うとうとうとうとうとう The James River Valley of North Dakota

Will you be one of the thousands of homeseekers to secure a farm and home this spring from the fertile lands of the James River Valley of North Dakota?

IT IS A PRIVILEGE you must take advantage of now if you would secure lands at a price hardly more than the rent you pay for one single year at your present home. Stutsman, La Moure, Wells, Foster and other counties invite you to secure a 160, 320 or 640 acre farm at four to eight dollars per acre on easy payment down, long time and low interest.

SEE FOR YOURSELF THE ADVANTAGES

These new rapidly growing counties offer you for grain and stock raising. advantage of the half rate landseekers excursions of April 4th and 25th.

Our National Defences.

The report of the Department of Militia and defence has been brought Our 7c Flannelette is down, and in view of the rapidly increasing interest that the country at from 25c upwards. Men's large is taking in military matters,

Major-General Hutton, General officer commanding has in various ways given ample proof of his active and other things the Major-General recommends that the whole of the active militia be embodied for training during the present year, by a concentration than in previous years and to include miniature ranges was also recommend. Statute is erected,

ed and an extension of the period of | There are many causes for so many training to sixteen days for the year deaths, invalids come here from every-1900 is suggested He further pro-poses that the Squadron R. C. D. be a question of a few months or years at removed from Winnipeg in May next best. Mormonism and Polygamy and

Our Militia Is Not An Army. The report of the General Officer Commanding, as to the condition of characterized as unsatisfactory in the extreme. The troops themselves, generally, are endowed with a profound patriotism, gitted with an excellent physique and infused with a which is an historical attribute of the Canadian people. The Canadian militia consists of a number of small of various strength, and of very vary

ing condition of dicipline and efficiency. "Valuable as such a force may be in the fighting qualities of its personnel it is useless for military purposes in prescribe and enforce observation of the absence of a trained general staff, department and in the absence of an ammunition and equipment which are indispensible to the maintenance of an armed force intended for military operation. The militia force of Canada is not, under the existing system, an army in its true sense. It is but a cohesion, without staff, and without these military departments by which an army is moved, fed or ministered in sickness.

AN INTERESTING LETTER FROM MR. ADAM COCHRANE.

ceived last week a letter from his brother church, and the dancing is controlled supporter of the measure Mr. Blair re- Adam, which is much more than a by an Elder or High Priest. Round to do to afford substantial relief to the ly kept eyes and ears open in regard to allow more than 3 or 4 any evening. people of this country would be to the life, character and doings of that They generally have dances once a week constitute a railway Commission, and strange people, and from the letter, at least. with which we have been favored, we make some extracts.

He writes: [You will no doubt be surprised to hear that I am still in the city of the church of Jesus Christ of My view is that, as regards providing Latter Day Saints. I might have said the city of Mormon's, but that is not now the proper name. Well call it what you like, it is a beautiful city, located in a beautiful valley and in a delightful climate, although people, many middle aged and old die here as upon the Railway Committee of the elsewhere. This Valley and State were in the hands of the Red Men less than 50 years ago, Brigham Young and his associate Mormon friends only entered this valley in 1844, and but a small band of them at that, and yet to-day the Mormon or city cemetery contains over 60,000 dead, in addition to these are two other cemetery's, the 'Gentile' and the INE COLLARS (stand-up) the volume is of more than ordinary 'Jewish', the Gentile one is called Mount Olivet. These are of comparatively recent origin, but they contain many inhabitants. Salt Lake City has a population at last censes of nearly 50,000, so you see the city of the dead is practical interest in the condition of by far the largest. They are all beautiful places, but particularly Mt. Olivet, The State Legislature is in session book, his report upon the conditions situated on the foot hills or bench, as here now and consists of 50 Mormon RESERVE FUND and requirements of the country's de- it is called, on the western side of the members, of whom there are two ladies fences, is of much interest. Among eastern range of Washatch Mountains, and 13 Gentile members. In this as in being a range of the Rocky Mountains, everything else the Latter Day Saints and immediately below Fort Douglas. predominate. There is a constant base of the mountains, and from the Gentiles, in church, school, politics, tops of which the snow seldom if ever business, it has been a dangerous thing at various central camps under his disappears. The purchase of a burying here to oppose the dominant church, command with properly constituted plot there, secures care of the grave for and hundreds who attempted it have staff. Relying upon the military all time, without extra expense, and ininstincts of the troops, he proposes to cludes sodding twice a year if necessary, now the Gentiles are asserting them- all points. Deposits received and intercarry out a higher degree of training also watering regularly as the supply selves, and the church no longer makes est allowed at current rates. will warrant, it is 21 miles from the threats. But there are many nice technical instruction, in which the technical instruction, in which the temple of Jesus Christ of Latter Day people among them, many wealthy and savings bank deposits of \$1.00 and upcity regiments be invited by the camps. Saints, everything here counts from the many poor. Grace's nearest neighbor Rifle practice with special Morris tub and this is where Pricham Young's land this where Pricham Young young land this where Pricham Young youn ammunition at miniature targets and and this is where Brigham Young's but by which wife I cannot tell, but i

