Miss Jessie Burnett of Durham is visiting at Wm. Greenwood's these days.

Mr. Bert Cook is home for the holidays. He is a fine dashing young fellow and we hope he will gain the name the boys have already given him, (Dr. Cook), and by the way, a young lady friend said that Bert looks very much like a Dr., so stout and strong looking.

Mr. Wm. Edwards is the first to start the plough. He says that it did feel a little lumpy, but then it is the 10th of April, and I must do something.

Joe is a proud and happy man these days as Mrs. McNally presented him with a fine bright baby girl on the 14 of April. Not a small one either by any means as it weighs 10 lbs.

Mr. C. Cotton means to give the girls a good time this summer as he has bought sixty dollar cart, but he got the cart from a special friend, so got it a little under that figure. Charlie says the bike is all right for one but it is no use for two.

Miss Minnie Wilson of the town line Egremont is staying at the falls for a few weeks. M. is making many friends, but some of the young gent's of this section are wondering what has become of Miss Fearlie. One young fellow appears to be really left. Well its too bad because it can't be helped.

Oh dear! this is too bad. I don't know what Miss — will think, and I don't think I will come any more till the roads are better. So said one of our aspirants as he plodded through the mud northward.

**Glorious News**

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help, but her cure is complete and her health is excellent." This shows what thousands have proved.—That Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents. Sold by our Druggist. Guaranteed.

**Intended for last week.**

Our mail man took out a load of our village children to see Dundalk one day last week and enjoyed the drive well.

Mr. George Woolsey is some better. Some months ago we mentioned the death of the two Egans at one time. George Woolsey is their brother-in-law, married to their oldest sister. At the time of their death he took sick and has since been hovering between life and death. We are pleased to say that now there is hopes of his recovery.

Over a week ago Mr. David Allen's son James got struck on the nose with a hard snow ball, and it bled profusely but nothing serious was thought of it till a few days ago when it started afresh, the blood running from nose and mouth. The alarmed parents sent for Dr. Sneath and with proper remedies the boy is gaining fast.

On the 11th our councillor went to Dundalk to a council meeting. Some very strong petitions were before them affecting the division of six school sections and withdrawing the town-ship part from Dundalk school. This latter part was agreed to, but not many other changes were made. The schools are all in the east of the township. Treas. Russell was appointed arbitrator on behalf of the Township.

Married on Wednesday 12 inst., at the residence of the bride's mother by Rev. Mr. Humphrey's, Pricville, Mr. Jos. N. Coulter to Miss Mary Ferris, youngest daughter of the late Jas. Ferris. Same day at the Manse, Dundalk, by Rev. Mr. Harrison, Mr. Nicholas Walton, Jr. to Miss Maggie McQuarrie. Both young men are prosperous farmers, and our community wishes them the best success in life.

We are glad to see Dr. Sneath able to be around again. He is getting his share of business and has been dealing in horses with our mail man who has some peculiar names for his horses. A few years ago Laurier and Mulock were favorite names. Now it is reported his fast goers are named Tupper, Whitney, Jamieson and Sprentle.

Our neighbor Mr. Jnos. McLean has rented his farm, had a sale of his contents and is moving to Cedarville to the old hotel building formerly occupied by Dan McEachnie.

Mr. John McWilliams had a fine two year old colt taken sick and died suddenly. Our local vets visited him but no good could be done.

Mr. C. G. Ancher, of Brewer, Maine, writes as follows:—"I have had catarrh for several years. Water would run from my eyes and nose for days at a time. About four months ago I was induced to try Dr. Agnew's Catarrhal Powder, and since using the wonderful remedy I have not had an attack. I would not be without it." At druggists.
