J. A. HUNTER'S

Departmental Store. DURHAM, ONT.

Orchardville.

The recent cold weather has left its impress in almost every family, in fact colds and La Grippe are quite fashionable now. Mr. Geo. Schram has launched out into the butchering business and now supplies both meat and drink to the public. Miss Meredith visited in Durham on Saturday last. Mr. Drummit of Grieresville called here on his way to visit friends in Normanby last Saturday. George Lewis has engaged with Mr. Peters for a year, and had a bee hauling wood, last week. Damsie rumor says that the chief has been suspended indefinitely. We also heard that a biography of Sir Colin Campbell was in course of preparation by a lineal descendant of that gentleman, who lives in this vicinity.

ROCKY.

Messrs. S. and D. Wade and their two sisters visited at Mr. Ewen's on Sunday last. They enjoyed a drive to town at night. A sleigh-load from Aberdeen passed through here one night last week. They were enjoying the outing. The home of John Vossie was brightened by the arrival of a son last week. Grip is at work around the Rocky. Quite a number laid up. Mr. John McKinnon has been improving his house in the way of storm sash, W. Middleton doing the carpenter work. Look out for cupris and box social on the 24th. A cord program will be provided for at the school. The married side won in the debate, married v. single life. After such brilliant arguments we will look for wedding bells soon. Next debate on "Women's Rights."

HOPEVILLE.

Mr. McLeach arrived here on Sunday 5th and held services in their hall. A number from here went to the funeral of Mrs. Samuel McDonald near Dundalk. She leaves a husband and two young children. The funeral was very large, the Rev. Mr. Harrison officiating. She was an attendant of the Ventry church and was a sister to Mr. Thos. Luchlin, Tp. clerk. Died on Sunday night Feb. 5th Mr. Geo. Campbell, one of the first settlers in Protou. He was a hard working honest man, and leaves his family in good circumstances. The family consists of three daughters, two married and one single. He was buried the Tuesday following at the Methodist grave yard, near by where his wife and son was buried. Rev. Mr. Morrison and Rev. Mr. McDonald officiated at the house and grave. In public life he was a consistent reformer and always stood true to his party, though he was honest enough to oppose their action when they made the post office change a year ago.

MURDOCH.

Mrs. D. and Mr. J. Sharp took a trip to Dundalk a week ago Saturday. Mrs. Sharp remained to make a visit with her son Geo. of that village, but we are sorry to report that she is at present in a poor state of health. Mrs. S. Queen and Mrs. A. Allan went up to Markdale last week to see Mrs. J. Chapman who has been confined to her room with a severe attack of congestion of the lungs. Mrs. Chapman is still in poor health and will be unable to leave her room until spring. Miss M. E. Orchard of Durham, visited a number of her Egremont friends and was heartily welcomed by all. Come again.

Mr. Bert Budd who has been spending a few weeks with his many friends returned to Elgin Co. this morning. He left some sad hearts behind him.

A number of the youth and beauty were invited to Mr. S. T. Orchard's a few evenings ago and having Miss M. E. Orchard of Durham in their midst and listening to a number of selections from the gramophone in addition to a general good time. A very enjoyable evening was spent. Mr. J. S. Allan C. C. also treated the young people to a social gathering, and all report having had a good time. Evangelist Delaney has taken charge of the service in the school house for two Sabbath evenings and expects to be present next Sabbath evening also. Rev. Mr. Campbell of Drummond will preach in the school house two weeks from last Sabbath evening Feb. 19. Mr. Campbell is always warmly welcomed.

C. E. Column.

DOTS AND JOBS.

In the work of your society, be as diligent as a bicyclist in looking out for rats. The best method of bible study is that which leads you to make use of all you learn. In reaching others, it is perseverance that counts. Be like a postage stamp—STICK TILL YOU GET THERE. Your society needs several things, no doubt; but its greatest need just now is spiritual life. Don't be afraid of getting into the world, that is where you should be. The only thing to be afraid of is that the world may get into you. A speaker said recently, "Christian Endeavor's name is not Jacob, but Onesimus. It is not a supplanter, but a helper." Societies are sometimes afflicted with a disease akin to the grip, they are weak and disinclined to work. The best known remedy is a generous portion of prayer and Bible study daily, followed by faithful exercise in doing good. WANTED—SEVERAL TRUSTWORTHY PERSONS in this state to manage our business in their own and nearby counties. It is mainly office work conducted at home. Salary straight \$500 a year and expenses—definite, bonafide, no more, no less salary. Monthly \$75. References. Enclose self-addressed stamped envelope, Herbert E. Hess, Pres., Dept. M. Chicago.