of two battalions of mounted rifles be produced weaklings, whose lives at raised in Manitoba, and the North best are short. Of course the Mormon forbidden by both church and state, but Polygany is not abolished by any means All the dignatories,-Bishops, Apostles, the Forces is certainly not very and High Priests are polygamists havreassuring. He declares that, 'the ing from 2 to 10 or 12 wives, and although existing condition of the Military they preach against it, for they are all forces of the Dominion can only be preachers, yet they are all known to practise it. Bishop Cannon, one of the dignatories has 7 or 8 wives and to-day has 31 children, all cf school age, and has a school of his own, on his own premises where they all attend,

Let me give you one instance of polygamy that came under my observation one day. I took dinner at the house of a Mr. Gardner, a school teacher, under 50 years of age, and the oldest of a family of 10 by his father's first wife, that father is said to have had 19 wives but very long. is, he has 9 full brothers and sisters and how many children I know not. He 71 half brothers and sisters and 9 step- came here penniless but died wealthy, Lower Town. mothers. The old gentleman is a thanks to the titheing system. The in the absence of an administrative | Highlander, and is still living, as are house where he lived with 5 or 6 wives also 6 of his wives, with whom he lives. I is called the bee hive, and from outward adequate supply of those stores of arms | When polygany was abolished by appearance seems to be adapted to a statute, he called his families together use of that kind and was sold at auction and divided all his worldly posessions a few weeks ago for \$65,000, All his equally with his wives, giving each a 40 acre farm with brick house etc. I Mormons and I think they make good Mormons and first-class polygamists.

The Mormon Tabernacle and Temple are beautiful buildings, the tabernacle has a seating capacity of from 10 to 12 thousand, and is full every Sunday. They have the largest organ and trained for an hour or two longer. choir (over 500) of any church in the world, it is something to be remembered to hear them sing. Music is one branch of their education never forgotten, and a great deal. Every ward has a dancing Mr. Robt. Cochrane, of this town, re- hall, most of which are owned by the

It is the tithing system that keeps the Mormon church alive, all Mormons contribute or are expected to contribute 10 per cent of their earnings. Grace pays her girl \$3 a week and she pays into the church monthly \$1.20. The church is immensely wealthy and dabbles in everything, stores, hotels, manufactures, livery stables on immense scales, mines and mining stocks, railread and R. R. stocks, lands cattle, sheep and horses-everything. The church is a stock holder in all joint | The Review office, Durham. Corresstock companies of any account. The pondence addressed there or to Hopetithing house here is quite a sight, that is where the tithes are received when paid in goods other than cash. Farmers pay in any kind of produce they raise. fruit, dairy produce, grain, fodder. stock, wool etc., and the church runs stores in connection with it and disposes of all, and you can buy anything you U want there, the stockmen with large herds of cattle, horses and sheep, often pay in stock, and the church owns large herds themselves, and they do the
