"She Carries Her Heart on Her Sleeve"

What a boon to many a man or woman if this were literally so—How many spirits are broken because this particular organ is shackled by disease—and yet how many times has Dr. Agnew's Cure for the Heart brushed against the grim reaper and robbed him of his victim.

Diseases of the heart are by far the most treacherous of ailments which afflict humanity—ruthless to old and young alike—not insidious but violent, for when the heart fails the whole system suffers violence. Discussing causes here will not console the suffering one. The one great yearning of the heart-sickened patient is how to get relief and a cure. Dr. Agnew's Cure for the Heart stands pre-eminently to-day as the star of hope to sufferers from heart trouble, and so far past the experimental period that thousands to-day proclaim in no uncertain sound, the belief that were it not for this great remedy they would have long ago passed into the great beyond.

Most eminent doctors, when heart cases have baffled, have tested Dr. Agnew's claims, and to-day they prescribe it in their practice as the quickest and safest heart remedy known to medical science. What are the symptoms? Palpitation, fluttering, shortness of breath, weak and irregular pulse, swelling of feet and ankles, pain in the left side, chilly sensations, fainting spells, uneasiness in sleeping, dropsical tendency and as many more indications that the heart is deranged. Dr. Agnew's Cure for the Heart is a heart specific; and no case too acute to find relief from it inside of thirty minutes—a powerful cure.

Mrs. Jno. FITZPATRICK, of Cananago, Ont., after having been treated by eminent physicians for heart disease of five years' standing, was discharged from the hospital as a hopeless invalid, and suffered from acute pain and palpitation, her feet and ankles swollen, and there was every tendency to the dropsical form of heart disease, but the lady procured Dr. Agnew's Cure for the Heart as she declared, as a last hope. One dose relieved her of a very acute spasm in less than thirty minutes, and three bottles cured her—not a symptom of the trouble remaining.

CONDUCTOR WILLIAM G. LUCAS, of the N. & W.R.R., and living at Hazelton, B.C., suffered for years with acute valvular form of heart disease—cost him many a "lay-off" from his daily duties on the road, and he spent a small fortune in remedies and treating with heart specialists in promise of a cure, and all ended in disappointment, until a good friend, who had been benefited, recommended Dr. Agnew's Cure for the Heart. He tried it, and found it gave him relief and strength, and says, "Tell all heart sufferers that I can highly recommend this great remedy."

DR. AGNEW'S OINTMENT cures eczema, salt rheum, tetter, scald head and all itching skin diseases; cures piles in three to five nights. 35 cents.

DR. AGNEW'S CATARRHAL POWDER relieves cold in the head or hay fever in ten minutes—will cure most stubborn and long standing catarrhs quite quickly and permanently.

DR. AGNEW'S LIVER PILLS cure constipation, biliousness, sick headache, torpid liver—clear the skin. 40 doses, 25 cents.
