulsion. You will be obliged to change your opinion at once. Children especially become very fond of it; and infants do not know when it is added to their food.
