YEOVIL.

On Saturday morning of last week, there passed away another of the pioneers of the township of Egremont in the person of Mr. Robert Long. The deceased was born in the County of Armagh, Ireland, on October 10th, 1822. In 1848, he came to this country and settled in the Township of Esquesing, County of Halton, where, in the same year he married Isabella Brown, who survives him. After a residence of 10 years in Esquesing he came to the Township of Egremont and settled on lot 14, concession 16, where he resided until the time of his death. Quiet and somewhat reserved in manner, peaceful in disposition and true to principle. Mr. Long made during his lifetime, many warm friends. He with his partner in life endured, with fortitude, the many trying hardships of pioneer life and succeeded in accumulating considerable of this world's goods which he had in the form of farm property in the township. In religion he was a Presbyterian, and in politics a Conservative. Besides a large circle of friends and acquaintances he leaves to mourn his death, his aged widow and a family of eight—one daughter and seven sons. The daughter is Mrs. Daniel Brodie, who resides near Markdale. The sons are:—Robert, living in Kansas, John in Michigan, Thos. in Glenelg, Nathaniel and David in Egremont and James and William at home. The remains were interred in the Amos Church Cemetery on Tuesday and were followed to their last resting-place by a large concourse of people.

Mrs. Wm. Pettigrew visited friends at Riverview last week.

Miss M. Schell who has been here for the past year, returned to her home near Warton on Saturday.

Messrs. Alfred and George Horsburgh left on Monday for Warton where they expect to get work taking out ties and timber.

Mr. Garton of Michigan, was the guest of his brother Eliza Garton whom he had not seen for nearly thirty years.

Our correspondent gives the figures for the H-use of tefage in Egremont, which we have placed in our local columns. Ed]

What Shall Be Done

FOR THE DELICATE GIRL

You have tried iron and other tonics. But she keeps pale and thin. Her sallow complexion worries you. Perhaps she has a little hacking cough also. Her head aches; and she cannot study. Give her

Scott's Emulsion

The oil will feed her wasting body; the glycerine will soothe her cough, and the hypophosphites will give new power and vigor to her nerves and brain.

Never say you "cannot take cod-liver oil" until you have tried Scott's Emulsion. You will be obliged to change your opinion at once. Children especially become very fond of it; and infants do not know when it is added to their food.

50c. and \$1.00; all druggists.
