VOL.—XXI. NO. 4.

DURHAM, THURSDAY, JANUARY 26, 1899.

WHOLE NO. 1089.

LOCAL AND GENERAL

Mr. Sparling spent a few days in Toronto last week.

One of MacFarlane's Grip tablets every two hours will check an attack of Latrippe in 24 hours. Keep a box in the house, 25c a box.

Dr. Park is now at home and may be found at his office, where he may be consulted on all diseases of the Eye, Ear, Nose and Throat. Any one wanting glasses should call and get fitted.

Mr. Mutch and Mr. Jno. Campbell from Lunenburg, N. W. T. are home visiting friends. Mr. Campbell is trying to sell his farm previous to returning West. They are both doing well and speak highly of the West.

What about your hens now, with eggs 20c a dozen? Try these 3 very necessary aids—Poultry Food and Egg Producer, Hess' Louse Killer, and Crushed Oyster Shell. MacFarlane's Drugstore.

Don't fail to attend Rev. J. Hill's popular illustrated Lecture, next Friday evening in the Town Hall. The proceeds will be in aid of Trinity Church Sunday School. Mr. Hill has filled to overflowing halls in Toronto and Detroit, and should have a good house at Durham. The cause is a good one, and the admission only 15c.

A USEFUL DIARY.—Our thanks are due to the Northern Business College, Owen Sound, C. A. Fleming Principal, for a copy of their Office Dairy, which is a most useful and elegant affair. Mr. Fleming's College ranks very high as one of our educational institutions, and his printing establishment turns out some fine work.

MISS LILLIE MCCOMB.—This estimable young lady, a daughter of Mr. Thomas McComb, Williamsford, and widely related in this district, died a few weeks ago at the age of 16 years. She was only four weeks ill and her premature demise has caused a widespread feeling of regret, which was evinced by the very large funeral. Rev. Mr. Little conducted the funeral services, and she was laid to rest in Williamsford cemetery.

A GOOD MOVE.—Tenders are this week being asked for the removal of timber and debris from "Saugen Park" near the Cemetery. We hope that this action will be followed by results gratifying to all lovers of natural beauty, and that careful forethought has been given to the matter. We are under the impression that a study of the banks and islands during the spring flood by a special committee might be suggestive of what would be most desirable as to controlling or directing the water courses in an artistic manner.

HELP WITH A DOLLAR.—The mortgage indebtedness on the Hospital for Sick Children, Toronto, entails an interest expense of \$250 each year, a heavy drain on the resources of this great Charity. It will be remembered that in a recent issue of this paper the wonderful work of the Hospital was described, together with an appeal from the Trustees, asking that the people of Ontario pay off \$25,000 of the mortgage this year. They had agreed to retire that portion of the mortgage. A generous response has been made, but there is still \$3,000 needed to complete the fund asked for, over \$22,000 has been paid in, some of it came from the readers of this paper. The Charity is provincial and local. Sick children from every nook and corner of the Province are cared for. The Chairman of the Hospital Trust, J. Ross Robertson, M. P., Toronto, writes: "Is there another man in your town who will help the helpless children with a dollar?" Mr. Robertson says that every gift to a worthy charity bears interest for the donor. Three thousand single dollars will do the work—will you give one?

Mr. John Austin, of Reynolds, N. D., formerly of Durham, was in town last week, a welcome guest with some of his old neighbors and friends.

Mrs. Jno. McArthur, of N. Bentinck, died on Tuesday after a brief illness from heart failure. We extend our sympathy to the mourners. A fuller notice will appear next week.

The Sacrament of the Lord's Supper will be observed in the Presbyterian church on Sunday next. Preparatory Service on Friday at 2.30 p. m., when Rev. Mr. Matheson, Priceville will preach.

If the person that accidentally put his foot through W. Black's store window, will call and settle, it will avoid considerable trouble and extra expense, as he is known. Wilk. and Mc. were with him.

Messrs. Alex. McMillan, Mal. McMillan, Irvine Anderson and Peter McArthur went away to Michigan on Wednesday of last week to make timber for Mr. N. McIntyre, whose business operations are constantly assuming a wider range.

DESIRABLE PROPERTY FOR SALE.—The undersigned offer for sale the house and 1/2 acre lot, known as the Austin property in Durham. Terms very reasonable. Apply at once to H. Storey, or to W. S. Davidson, McIntyre Block, AUSTIN BROS., Proprietors.

BAPTIST SOCIAL.—A social will be held at the house of Mr. Thos. McComb, Bunnison on Tuesday next Jan. 31, at 7.30 p. m. Sleights will be at the Baptist church in town about 7 to accommodate those who wish to go from town. Admission 15c. Proceeds in aid of Durham Baptist church.

Rev. Mr. McGregor, Misses Nettie Browne, J. Stewart, I. Williams and Mr. J. L. Browne are delegates to the Baptist Rally in Walkerton on Thursday. Over 20 in all intend going from Durham and since Grey and Bruce districts joined for this occasion, there will likely be a large attendance.

Rev. Mr. Jansen surprised his congregation on Sunday last by announcing his intention of severing his connection with them at next meeting of Presbytery which will be held on March 14th next. Mr. Jansen, during his stay in Durham has commended himself to the whole community as a man of eminent piety and zeal, not sparing himself in any cause to which he devoted his energies. The warmest wishes for his future will go out to him from his many friends here.

