

# Butter & Eggs

Wanted for Cash

We have decided to pay Spot Cash for all our Produce from First April.

Every sensible thinking individual knows that the only correct way is to

SELL FOR CASH AND BUY FOR CASH WHAT YOU WANT

It leaves you free to purchase at any store in town, and no more than you want. It is not many years ago since people were afraid to ask the store keeper for a few cents cash on the butter and eggs. To-day around and buy from us, and then when you have your money, turn around and buy from us, or any one else for cash. This places you on an entirely different footing. We don't ask you to thank us for taking this progressive step, as it is one we should have taken long ago.

IF OUR OPPOSITION pays more for BUTTER in goods than it is really worth in cash he must take the difference from you in the price of the goods. We commenced buying wool this way some few years ago (ie) paying cash, and we are able to say to-day that not one of our many wool customers ever faulted us, but on the other hand complimented us and showed their appreciation by dealing with us on the all cash system.

Take for instance your friends near the city, they would never dream of trading BUTTER for goods. They sell their butter for cash and buy their goods for cash.

## We Always Lead

Has been our motto, and we ask you to give the "ALL CASH" system your careful consideration and show your appreciation by giving it your hearty support. This is the only way to encourage buyers to pay a GOOD PRICE FOR GOOD BUTTER. As the market stands to-day you all receive the same price. This is not fair to good butter makers.

Bring your Butter and Eggs to the All Cash Store and GET YOUR MONEY for them.

EGG CASES SUPPLIED FREE.

### No Right to Ugliness.

The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth velvety skin, rich complexion. It will make a good-looking, charming woman of a run-down invalid. Only 50 cents at our drug stores.

The bride dressed in white organza, leaning on her father's arm soon followed and took her place at his side, when the Rev. Mr. Magwood made them one. After the usual congratulations, the whole party went into the dining room where a sumptuous breakfast was prepared, which all partook of heartily, after which the bride under a shower of rice left to catch the C. Christian Endeavor "At Home."

A very pleasant time was spent by the members of the Christian Endeavor Society last week. President Wm. Isaac opened the meeting, after which he called on the Rev. Mr. Campbell to occupy the chair. After an opening prayer by Miss M. A. Isaac and W. Isaac, Mr. John Sinclair, Yeovil, as representative of his society, gave an address. He spoke of the benefits to be derived from membership in the society, especially in the opportunity it gave the young to do something in Christian work as the chances of beginning such work when in mature years were very small. Miss Jean Renwick acquitted herself creditably in "The Lost Chord." Rev. Mr. Jansen next gave an address on the proper observance of our intercourse and behavior with each other. We should cultivate humility, shun frivolity in meetings and strive for greater earnestness and zeal in all our work. Miss Jean Renwick and Messrs. Ramage and Isaac sang the Easter Anthem, after which the company repaired to the basement and were royally treated. Over twenty visitors were present from Yeovil society, and a fine fraternal spirit prevailed.

### Rheumatic Torture

South American Rheumatic Cure Cures in 1 to 3 Days.

Solomon Woodworth, of Hope-well Hill, N.B., is rescued from a deplorably helpless condition, induced by the agonies of rheumatism. Mr. Woodworth had contracted rheumatism of the severest form and in a very short time was incapacitated for work—for weeks he could get no rest—suffered the most violent pains in his arms and shoulders—grew worse and felt he could not live, so terrible were his sufferings—his arms became perfectly helpless. He began taking South American Rheumatic Cure—after the second dose he experienced great relief and at the end of three hours every vestige of the pain was gone—the use of his hand and arm returned gradually and he feels altogether like a new man and to-day rejoices in a cure which he proclaims almost a miracle. South American Rheumatic Cure cures in 1 to 3 days every form of rheumatism and neuralgia. Do not suffer longer—it will relieve in six hours.

South American Nervine soothes the nerves and cures all forms of nervousness.

South American Kidney Cure cures only kidney diseases—relieves in a few hours.