THE LATE NEIL McDONALD.

BY PRICEVILLE CORRESPONDENT.

We find it again our painful duty to chronicle the death of another near and dear friend in the person of Neil McDonald, who departed this life on Sunday night, 5th inst. at ten o'clock, aged 61 years and 5 months.

Born on the 8th concession, township of Vaughan, on the 15th September, 1837, he came to the township of Glenelg on the 1st May, 1851, being three months later than the rest of the family. Being the oldest of the family the lot fell on him to remain to feed and take care of the stock till spring, when with his father, the late Arch'd McDonald, who went back in the spring to undertake the task of moving the live stock and such implements as were in use at the time. They started the journey on Monday morning enroute by way of Fergus with a yoke of oxen and wagon loaded with implements, etc., arriving at Durham about dark on Saturday night, leaving the wagon and load in Hunter's stables, which stood exactly where the large and commodious REVIEW office now stands, and unyoking the oxen drove to their home in the woods on lot 41, Durham Road, Glenelg, arriving about twelve o'clock at night footsore, weary and hungry where they found the family patiently awaiting their arrival to their humble dwelling. The subject of our sketch, who was entering on his fourteenth year, found it no trouble to use the axe with much freedom in assisting his father in heaving out a home in the forest for a helpless family.

Mr. McDonald was married on the 19th June, 1865, to Miss Ann Graham. To them were born five sons and three daughters. Three of the sons died in childhood and one of the daughters died on the 19th April, 1883, aged 21 years. Those that are living are Archibald, late from the Klondike but now of Oregon; Angus in the gold mines of Alaska, at Douglass City; two daughters at home, Christina and Mary Ann, and a lone mother which are all that constitute the family at present.

Mr. McDonald's ailment, spinal disease, commenced years ago, but was not disabled till the 15th of September last when he became almost completely paralyzed. He received the best of attention and care from his beloved partner and his ever faithful daughters during his illness, but "friends nor physician could not save this mortal body from the grave."

Mr. McDonald and family made their home for fifteen years on lot 20, con. 21, Egremont, now the property of Mr. Allan McKinnon, of Durham. He came to the place where he ended his career nineteen years ago, being lot 19, con. 4, S. D. R., Glenelg. In politics Mr. McDonald was a staunch Liberal, and in religion a Presbyterian. By his death a second break was made in the family since last November, when his brother Charles died, after a brief illness of two weeks. Being possessed of a patient nature he bore his illness with calmness and patience, always realizing the fact that his journey's end was not far off, for although the nature of his disease caused his mind to wander at times, yet his whole affections were centred on his future welfare, for off

SKIN-DEEP BEAUTY!

"Handsome is that handsome does," is the old theoretical adage, but after all it's the skin-deep beauty that's attractive. It would take a big lot of handsome doing to compensate for a skin that is diseased and whose appearance is distasteful to all who see it, and the torment of the patient whose daily burden it is to bear it about. Dr. AGNEW'S OINTMENT is a wonderful cure for all sorts of Skin Diseases—itching, burning, stinging sensations which are accompaniments—letter, salt rheum, scald head, ring worm, eczema, itch, sores, erysipelas, liver spots, and all eruptions of the skin—one application allays the irritation, and perseverance in its use results in a speedy cure. For blind, bleeding, itching, and ulcerating piles it's a magical

balm; one application gives comfort and relief in an instant, and in from three to five nights the trouble disappears. Price, 35 cts.

A Toronto gentleman, living on Dovercourt Road, spent a small fortune in treatments and remedies for piles in their very worst form, was treated by electricity with temporary relief only, and had decided to go on the operating table and have a surgical operation performed, but was recommended to try Dr. AGNEW'S OINTMENT—he did so. The first application it relieved the intense distress—he persisted in its use and to-day he's cured with a cure after years of suffering.

DR. AGNEW'S CURE FOR THE HEART—Relieves smothering, palpitation and fluttering. A regular life saver in cases of organic heart troubles.

DR. AGNEW'S CATARRHAL POWDER—Relieves cold in the head in 10 minutes. Cures hay fever and sneezing.

DR. AGNEW'S LIVER PILLS—Regulate the bowels. Tone the system. Never gripe. Cure many little doses. 60 in a vial; 20 cts.