BUSINESS CHANGE.—The firm of Messrs. Ramsay & Morlock, which has done business here since 1894 was dissolved last week by mutual consent. Mr. S. F. Morlock has purchased his partner's share in the business and intends now in his own name to conduct the growing business he has built up here. This week he advertises a dissolution Partnership sale by which no doubt the purchasing public will benefit. Mr. Morlock has been in business over 20 years, and in launching out alone we heartily wish him success.

LATE LITERARY NEWS.—The event of the literary year will be undoubtedly the great novel upon which Count Tolstoy has been laboring in order that he may devote the proceeds to the transportation to Canada of three thousand Russian Quakers. It is generally believed by his friends that this work will probably mark the conclusion of Count Tolstoy's literary career. Not merely on this account but because of the subject treated, it will attract the widest attention, the world over. It is a profound study of the life of man and woman and treats of the three phases of love—that of the youth, that of the young man, and that of the man in mature age. The Cosmopolitan Magazine announces that it has secured the sole right of publication.

County Council is in session at O. Sound this week.

YOUR LABEL.—Is it right? We have made all changes carefully, but will be glad to be notified of any mistake. Have just added about 30 new names. "Keep your labelhead" is a good motto.

A WELCOME ANNOUNCEMENT.

The public will be interested in knowing that the publishers of that popular weekly paper, the Family Herald and Weekly Star, of Montreal, have arranged for a further supply of their famous premium picture, "Thin Red Line." All who become subscribers during January and February can depend on getting a copy, also renewal subscribers. We believe the publishers of the Family Herald and Weekly Star intend "Thin Red Line" to be the first of a series of these famous pictures, and Canadians who secure a copy this year will be fortunate as they will be able to get the entire set. In a few weeks the entire edition of "Thin Red Line" will be disposed of and no more can be had at any figure. This is a hint for those who have not yet secured it. It is given free with a year's subscription (one dollar) to that great paper, the Family Herald and Weekly Star, Montreal.

MOUNT FOREST WOOLLEN MILLS.—This concern had its annual meeting week before last, and as its President and Directors are largely from this district we quote from the Confederate of last week an account of the meeting which was attended by 200 shareholders: President Jas. Allan, of Varney, occupied the chair. Considerable time was occupied in the discussion of the auditor's report. The amount of business done during last year was about \$20,000. Some changes were made in the by-laws, among them being one reducing the number of directors from 7 to 5. This change will reduce the expense of directors' meetings from \$25 to \$17.50. The following were elected directors: James Staples, Edge Hill; Geo. Watson, Swinton Park; Jas. Allen Varney; Chas. McInnis, Yeovil; Robt. Morrice, Orchard. The fees for directors are two dollars a day while attending meetings and ten cents a mile one way. Archibald Filshie was appointed auditor for 1899 on behalf of the shareholders, it being understood that G. L. Allen shall act in case Mr. Filshie declines to do so. At a subsequent meeting of the directors Jas. Staples was elected president and Geo. Watson, vice-president. The estimates for next year provide for a reduction in expenses of \$1,000. One of the difficulties that the management have had to contend with in the past is the giving of two pices on goods, one to shareholders and another to the general public. It is proposed to make one price to all hereafter, and instead of giving over prices to shareholders, to declare a dividend at the end of the year if possible. The directors will deal with this matter at their next meeting.

SOLDIER FROM PORTO RICO.

Dr. R. A. Smith Honored.

Many in Durham and vicinity will be delighted to read the following item which we take from the Cleveland "News and Herald" of January 17th inst., relating to Dr. R. A. Smith, son of Mr. and Mrs. Thos. Smith, of this town. Bob (excuse us) was away at the wars it will be seen, and his reception as outlined below, was a tribute to his heart and must have been a tonic to his health. We extend congratulations:

Ghent, O., January 17.—Saturday evening, January 14, was the occasion of a grand reception tendered to Dr. Robert A. Smith, at the home of Mrs. Rees, where kind friends had assisted in making the occasion an enjoyable one, as well as a surprise to the doctor, who is at home on sick furlough from Porto Rico. The home was beautifully decorated with the stars and stripes, and long before the doctor arrived the house was well filled with friends who came to extend a cordial greeting. He was completely taken by surprise, and when he had fully recovered, was again surprised by the presentation of a beautiful gold watch and chain on behalf of his numerous friends.

The doctor responded in a very happy manner, and, after giving a description of army life, he spoke in glowing terms of this "Gem Island," Porto Rico, and its possibilities for the future under American rule.

RE TOWN HALL.

It is very evident that if this town is to enjoy the luxury of first class concerts something will have to be done in the way of providing a more commodious Concert room. The stuffing and crowding experienced on Thursday night last, in the natural desire to hear first class talent was neither dignified nor comfortable, and some even think not safe.

There can be no doubt that some naturally cautious spirits absent themselves against their will from crowded meetings from a fear of collapse, but such fears we think are quite unfounded. No meeting with a seated audience can be so packed or so heavy as one of men such as has occasionally been seen on election nights when the space has been jammed full of standing men. However no harm could be done, if an expert opinion could be had as to the perfect safety of our town Hall.

The time has come either for removal or enlargement of this building. If the conditions of lease or purchase are such that removal can not take place, then some additional space behind should be purchased with a means of ingress and egress there also, and additional seating space to the extent of the width of the platform might be secured.

With such improvements made the town might with safety and credit ask any first class Lecturer, Comedian or Company to come amongst us.

Anyway an entrance from the platform end should at once be secured.

We have said nothing about the heating arrangements which are about as imperfect as they could well be.
