Warden Murchison from Bachelor's Corners was a welcome caller on friends in our town on Sunday last.

Mr. John Murchison is back to this vicinity again after spending the last ten months around Burlington Plains.

A few sleigh loads from your town and vicinity, rang the floor of one of our worthy bachelors, one evening recently. A few of the neighbor boys enjoyed themselves with the crowd, while one or two more of the perfect ones descried the scenes from outside the windows, and no doubt could tell the tale with satisfaction. (If the cap don't fit don't wear it.

We are informed that Messrs. Alex. and Malcolm McMillan will leave this week for Traves City, Mich, to continue timber making for Mr. N. McIntyre of Durham. These are a pair of our jolly boys and will be much missed from our midst. We wish them success and a safe return.

Mr. John G. Beaton dealt one of his Indians for a handsome gray one day last week in the village of Markdale. Mr. B, is satisfied this time.

We with others sympathize with the McDonald family of Pomona in their sad bereavement, in the loss of a kind mother, whose death was published in last weeks Review.

Mr. Duncan McArthur has moved into his new residence which is a credit to himself as well as the builders. Now two month's visit to his family here. Duncan we hope it won't be long before you perform the other duty.

BOOTHVILLE.

Mr. and Mrs. Angus McCannel spent Sunday at their respective parents. We are sorry to hear of Mrs. McDonald's illness. We hope she will soon be around as usual. We are pleased to hear that Mrs.

George Haw is a little better. Glad to see Mr. J. McQueen on the warpath again, after an enforced rest of three or four weeks.

Mrs. D. McCannel presented her husband with a fine baby on Monday morning. Mr. James R. Wilson spent Sunday

KIDNEY-SICK PEOPLE!

By far the largest army of sufferers in the world are the kidney-sick people—but by far the largest army of the cured ones attribute their release from disease to the great South American Kidney Cure—Cures Bright's disease. Cures diabetes, Cures all bladder ailments.

sidious of all diseases common to humanity; within the past few years medical science has made wonderful strides in coping with its ravages. South American Kidney Cure has proved rich in healing power, and every day testimony is piled up for its great curative qualities. Where kidney disease exists it is generally indicated by certain changes in the urine, such as mucus, sediment, albumen, brick dust, acid and blood-pain is not necessarily an accompaniment, which only aggravates the insidious nature of it. Testing and experimenting has disclosed the fact that the passing through these organs of the solid particles in the ordinary course of circulation do in a remarkably short while clog up, grind out and impair them so that the functions of these organs are not performed and disease lays hold on the patient with a ruthless hand. Kidney diseases require a solvent-South American Kidney Cure is a solvent-it is a kidney specificclaims to be no more-it has been

Kidney diseases are the most in-

tested by eminent medical authorities on kidney diseases, and proved and testified to by them as the surest and safest cure for all diseases of the kidneys and bladder.
